

Aceras antropophorum (L.) R. Br.

Alnus incana (L.) Moench

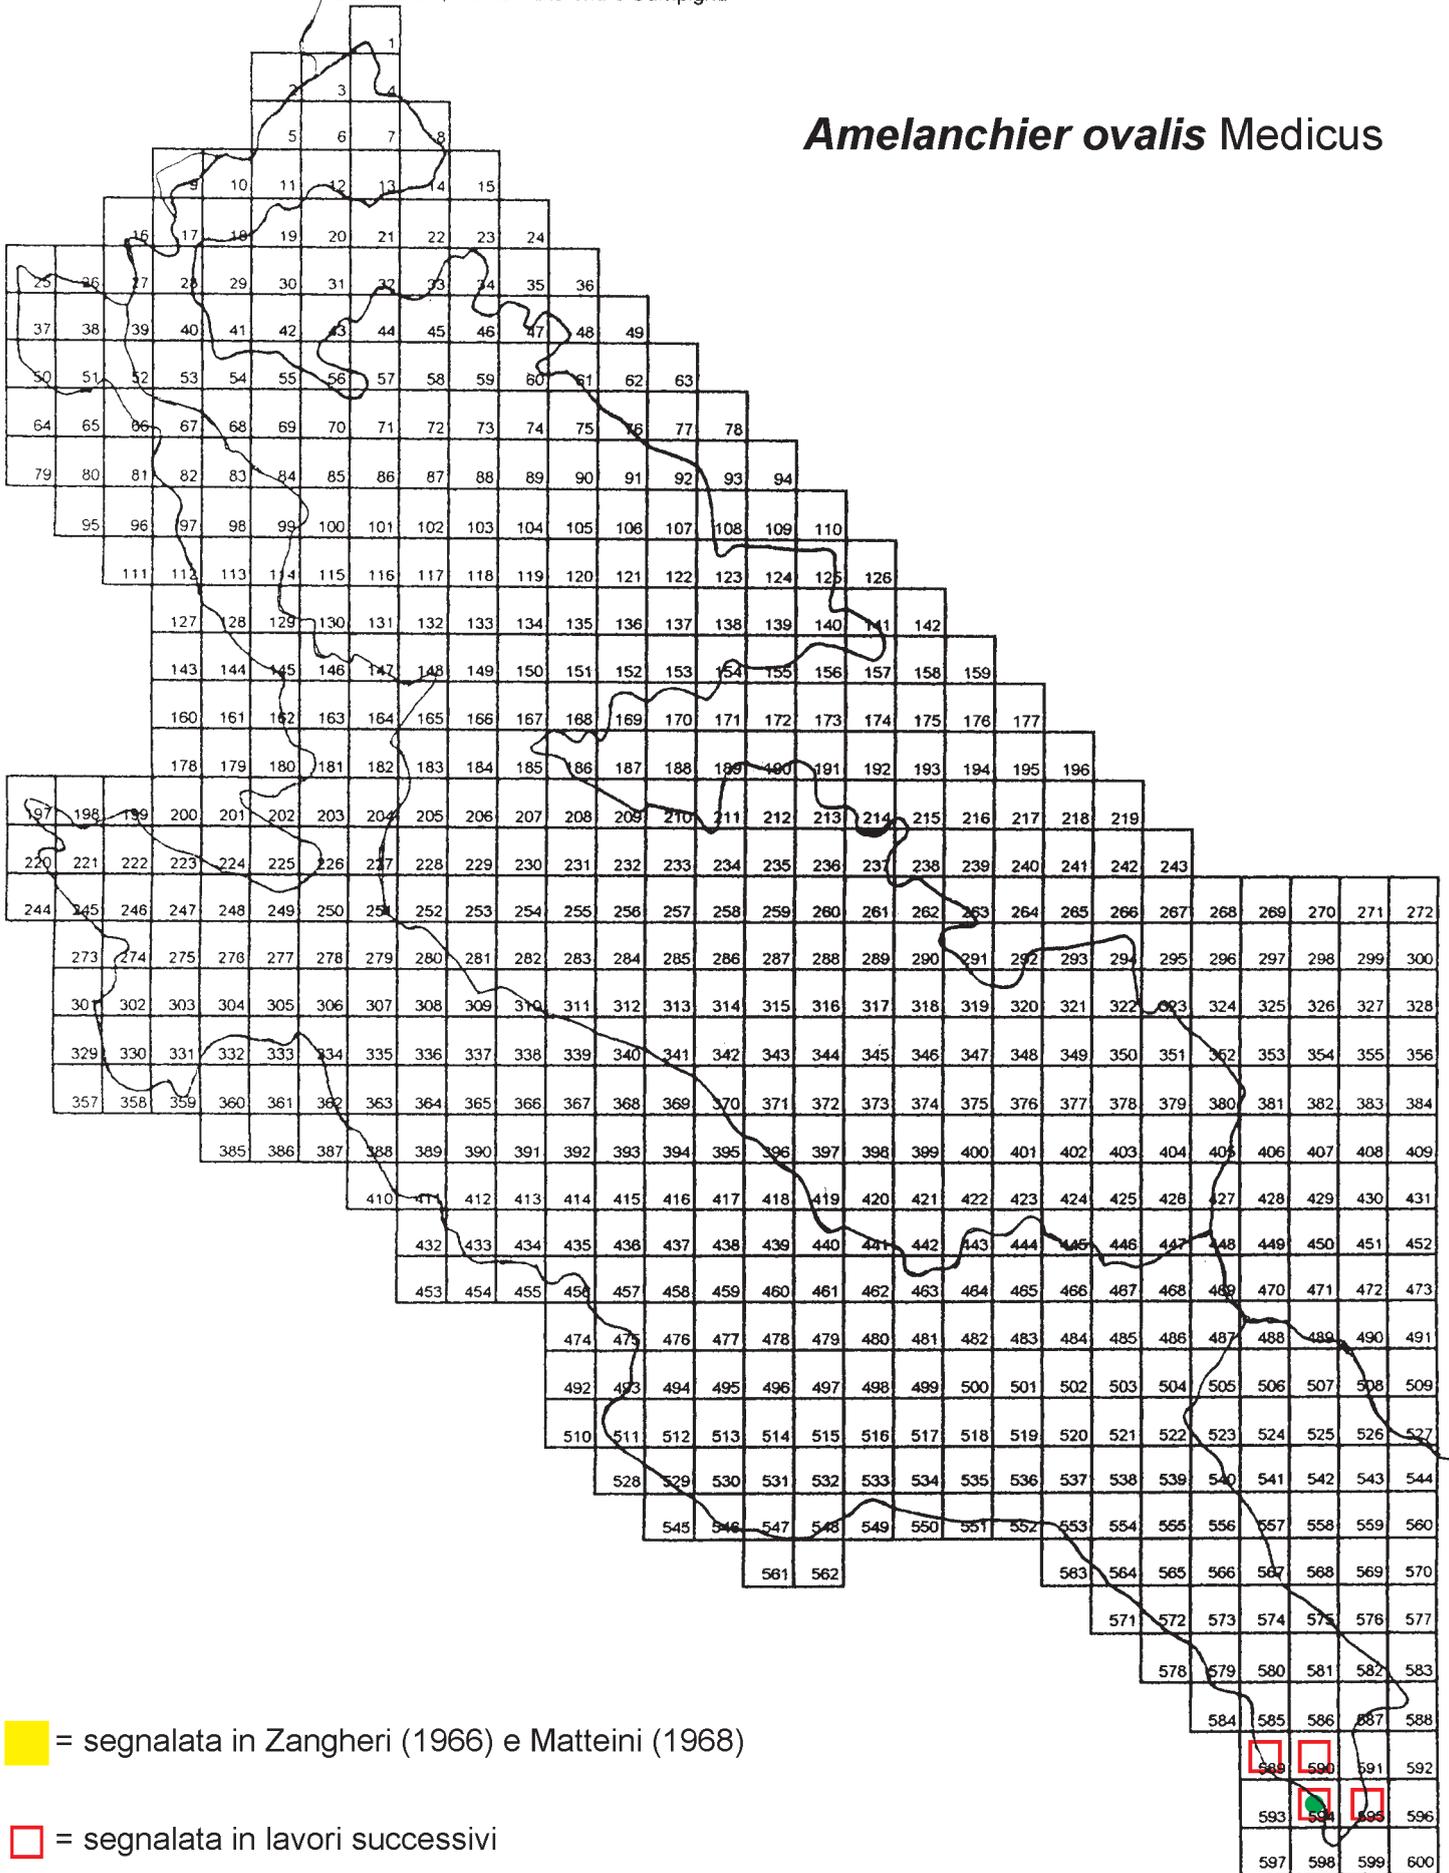

■ = segnalata in Zangheri (1966) e Matteini (1968)

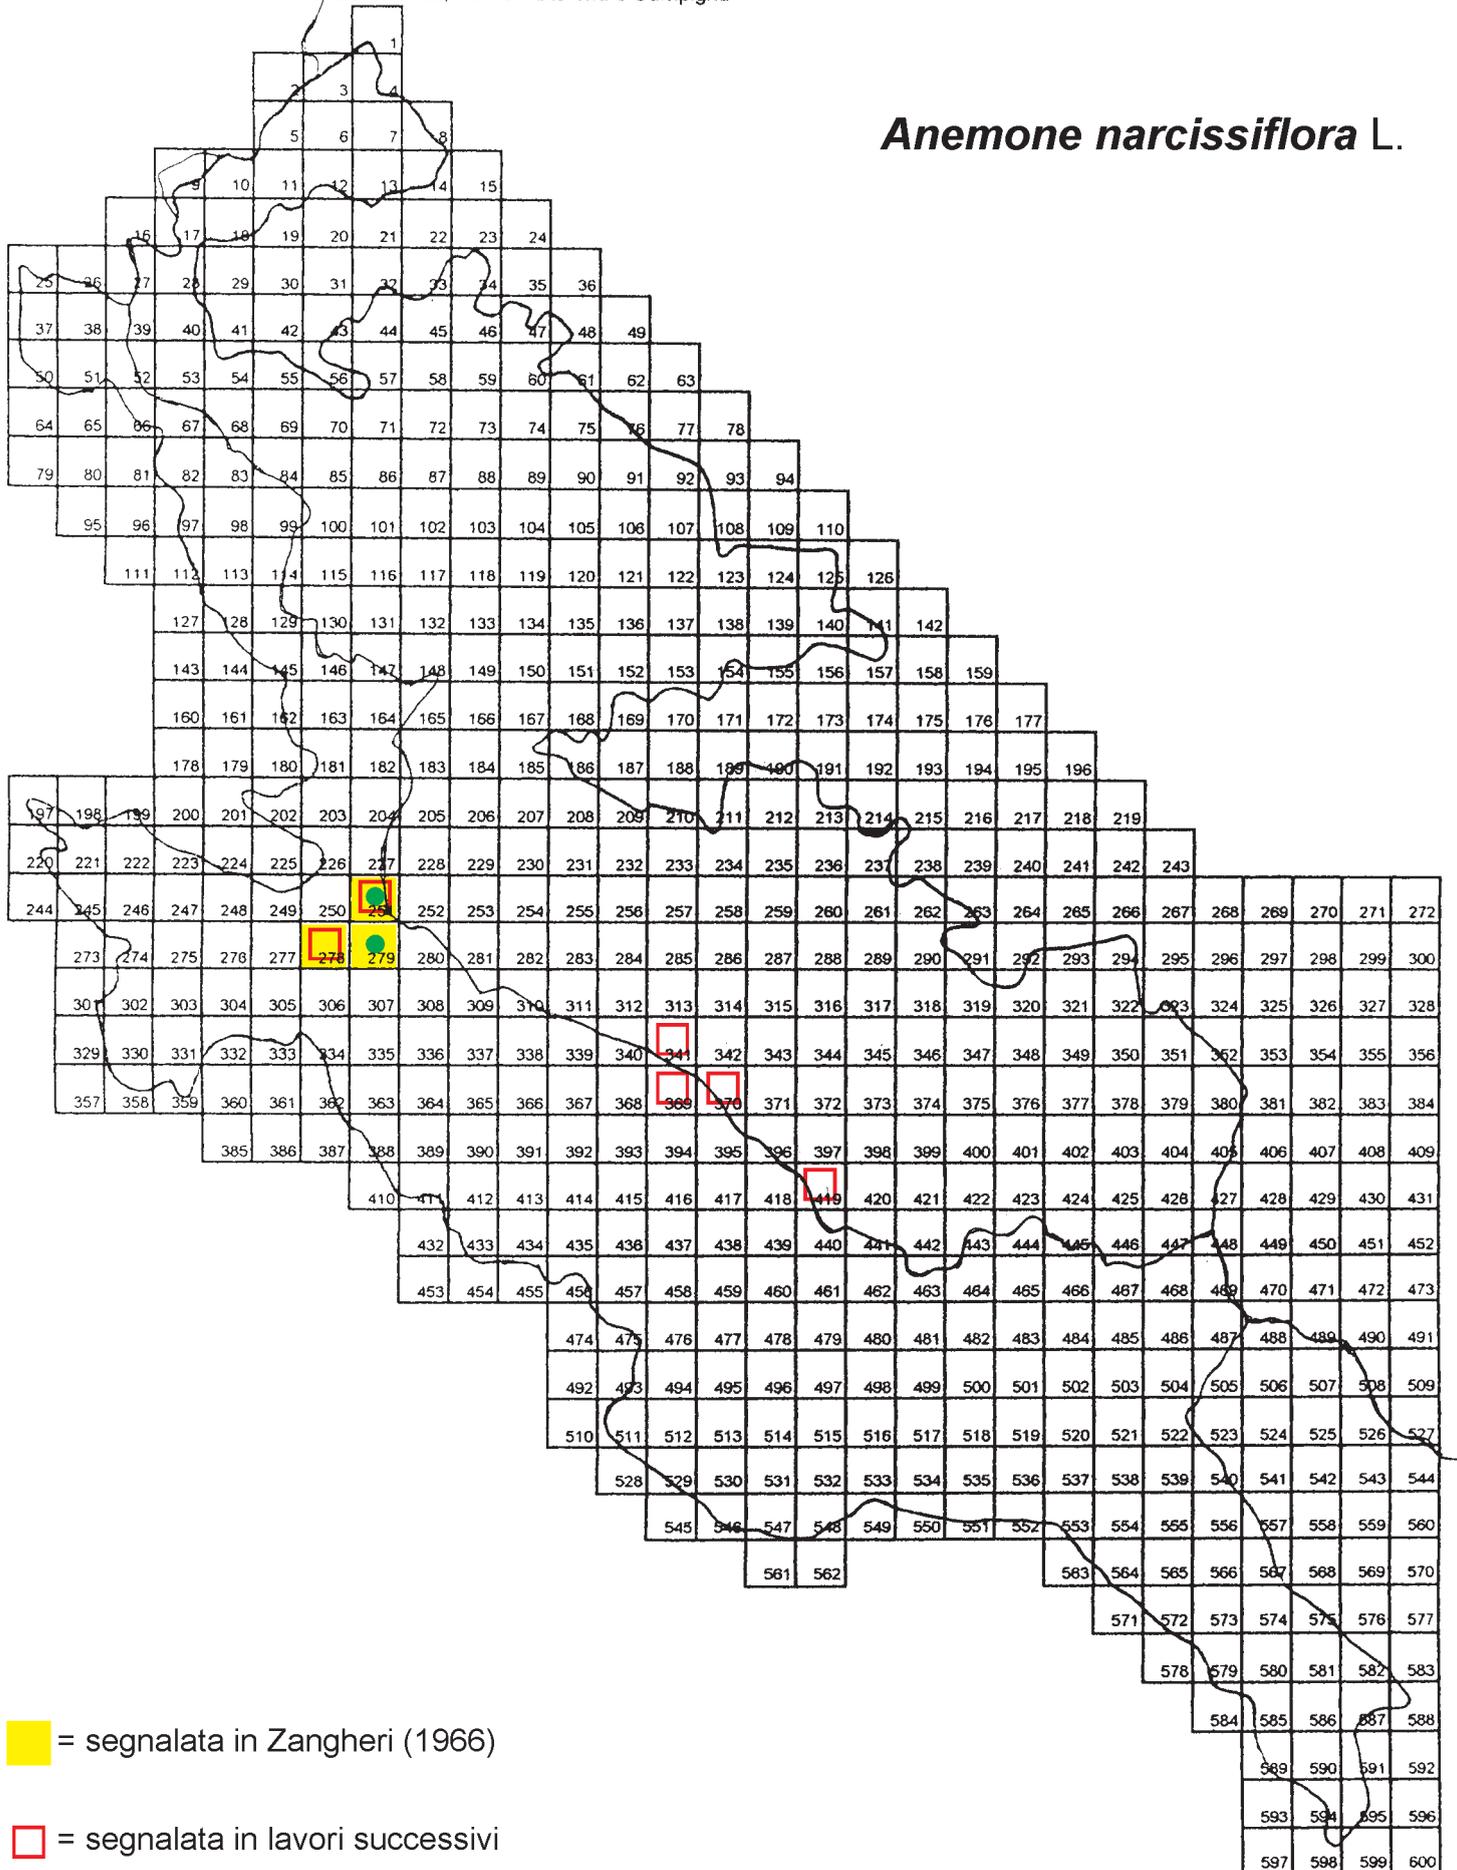

□ = segnalata in lavori successivi

● = segnalata nella presente ricerca

Amelanchier ovalis Medicus

Anemone narcissiflora L.

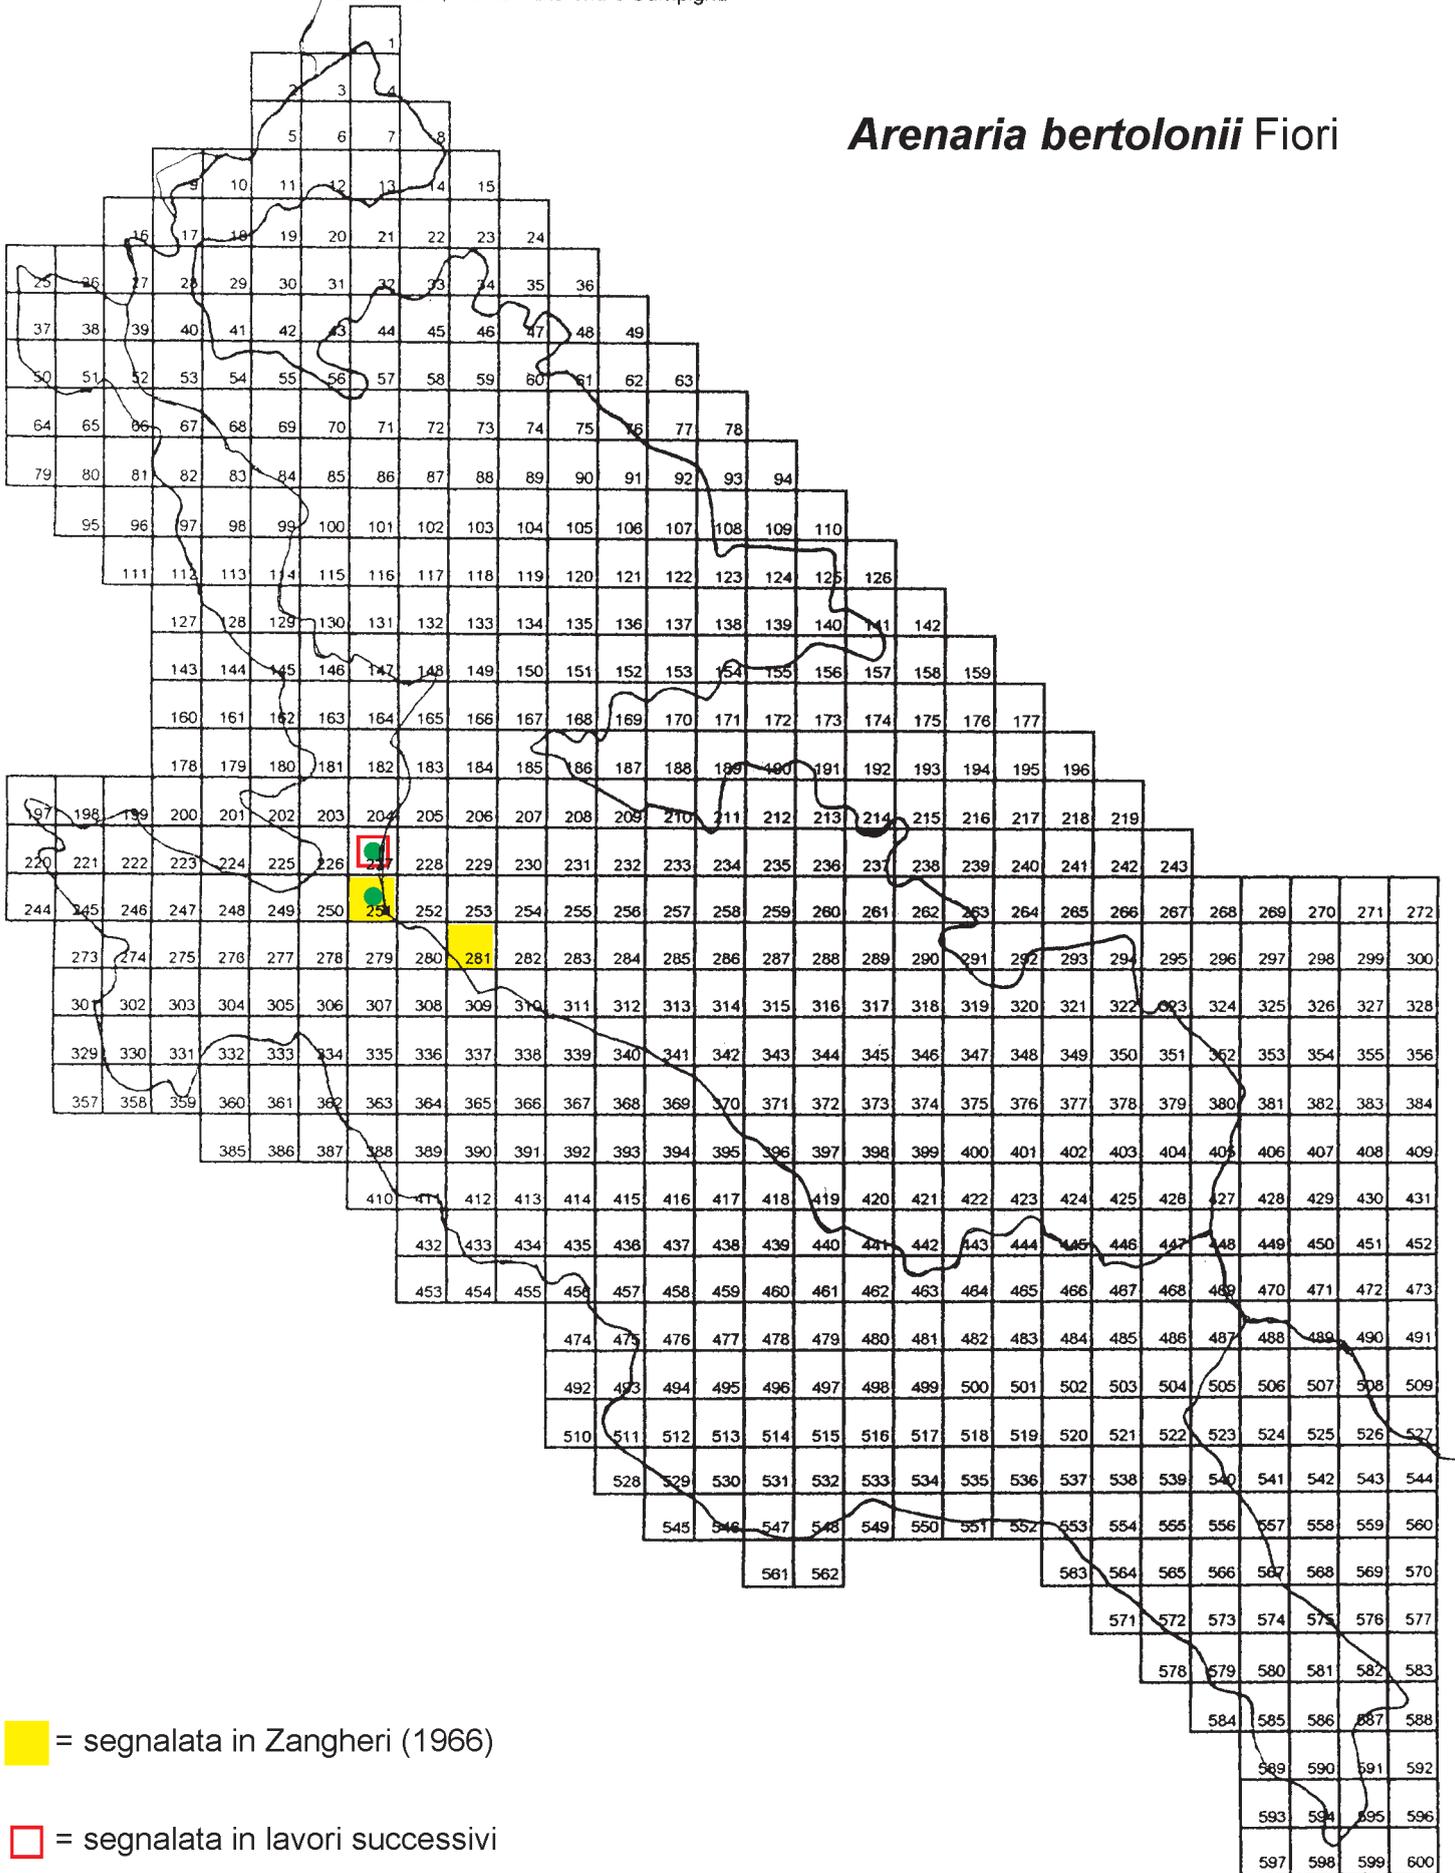

■ = segnalata in Zangheri (1966)

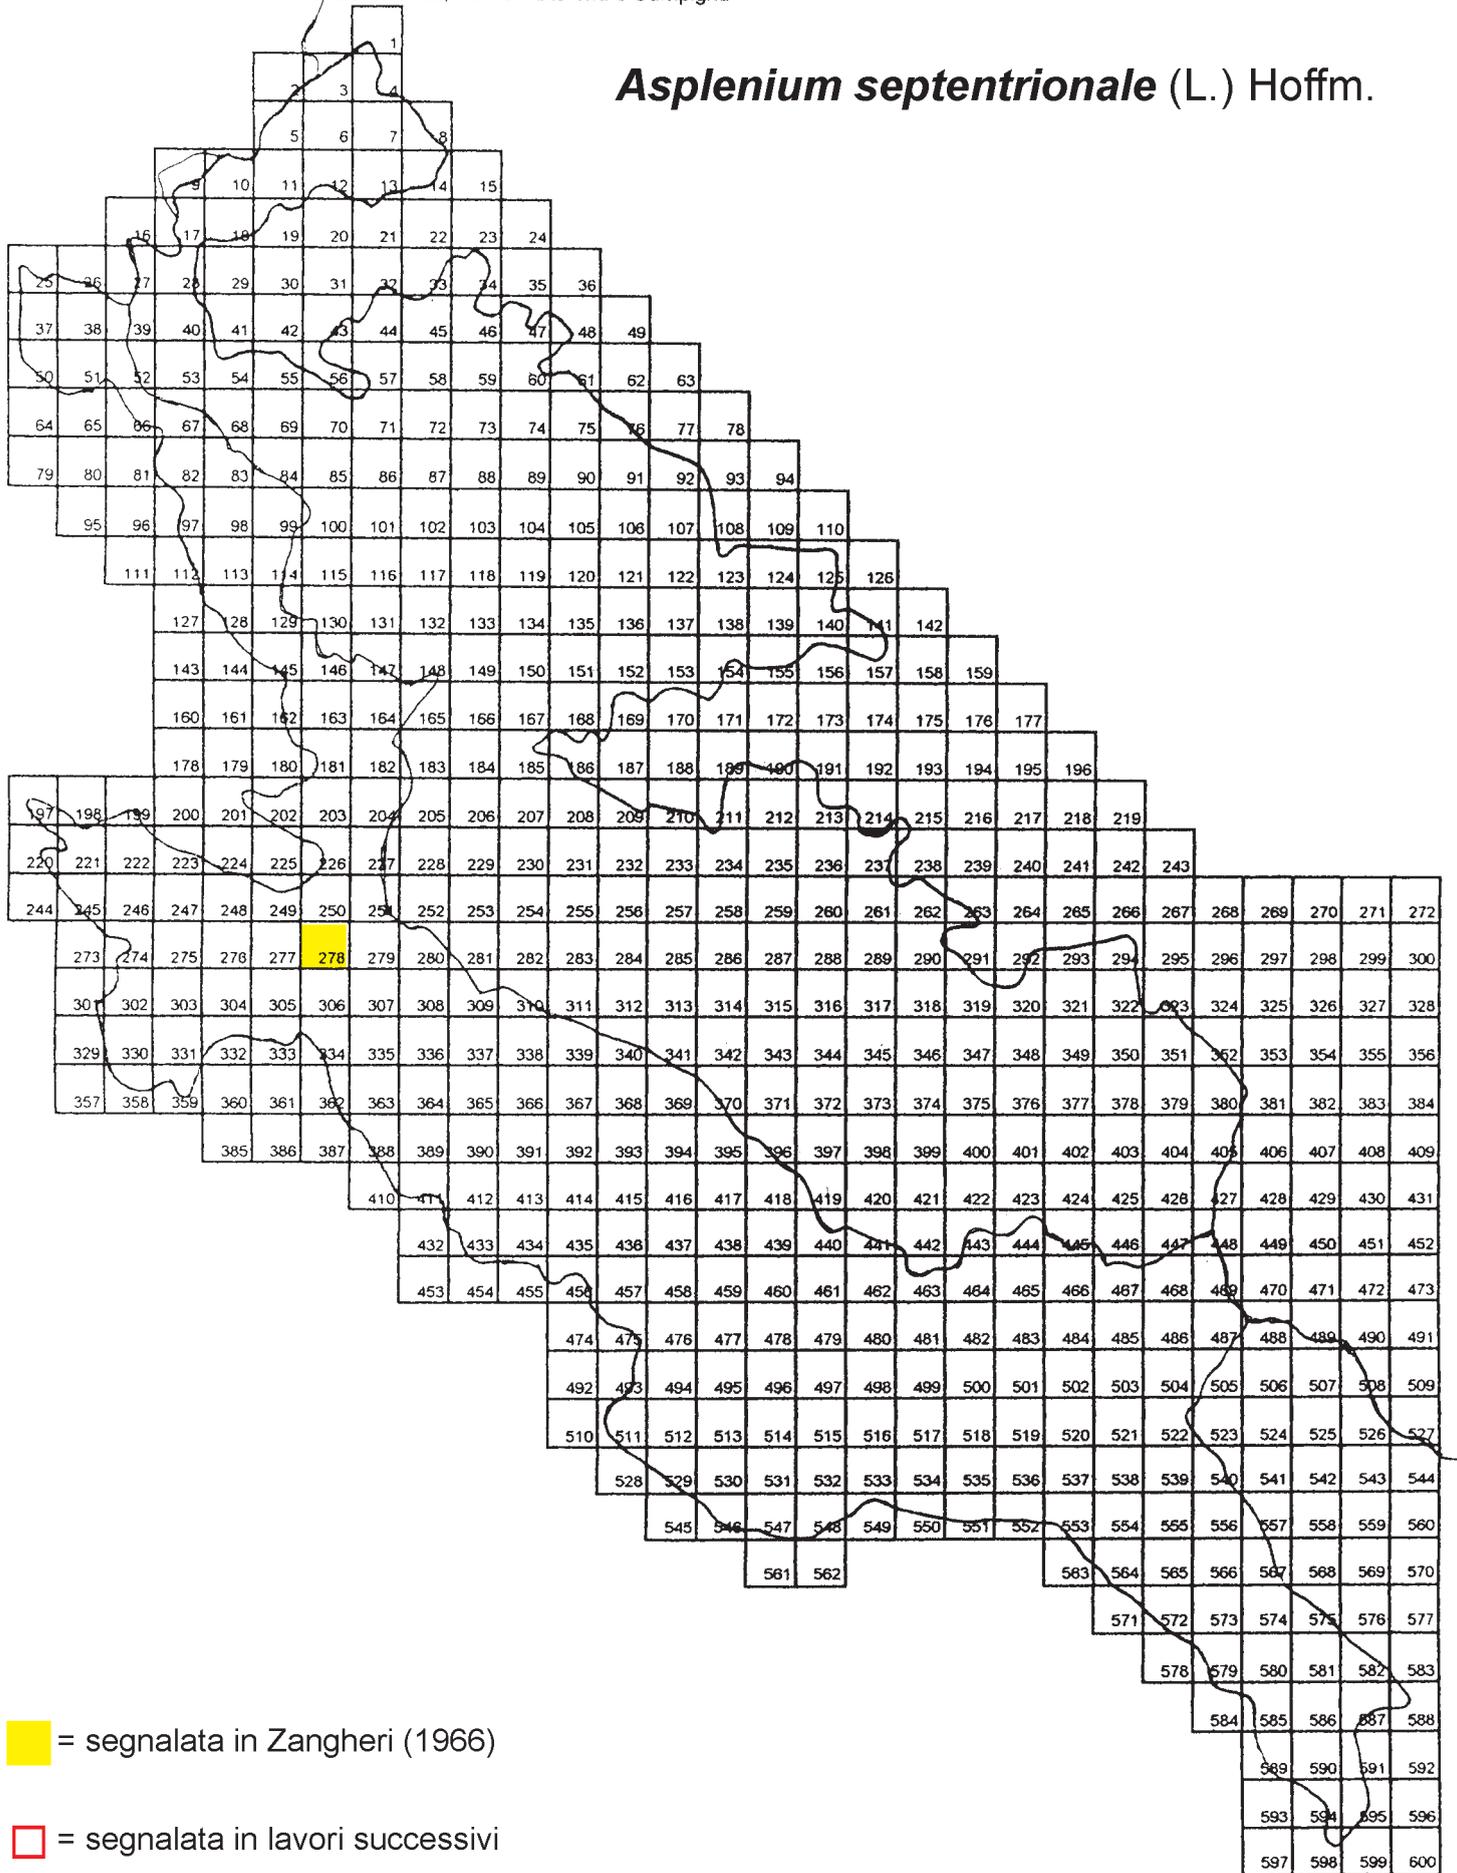

□ = segnalata in lavori successivi

● = segnalata nella presente ricerca

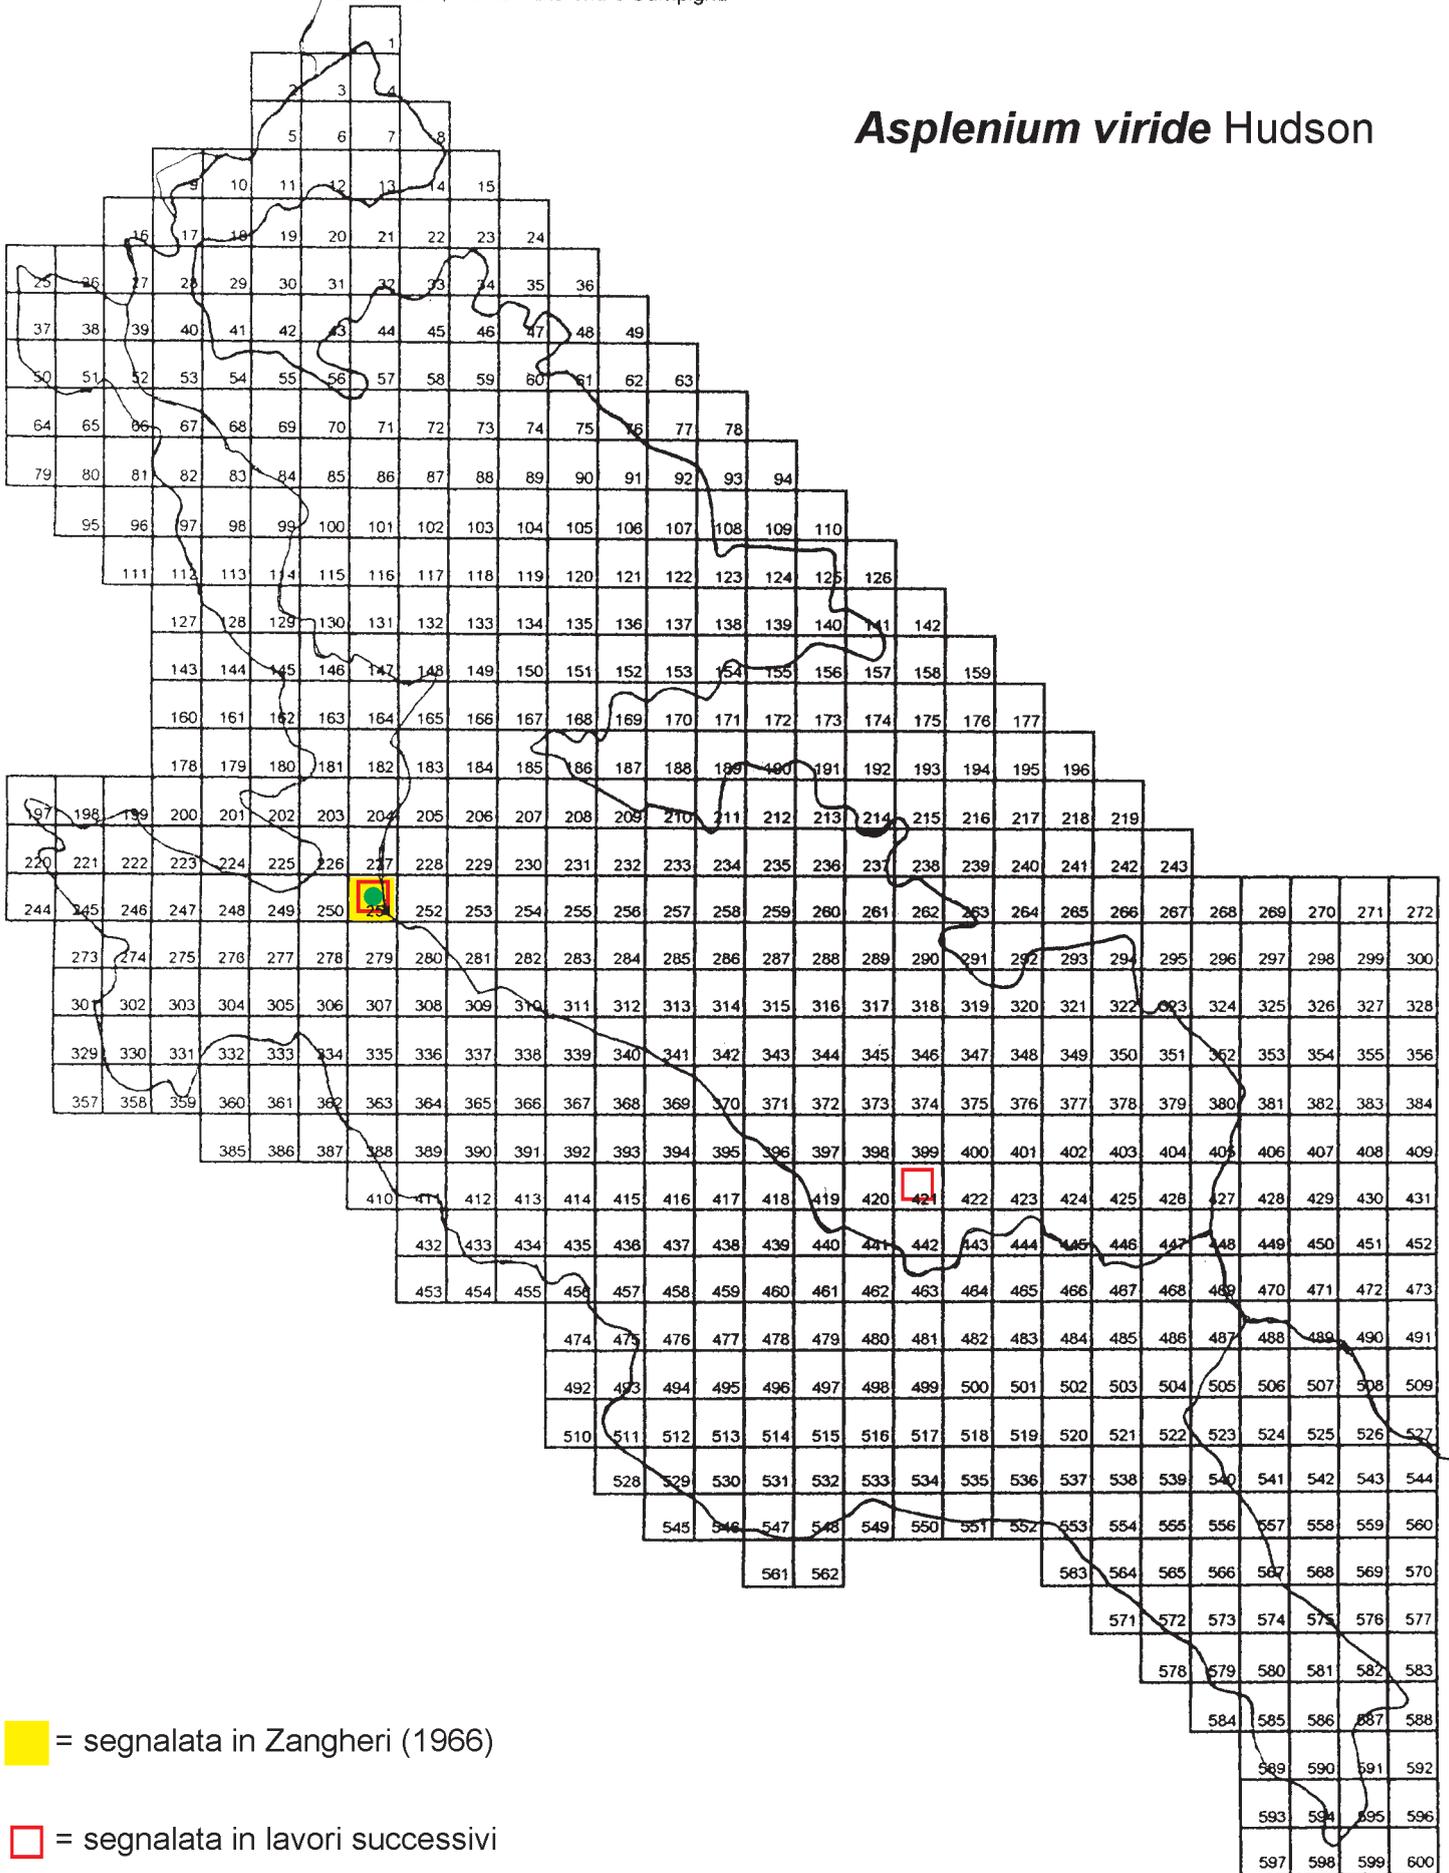

Arenaria bertolonii Fiori

Asplenium septentrionale (L.) Hoffm.

Asplenium viride Hudson

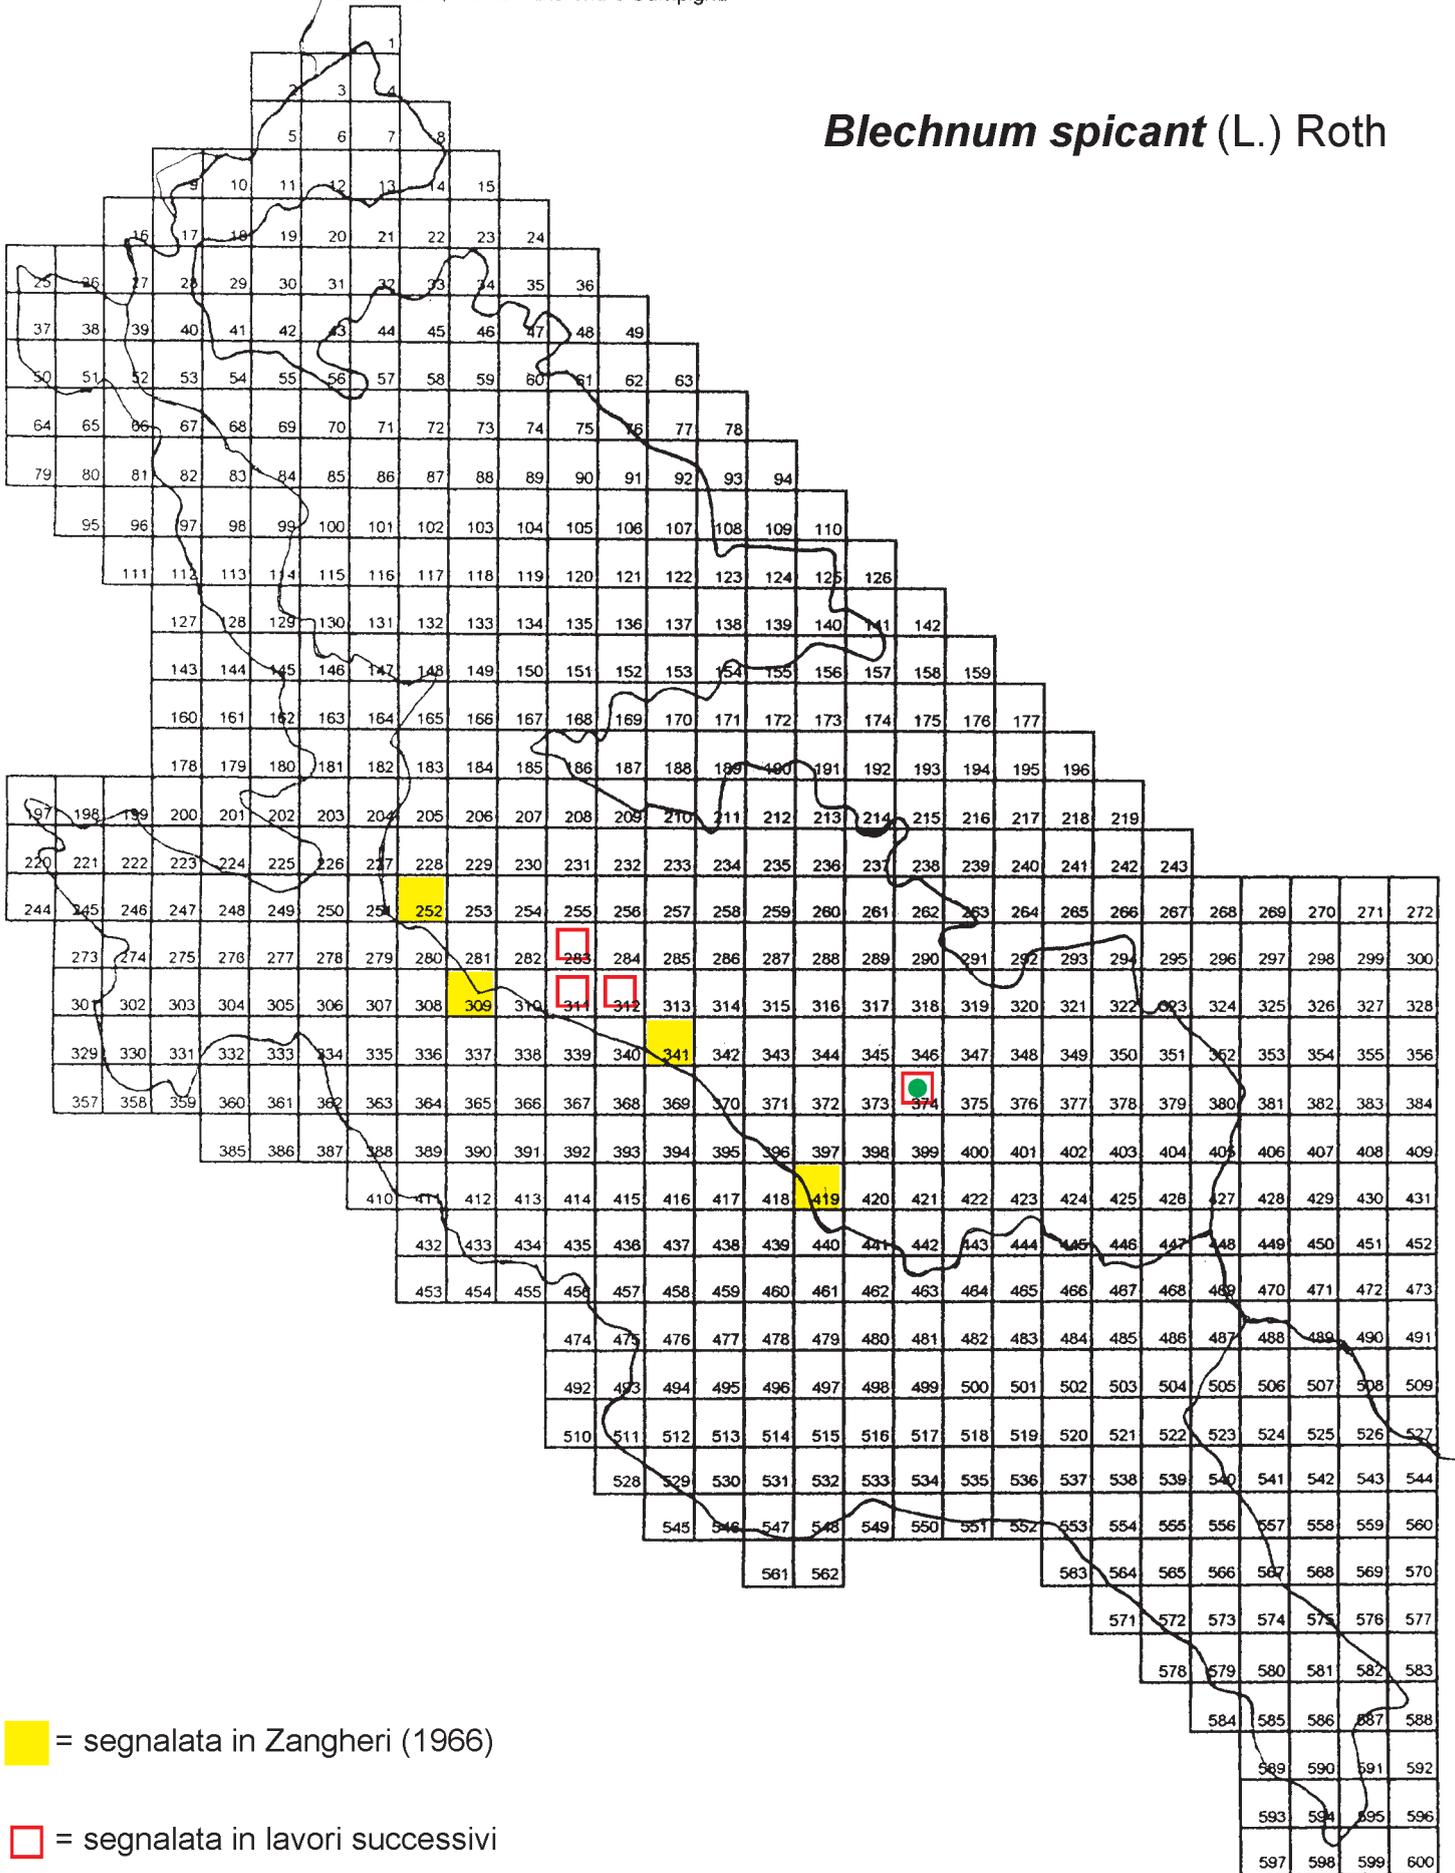

■ = segnalata in Zangheri (1966)

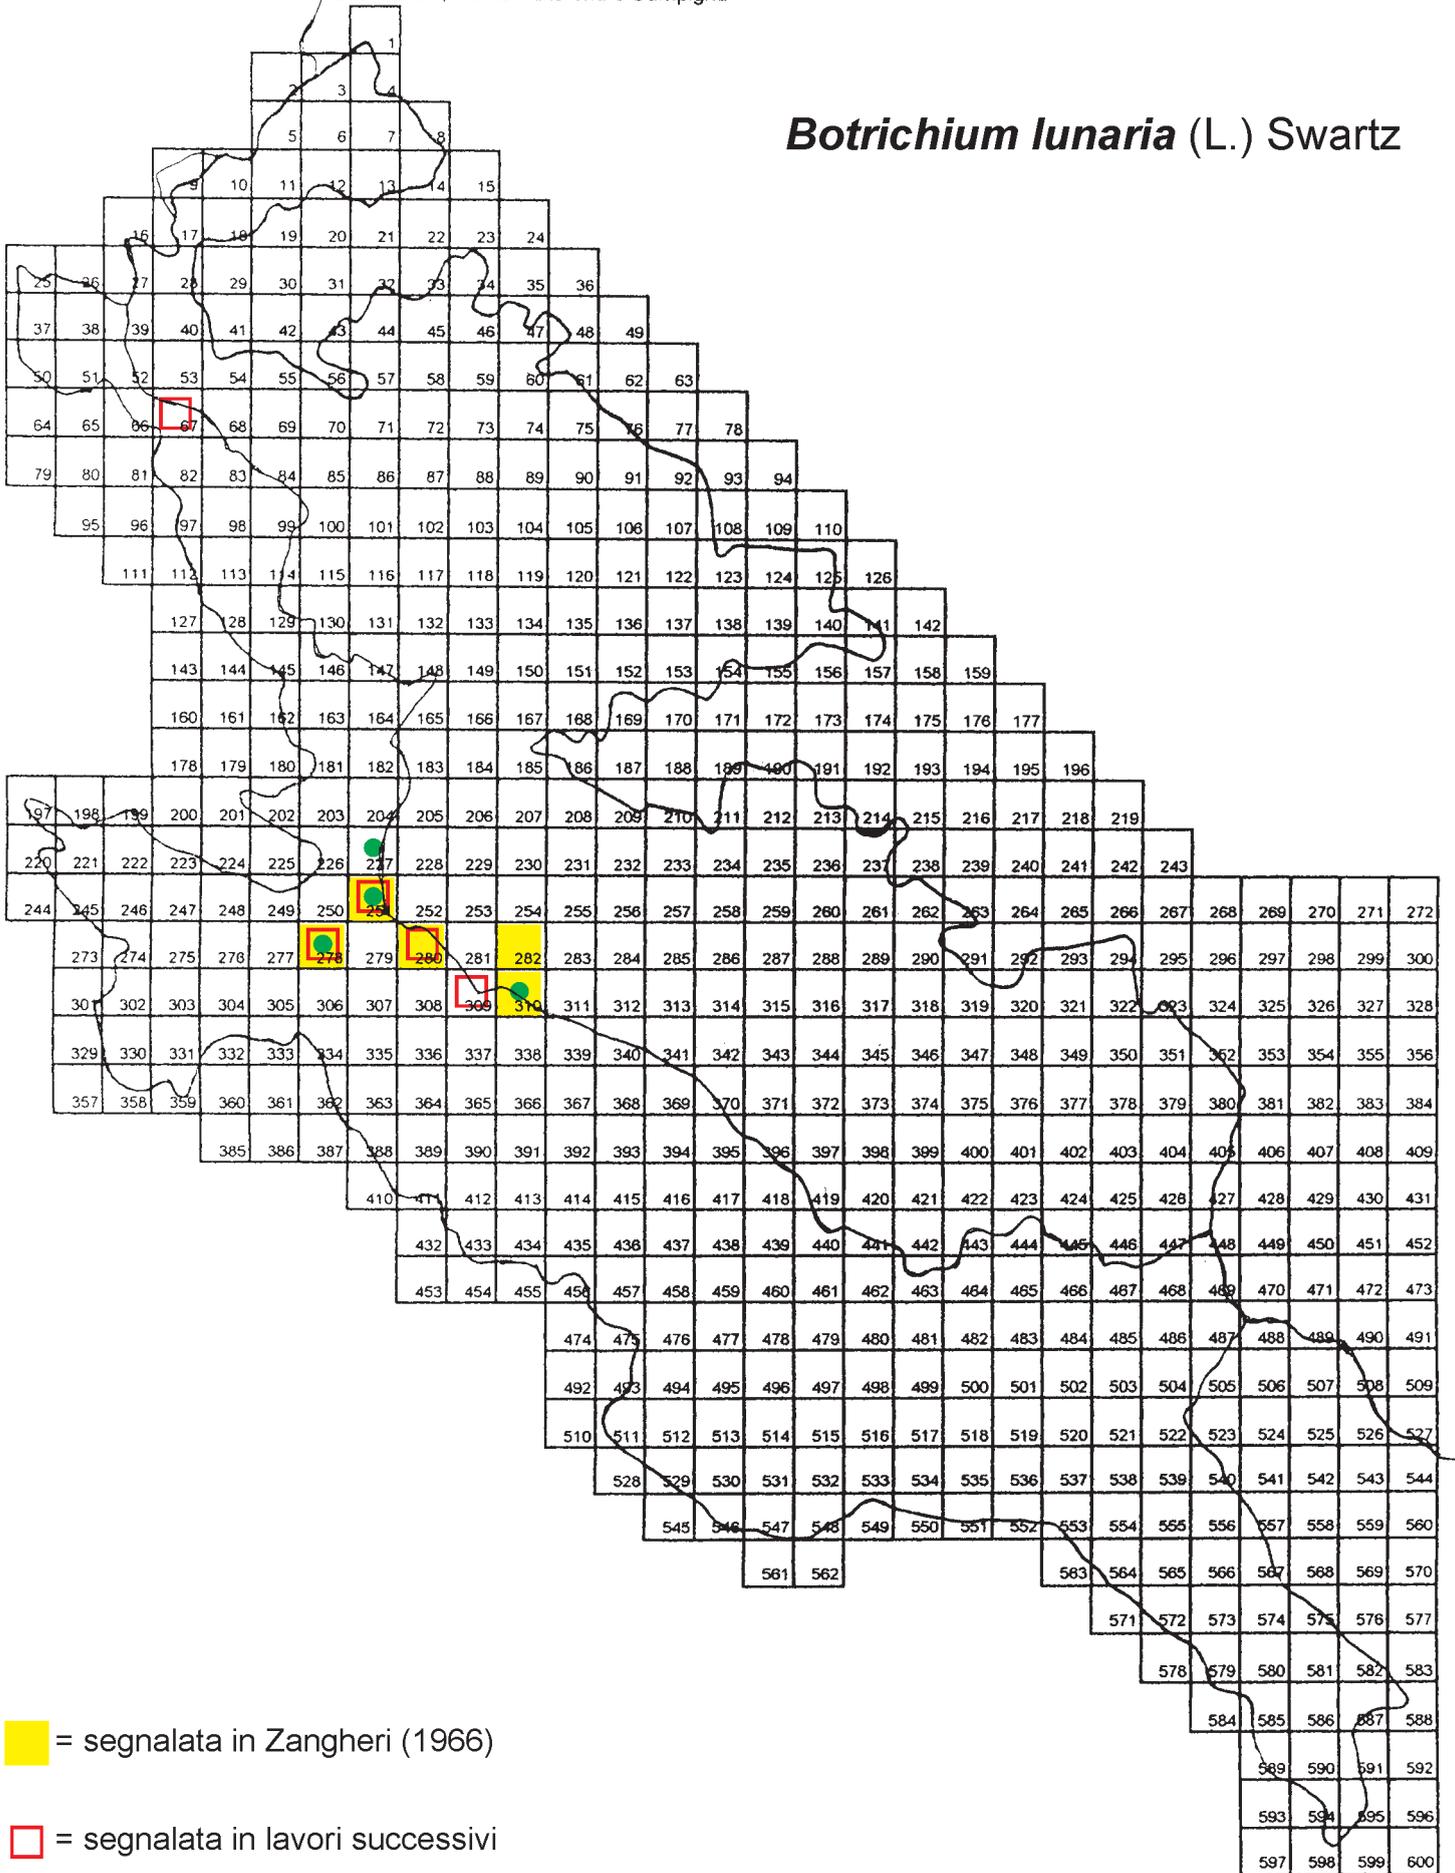

□ = segnalata in lavori successivi

● = segnalata nella presente ricerca

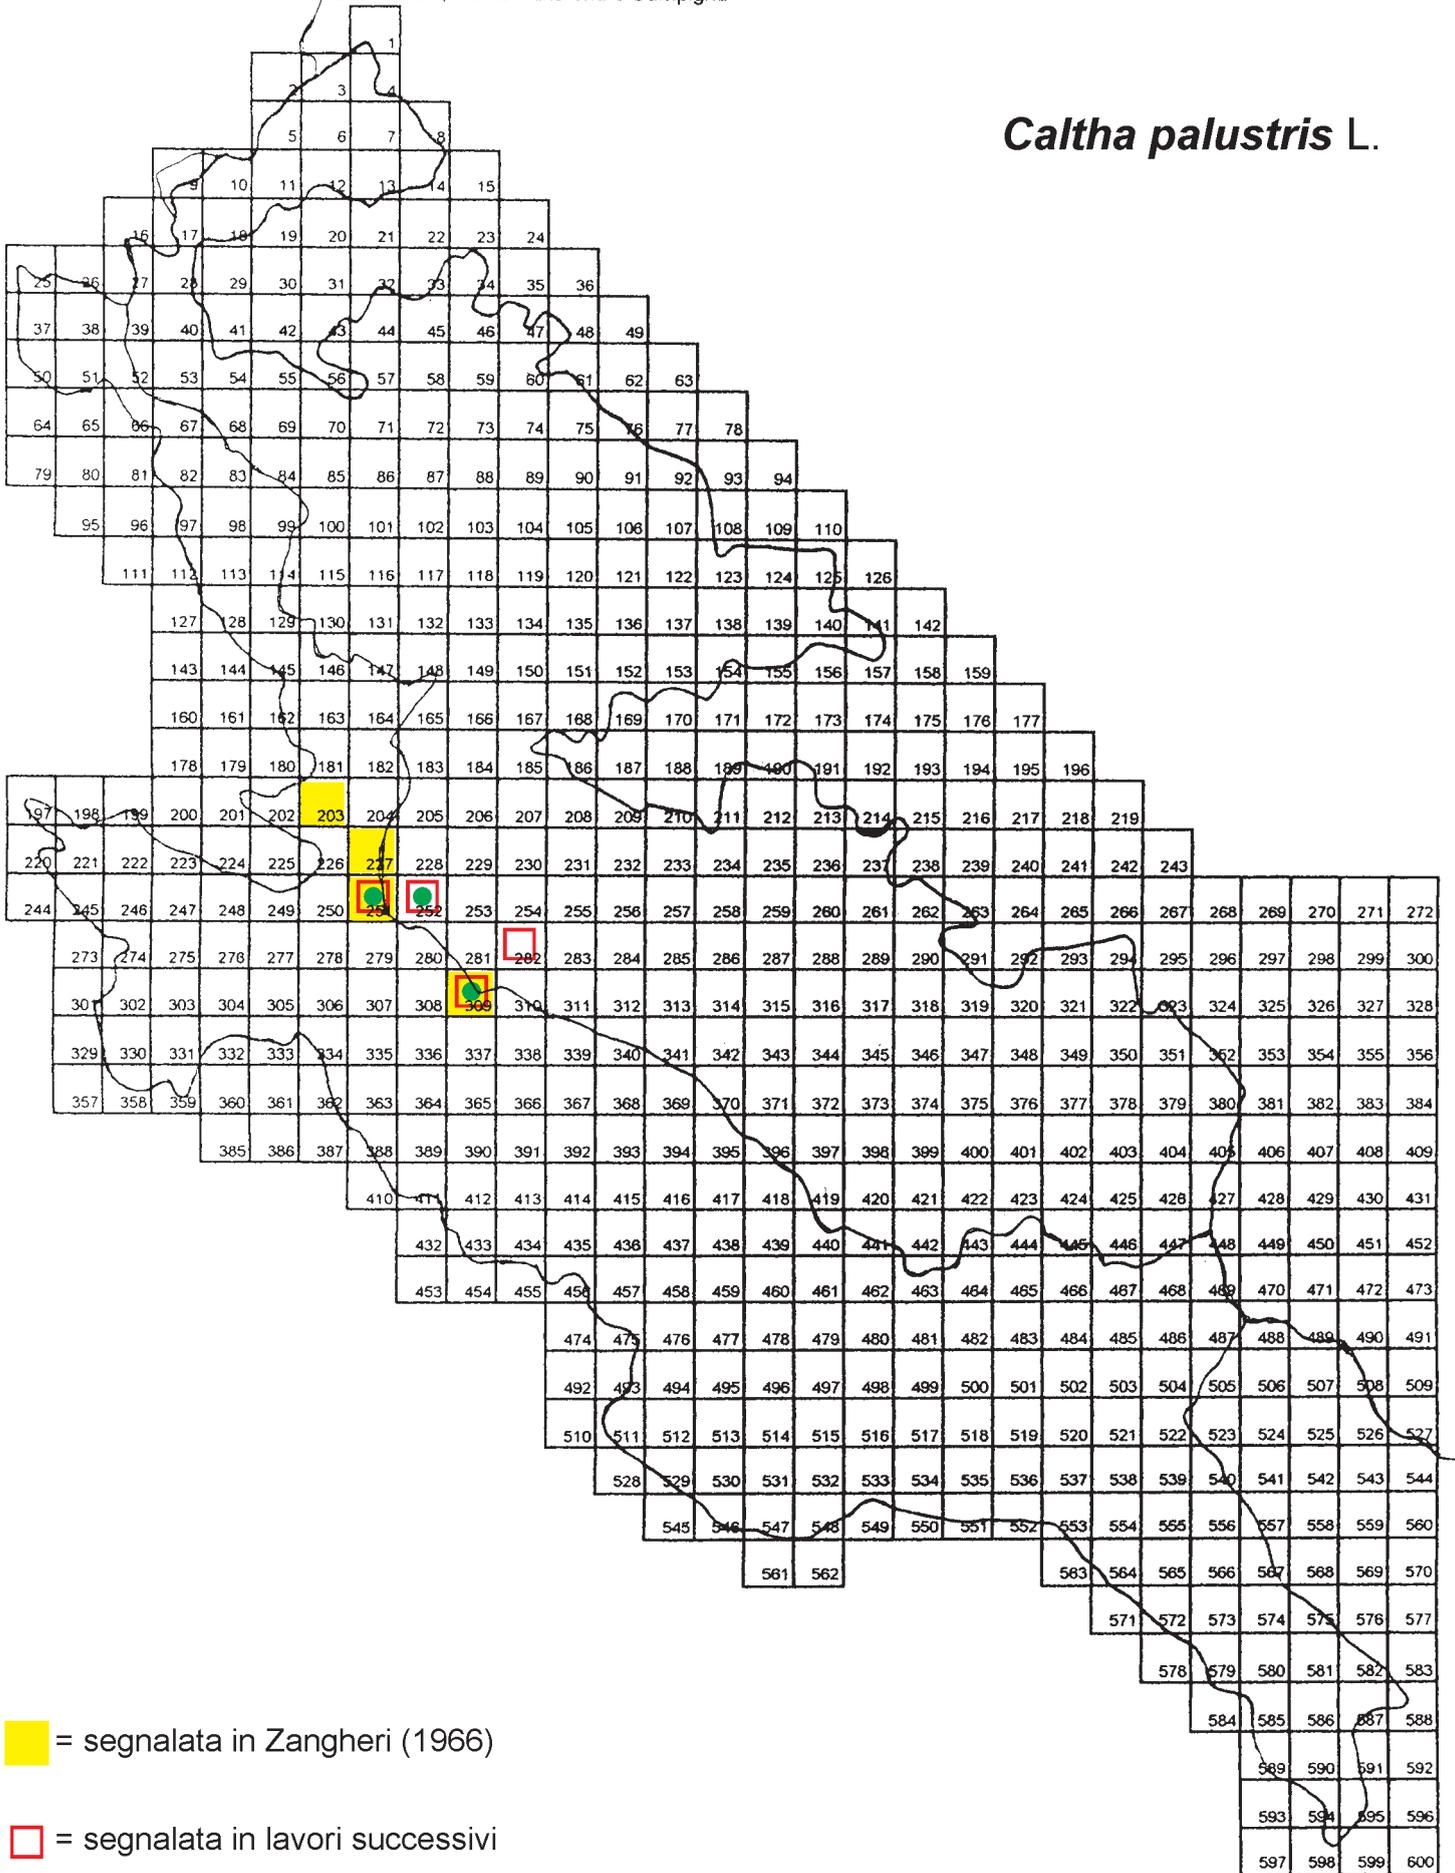

Blechnum spicant (L.) Roth

Botrichium lunaria (L.) Swartz

Caltha palustris L.

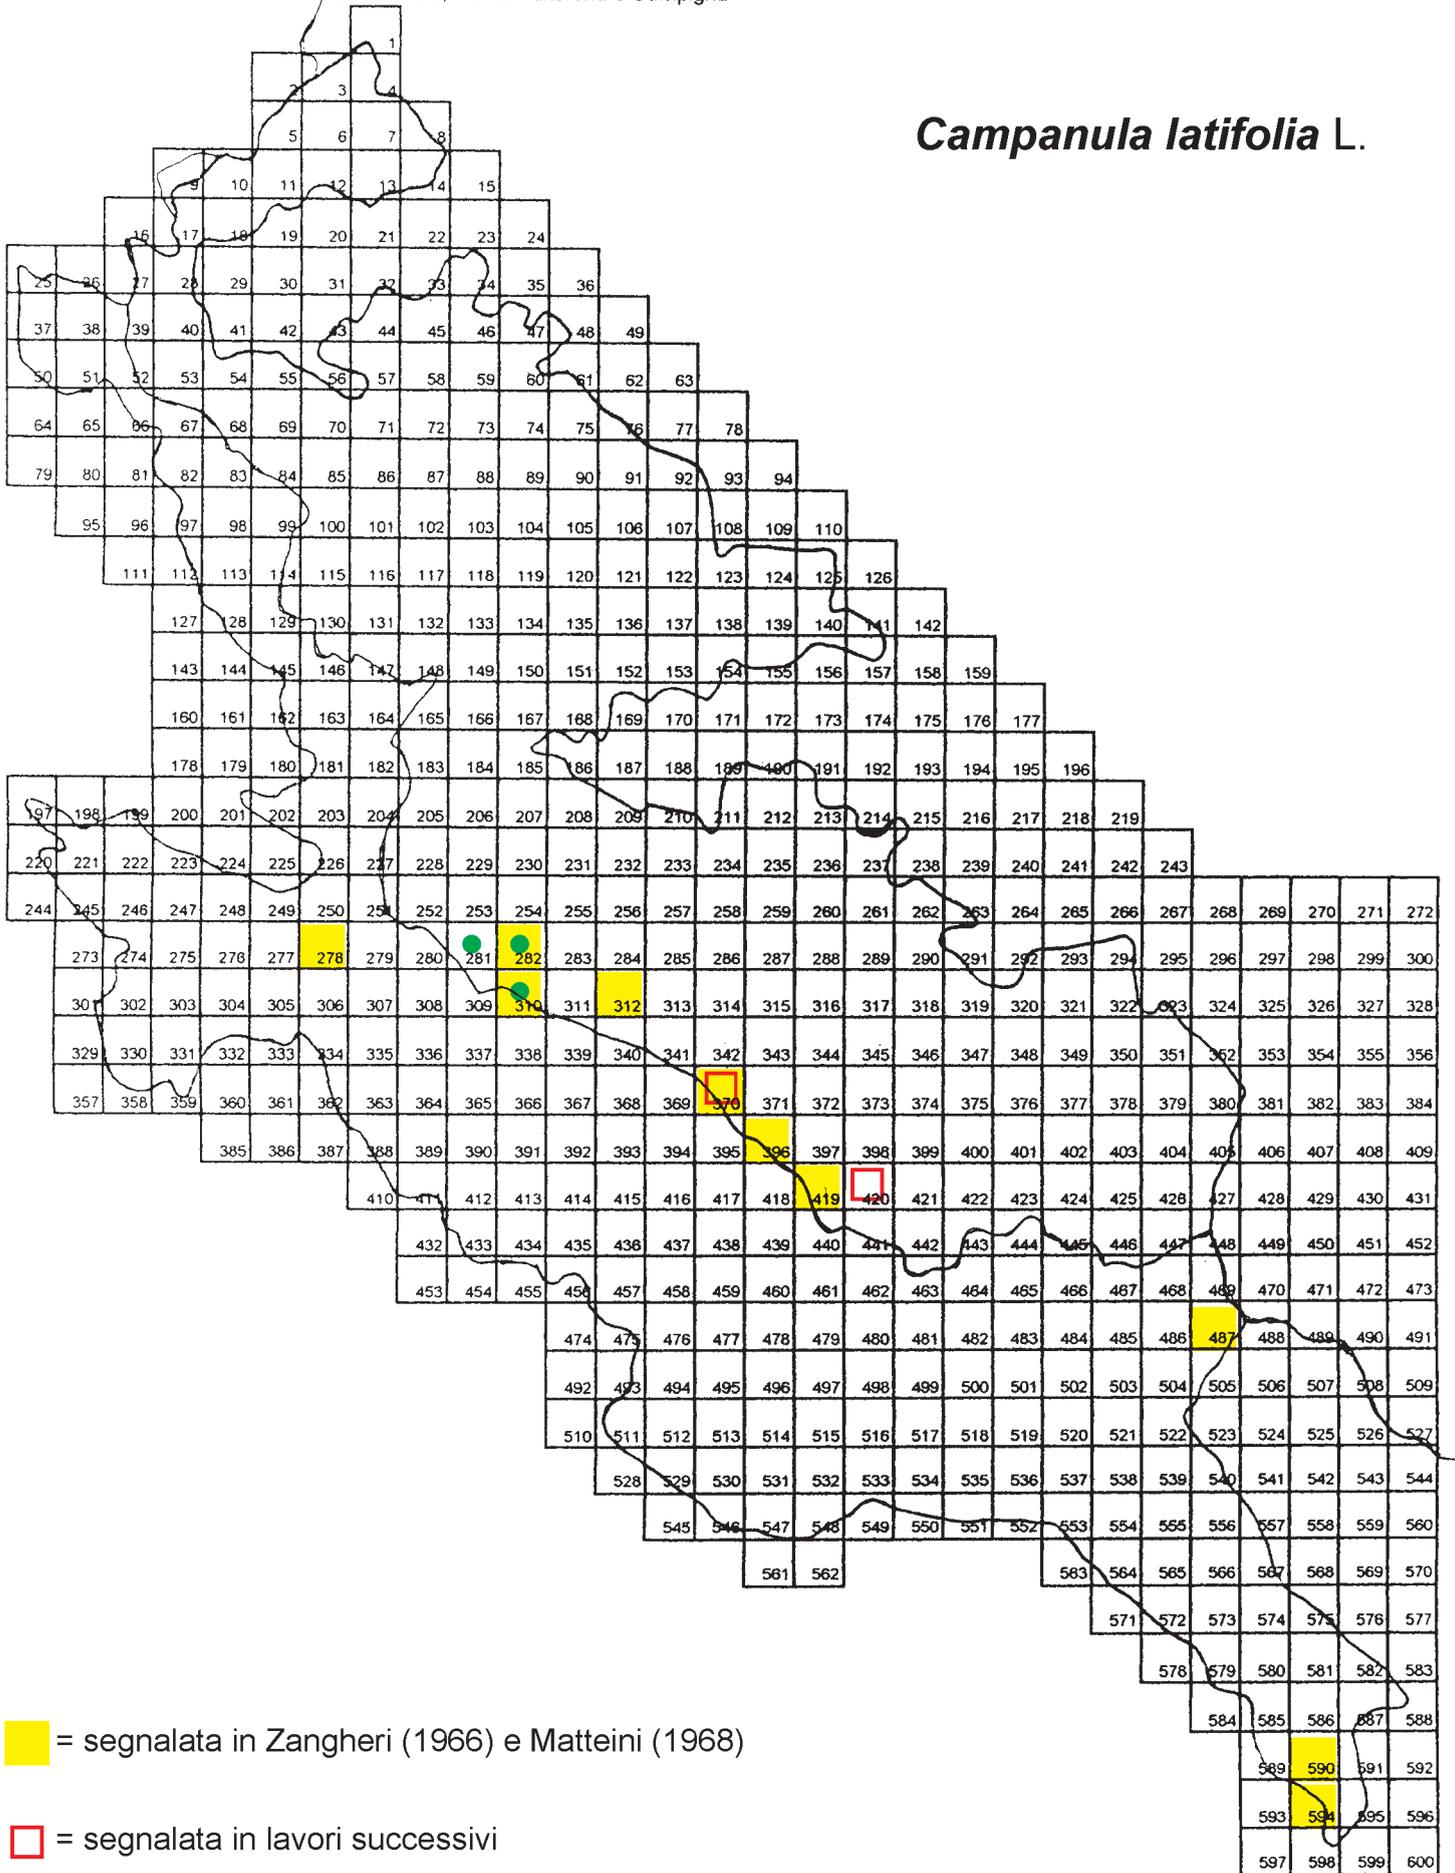

■ = segnalata in Zangheri (1966)

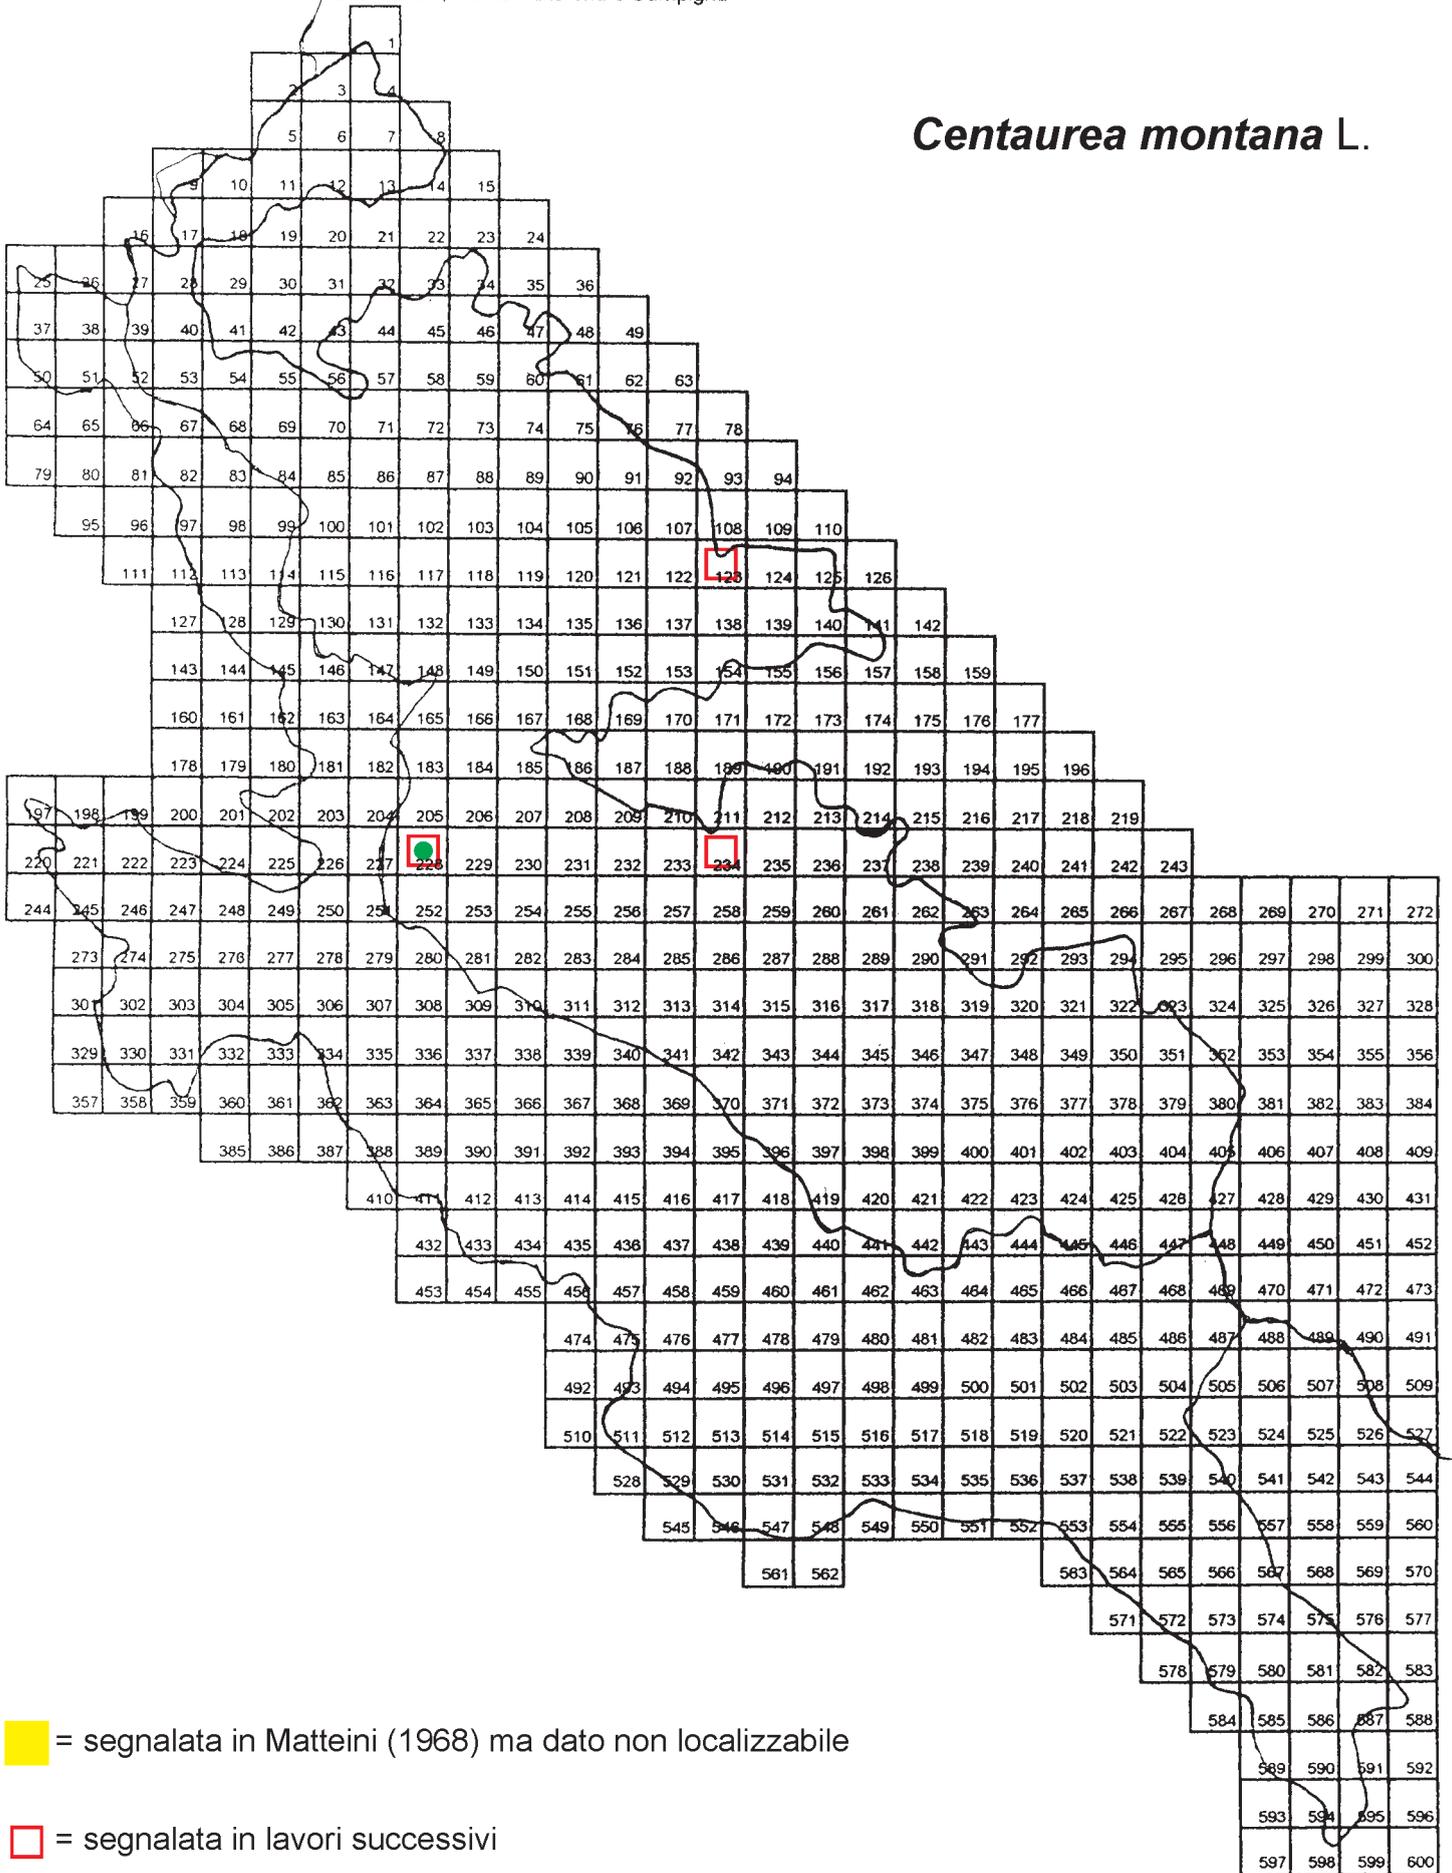

□ = segnalata in lavori successivi

● = segnalata nella presente ricerca

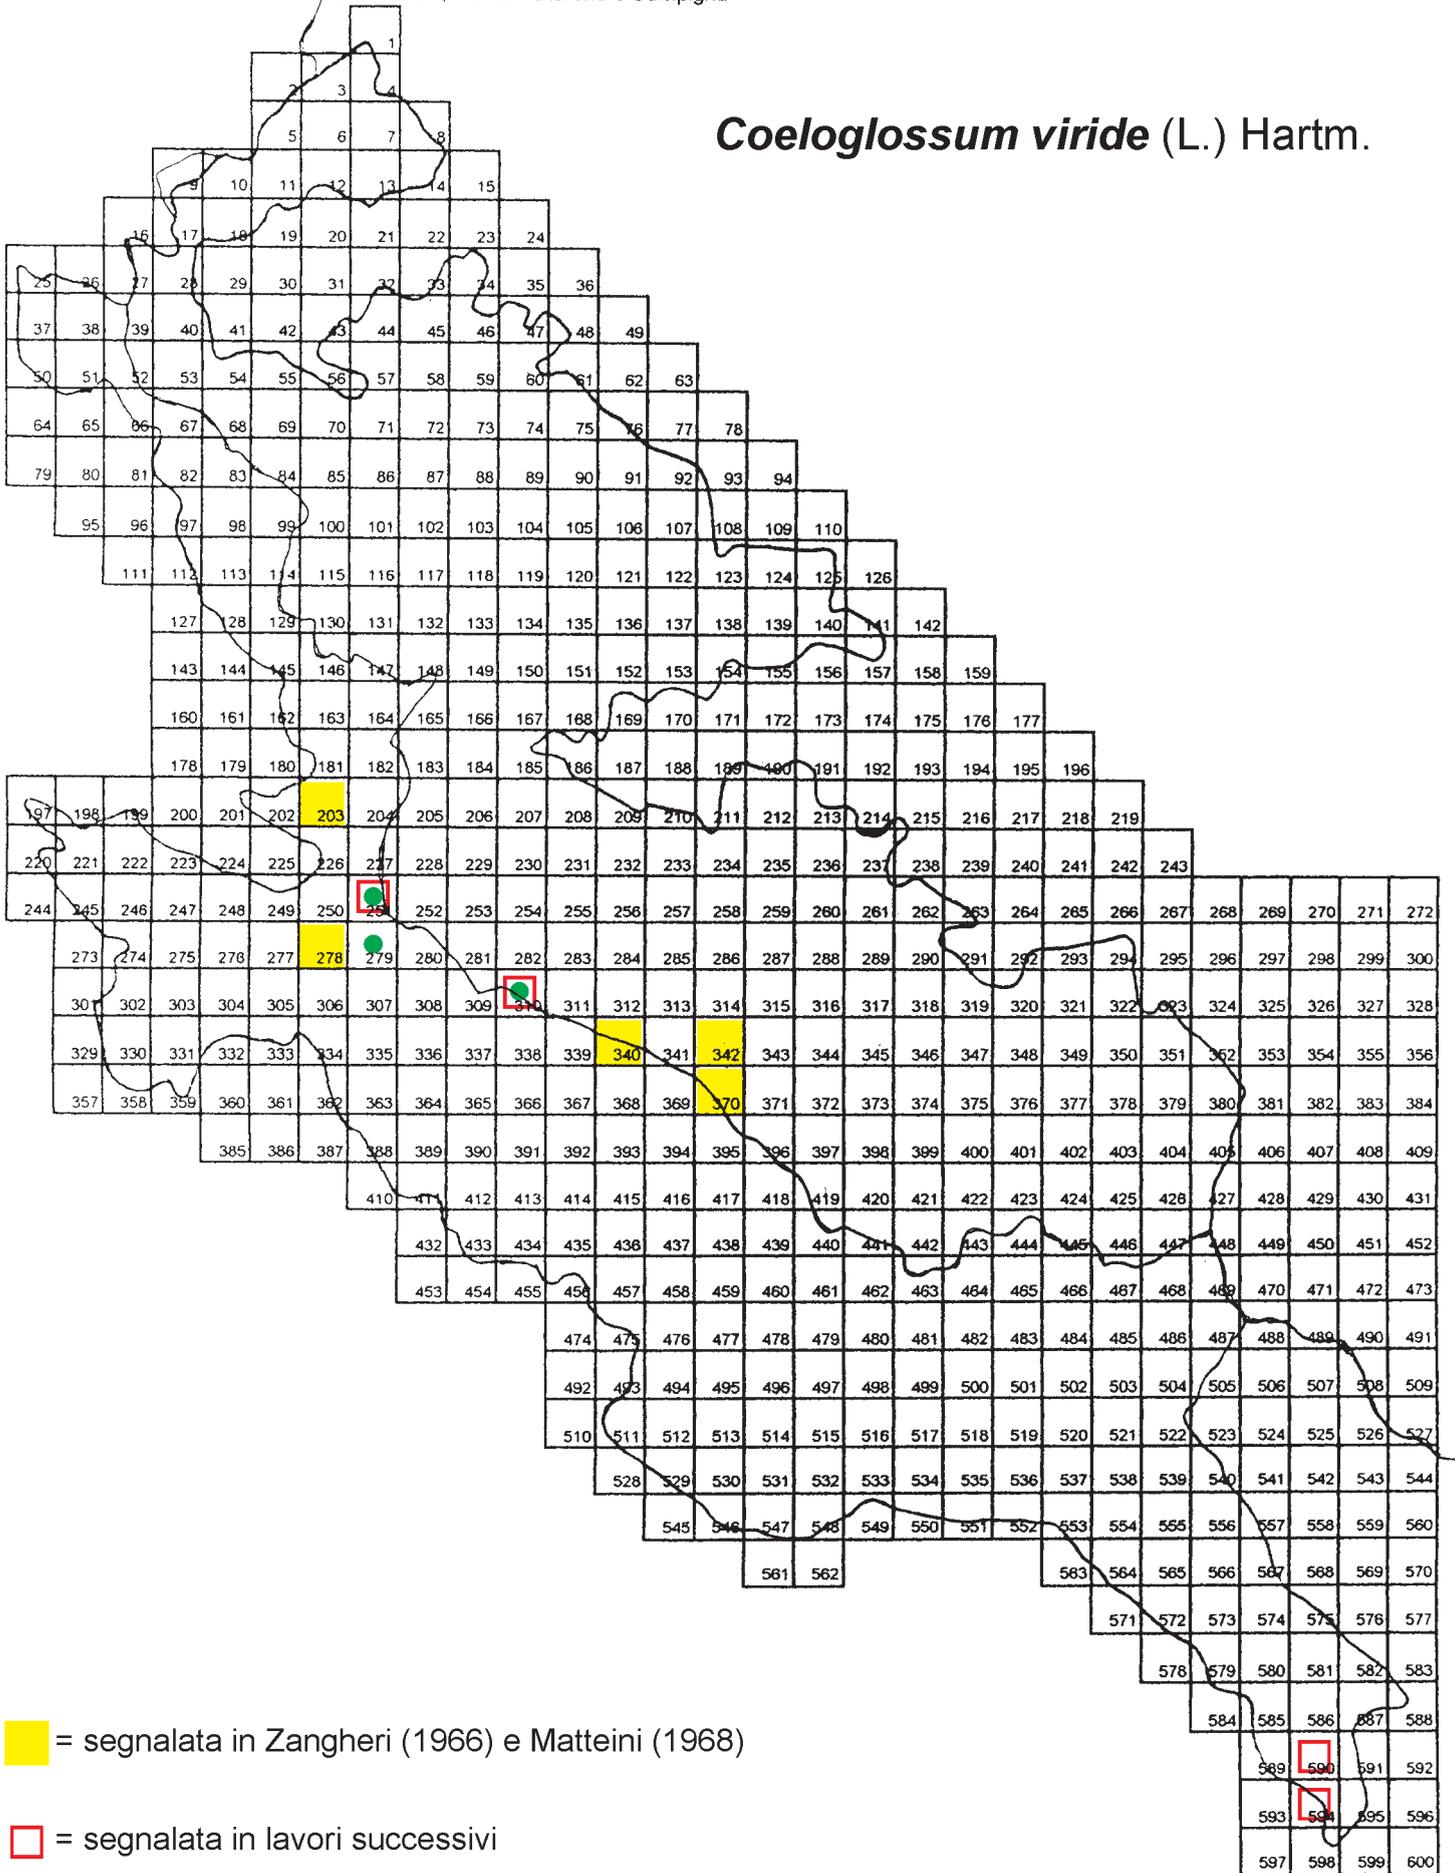

Campanula latifolia L.

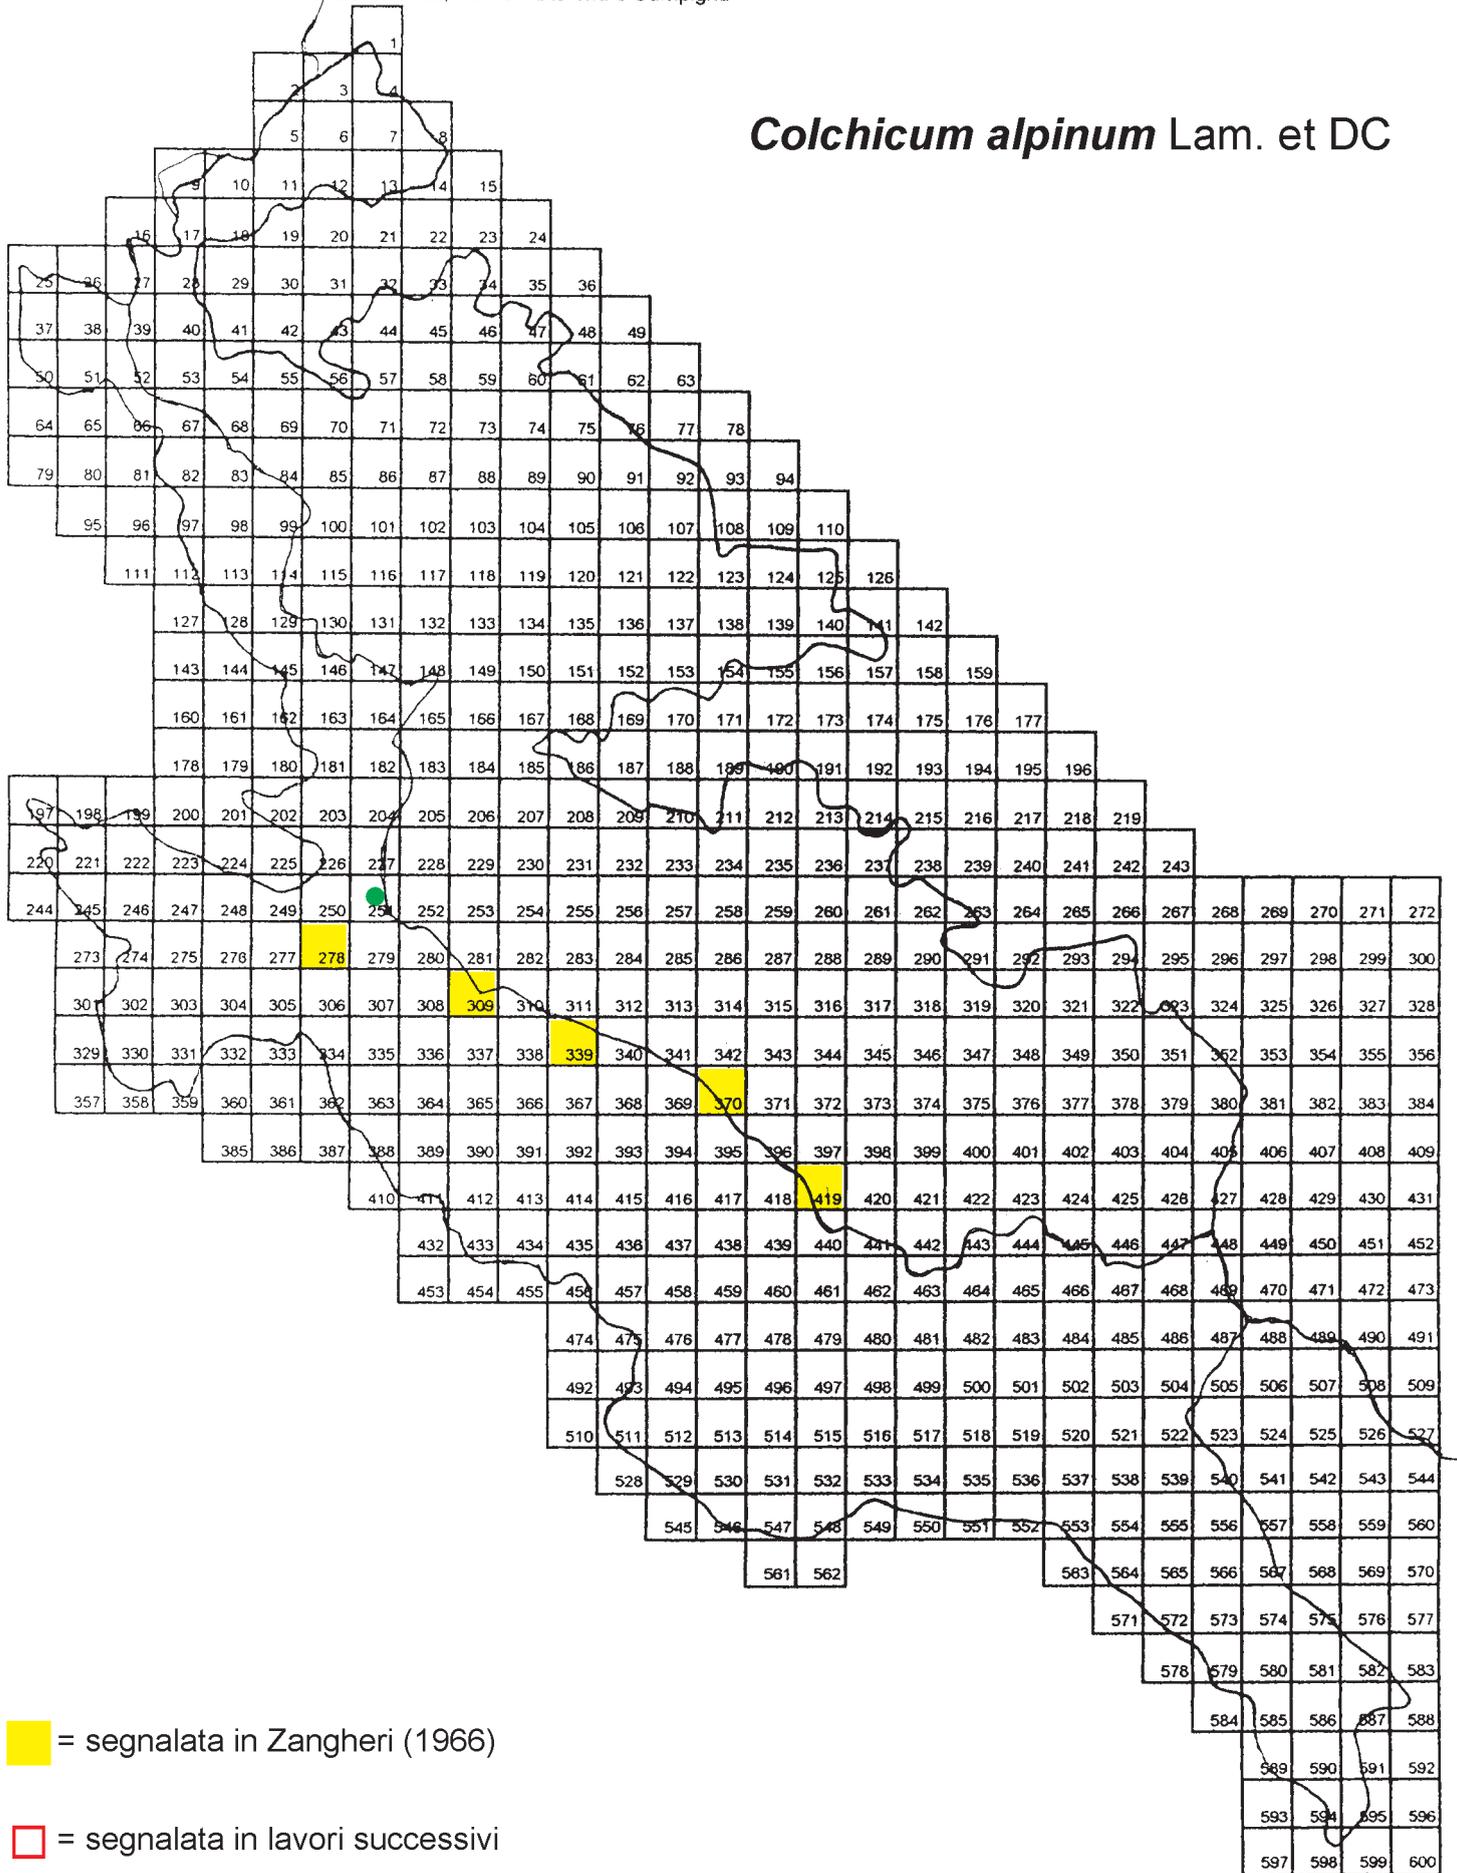

Centaurea montana L.

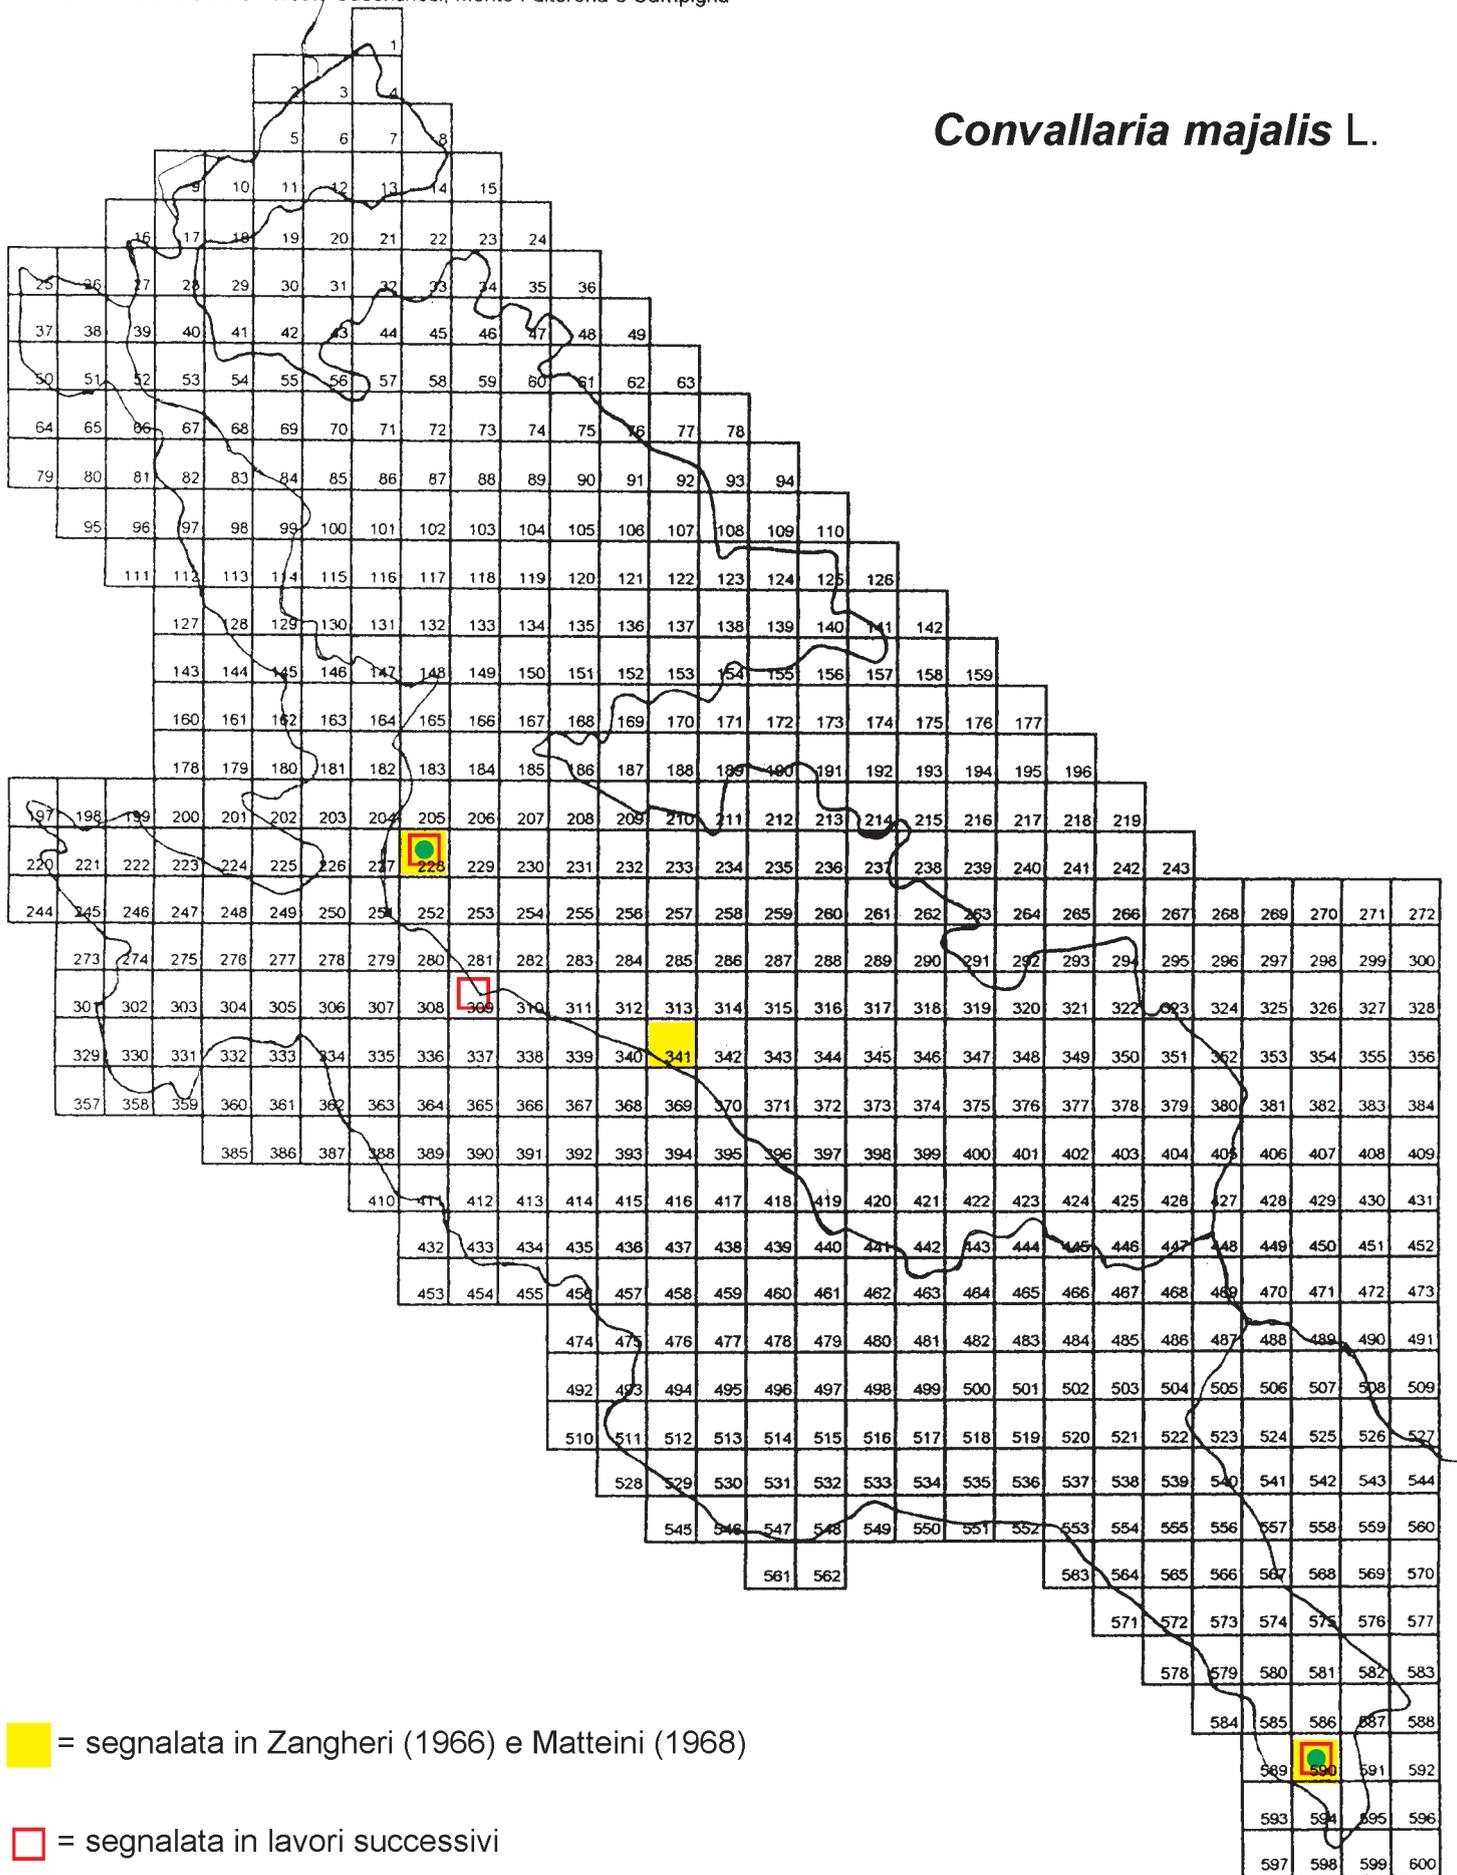

Coeloglossum viride (L.) Hartm.

Colchicum alpinum Lam. et DC

Convallaria majalis L.

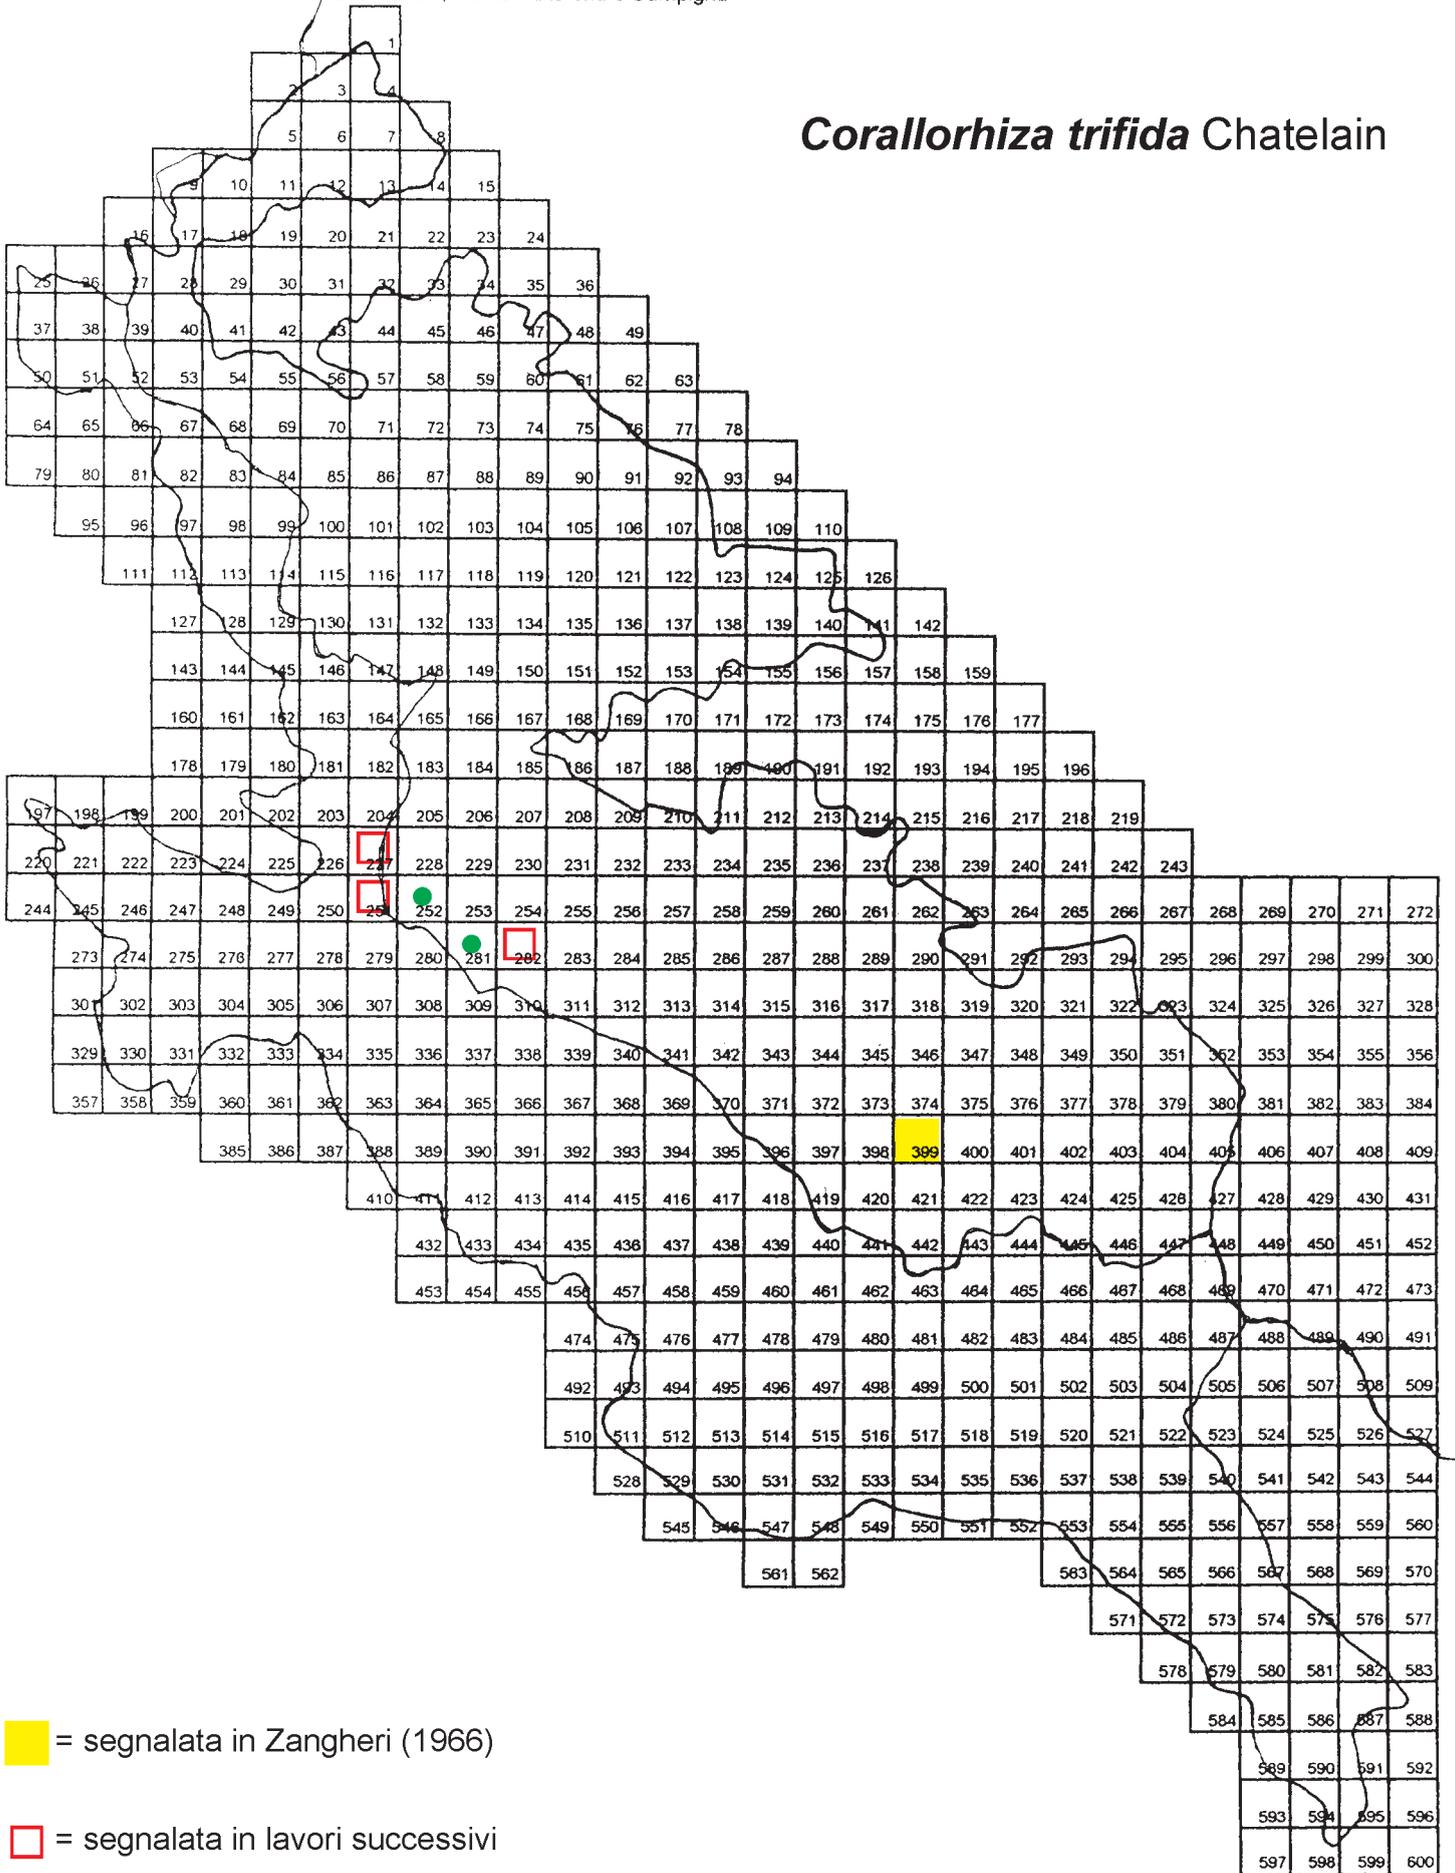

■ = segnalata in Zangheri (1966) e Matteini (1968)

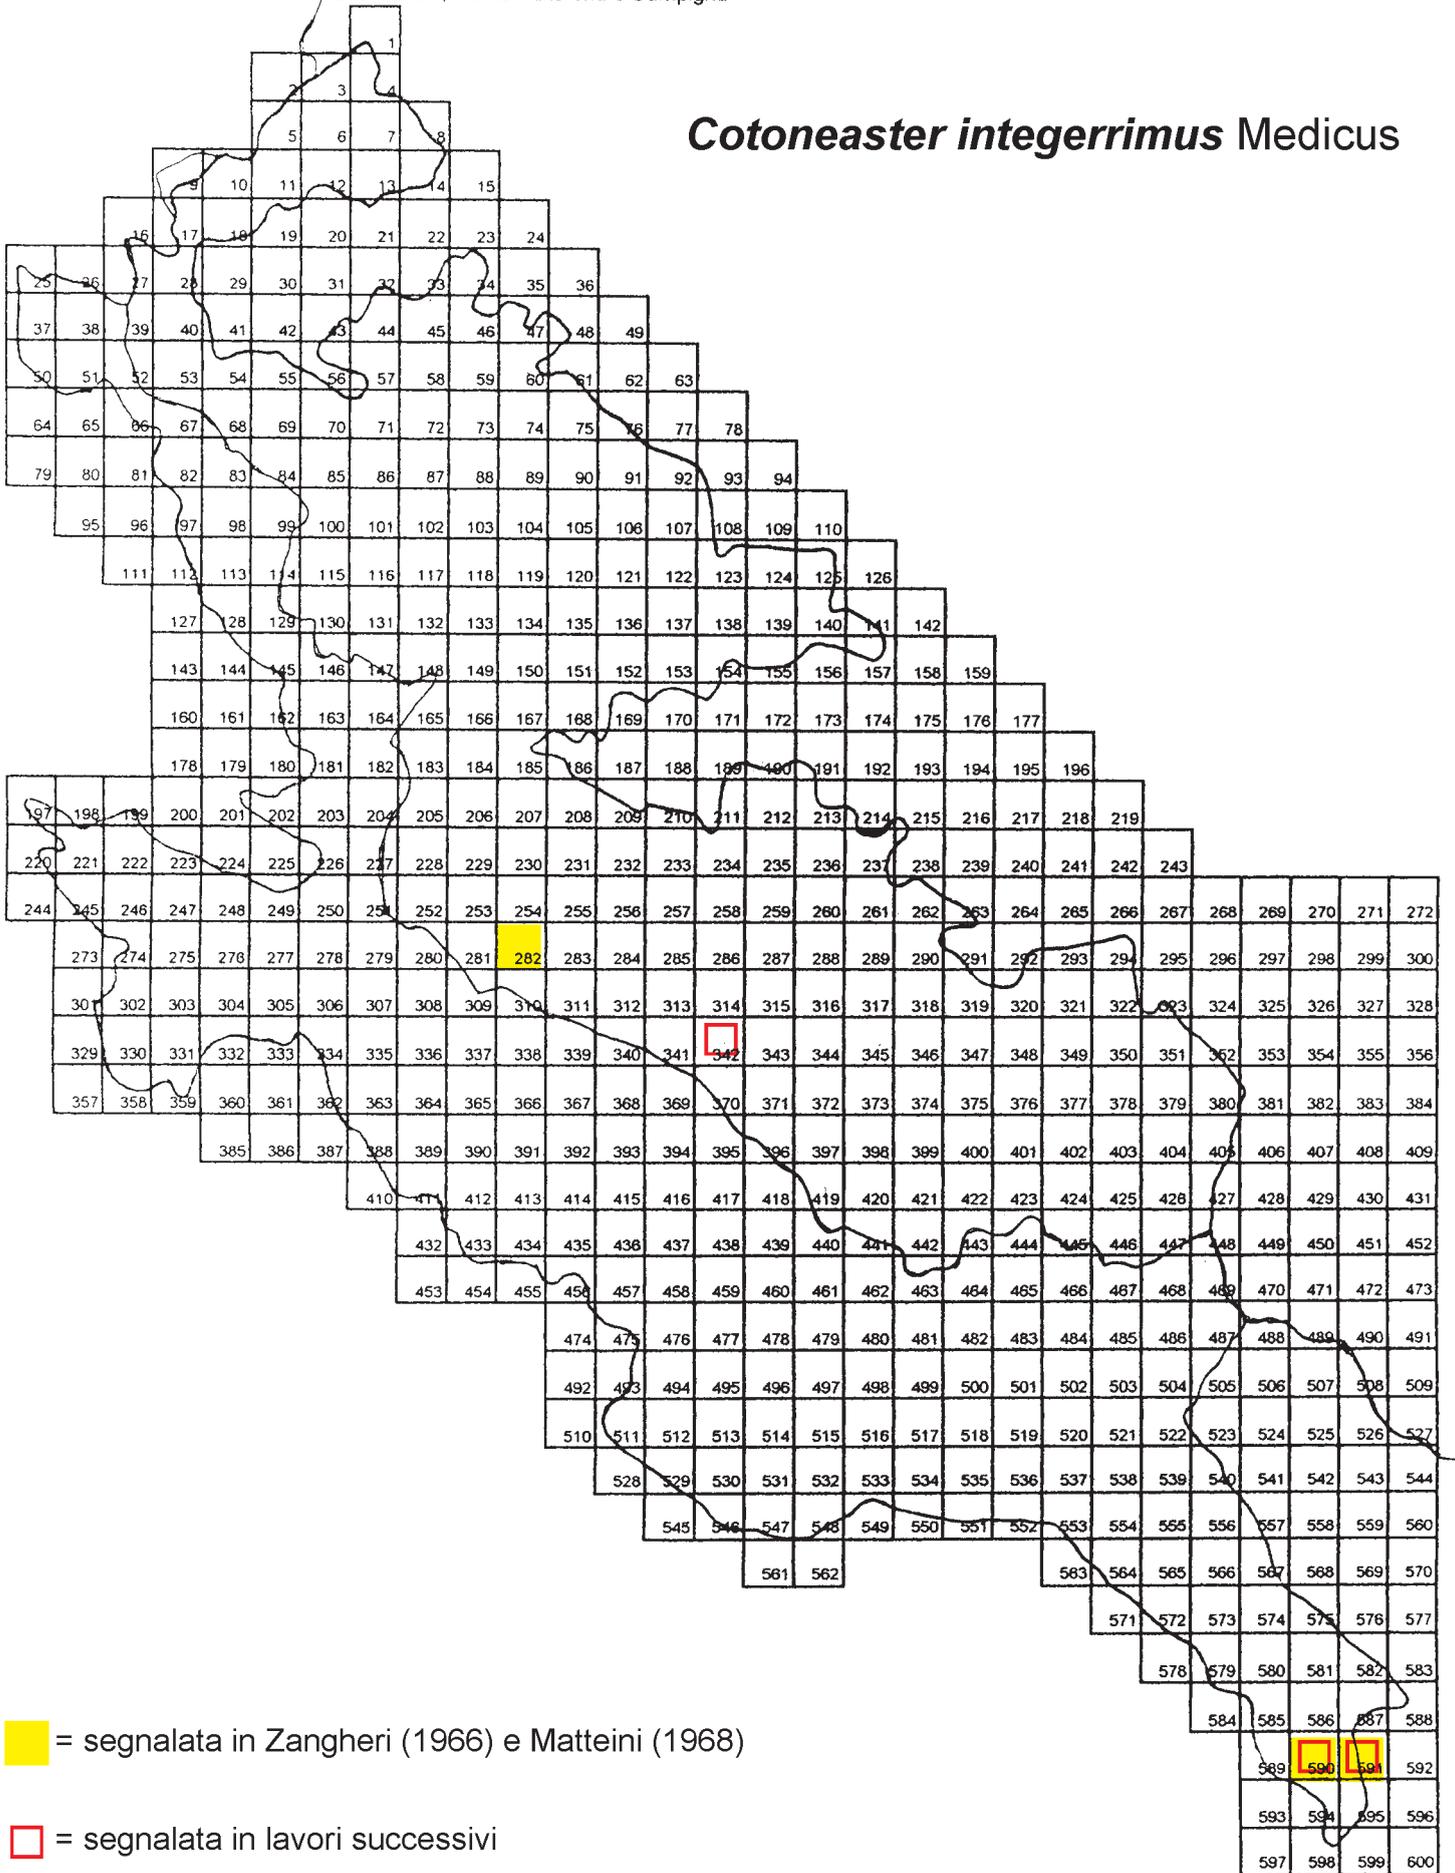

□ = segnalata in lavori successivi

● = segnalata nella presente ricerca

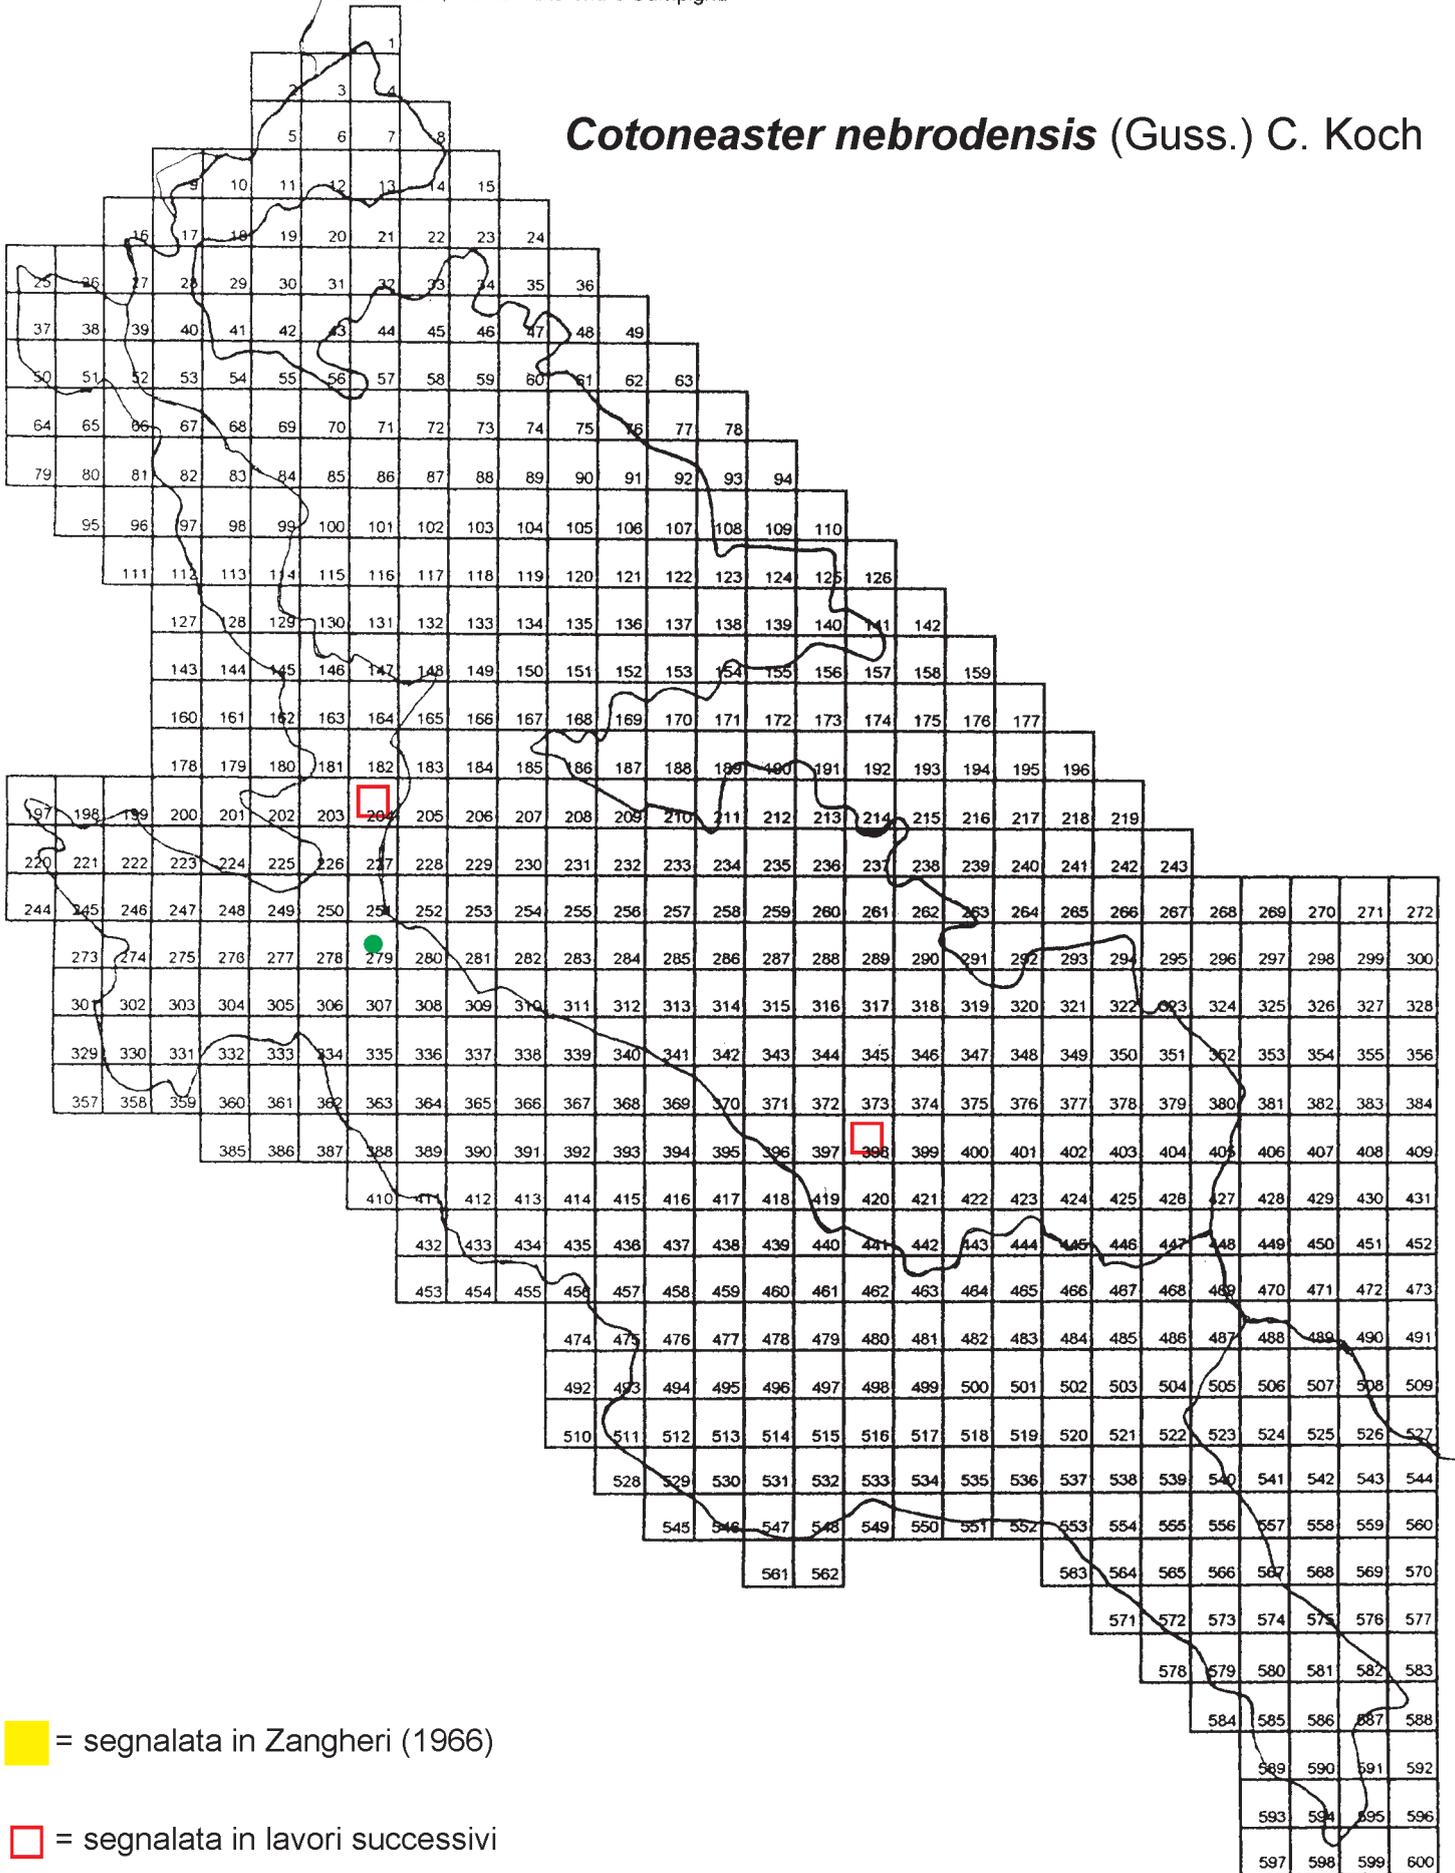

Corallorhiza trifida Chatelain

Cotoneaster integerrimus Medicus

Cotoneaster nebrodensis (Guss.) C. Koch

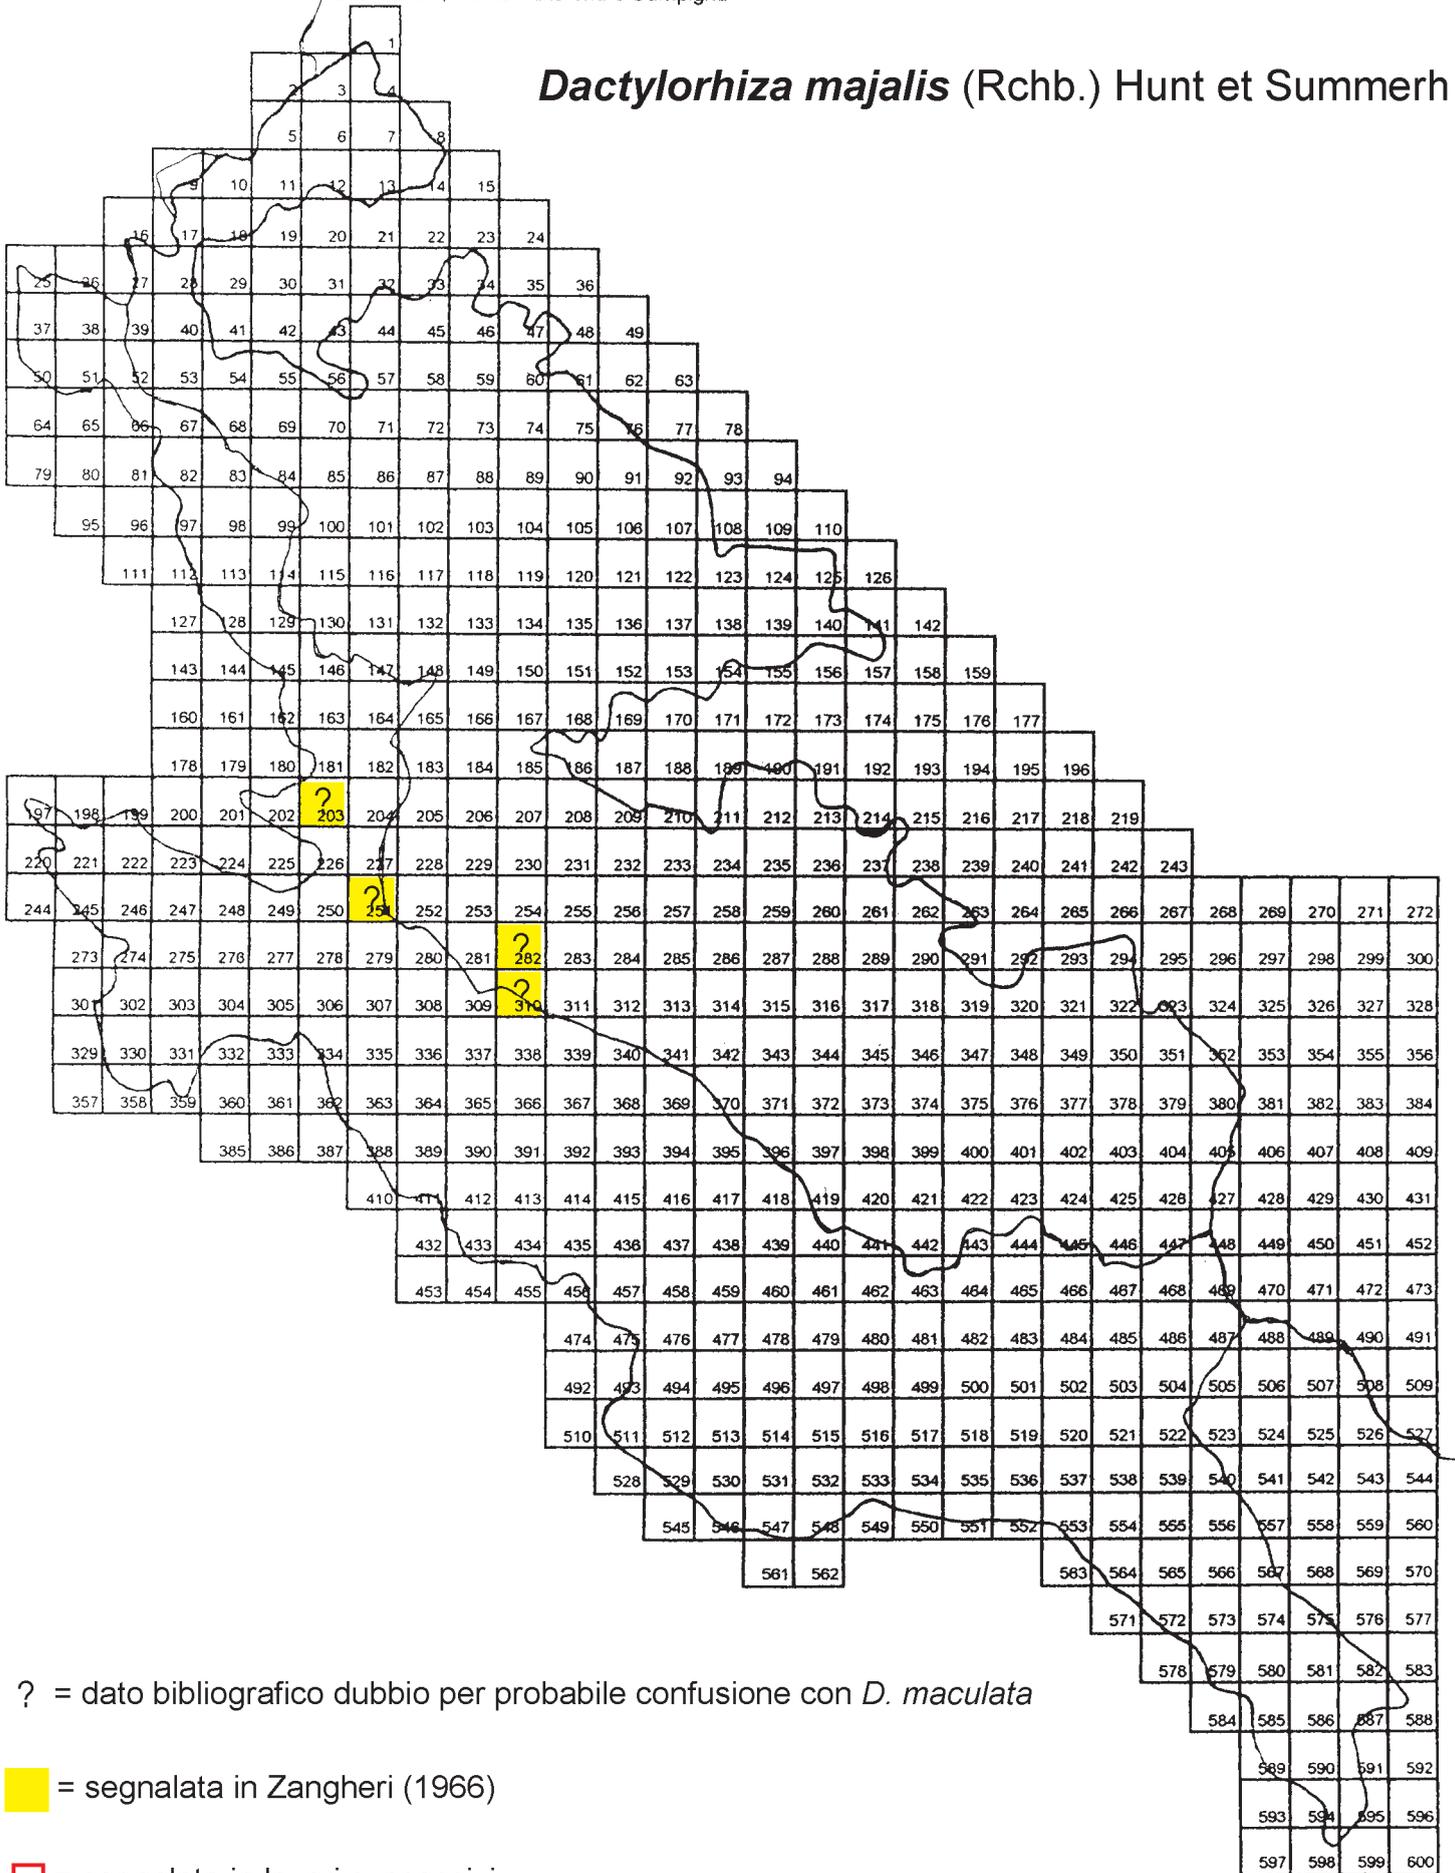

■ = segnalata in Zangheri (1966)

□ = segnalata in lavori successivi

● = segnalata nella presente ricerca

Dactylorhiza majalis (Rchb.) Hunt et Summerh

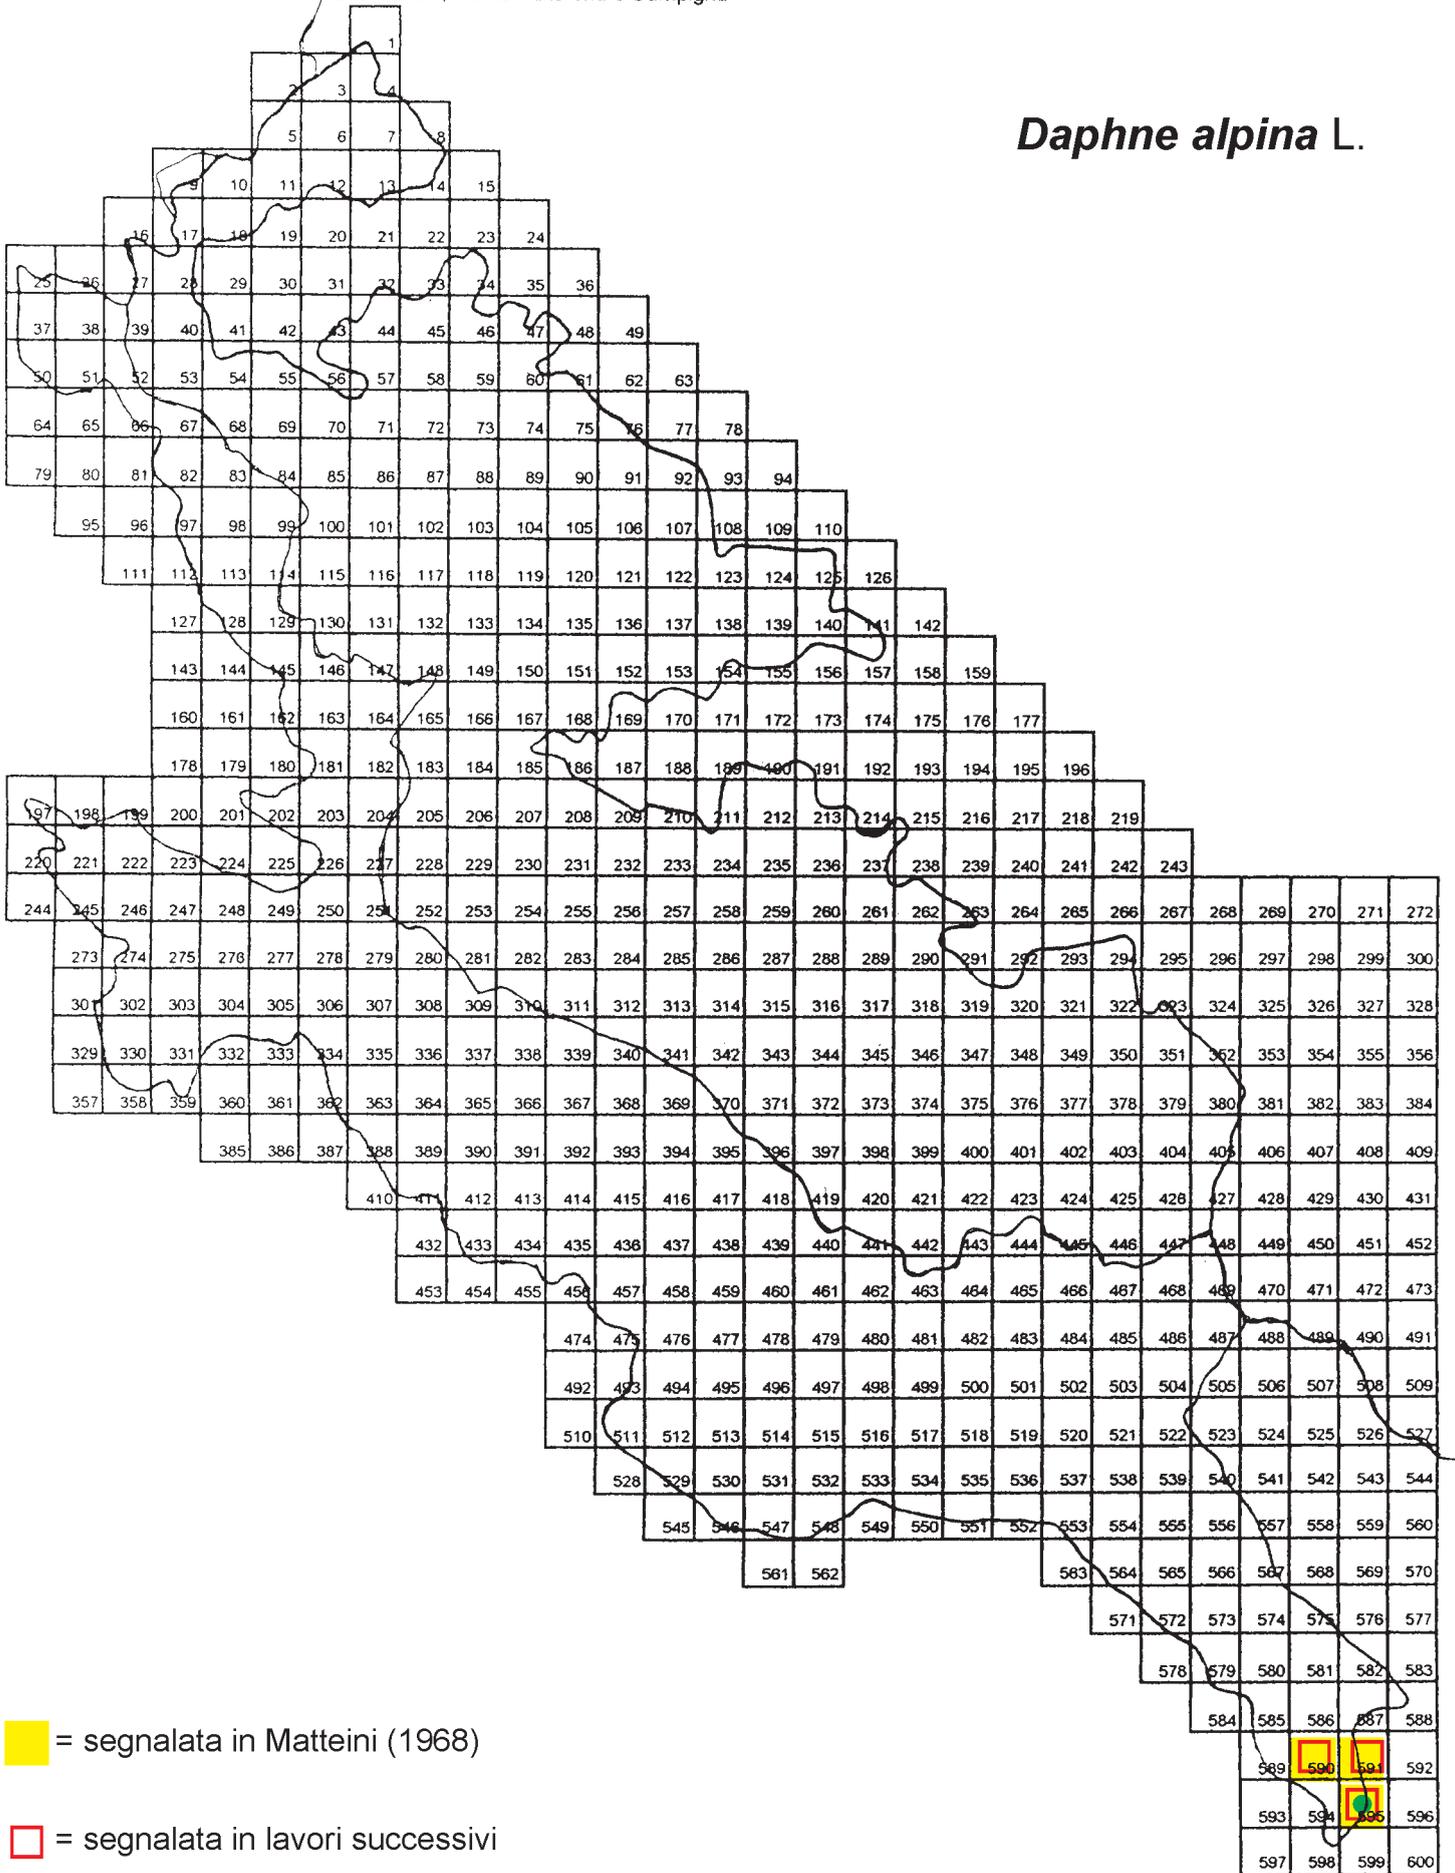

? = dato bibliografico dubbio per probabile confusione con *D. maculata*

■ = segnalata in Zangheri (1966)

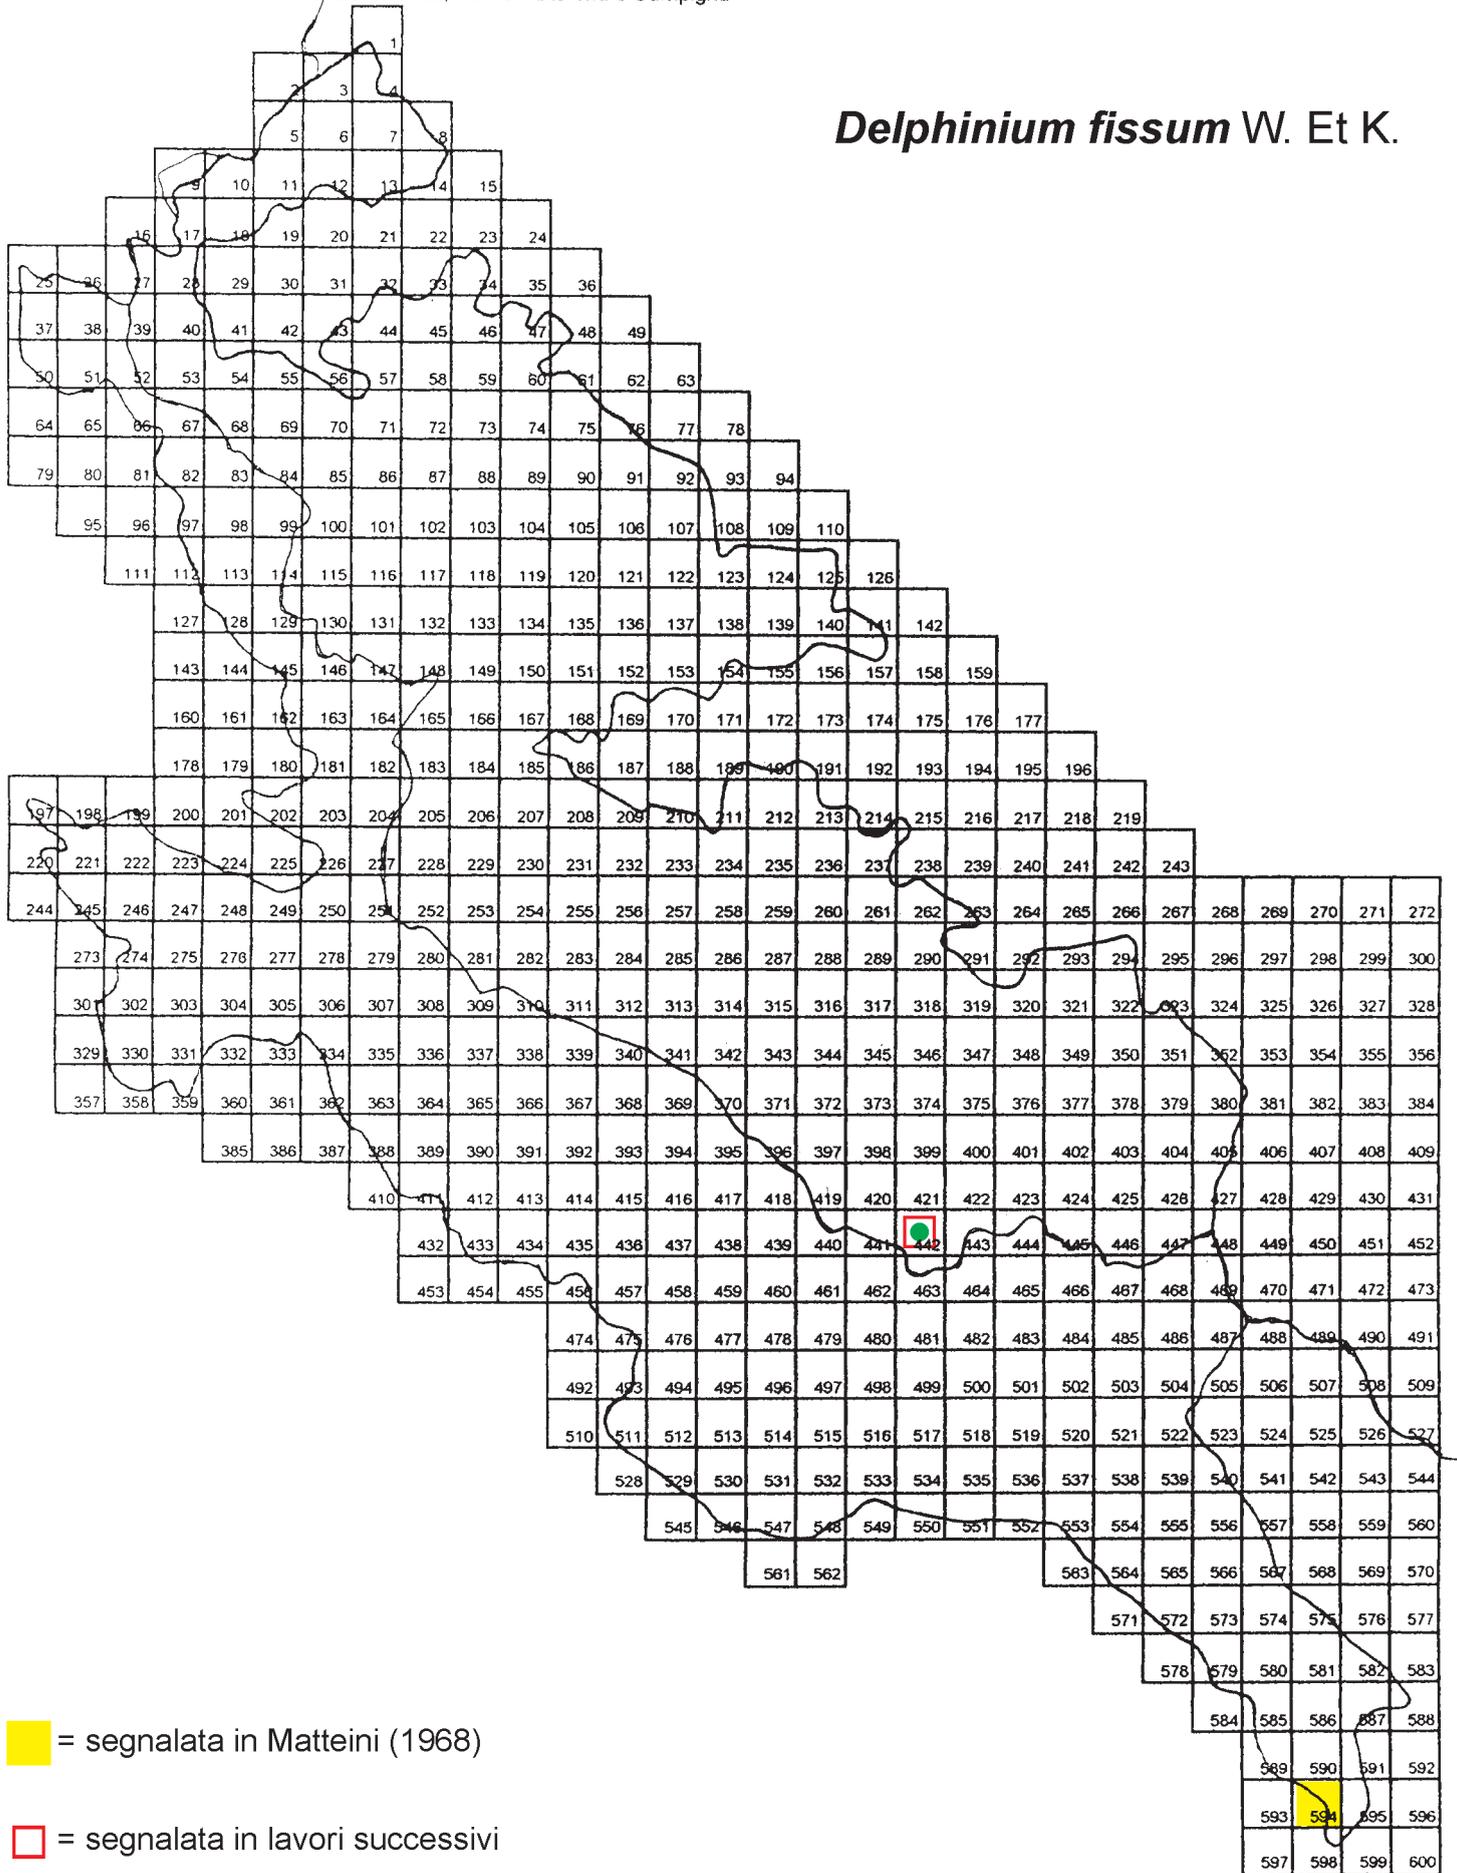

□ = segnalata in lavori successivi

● = segnalata nella presente ricerca

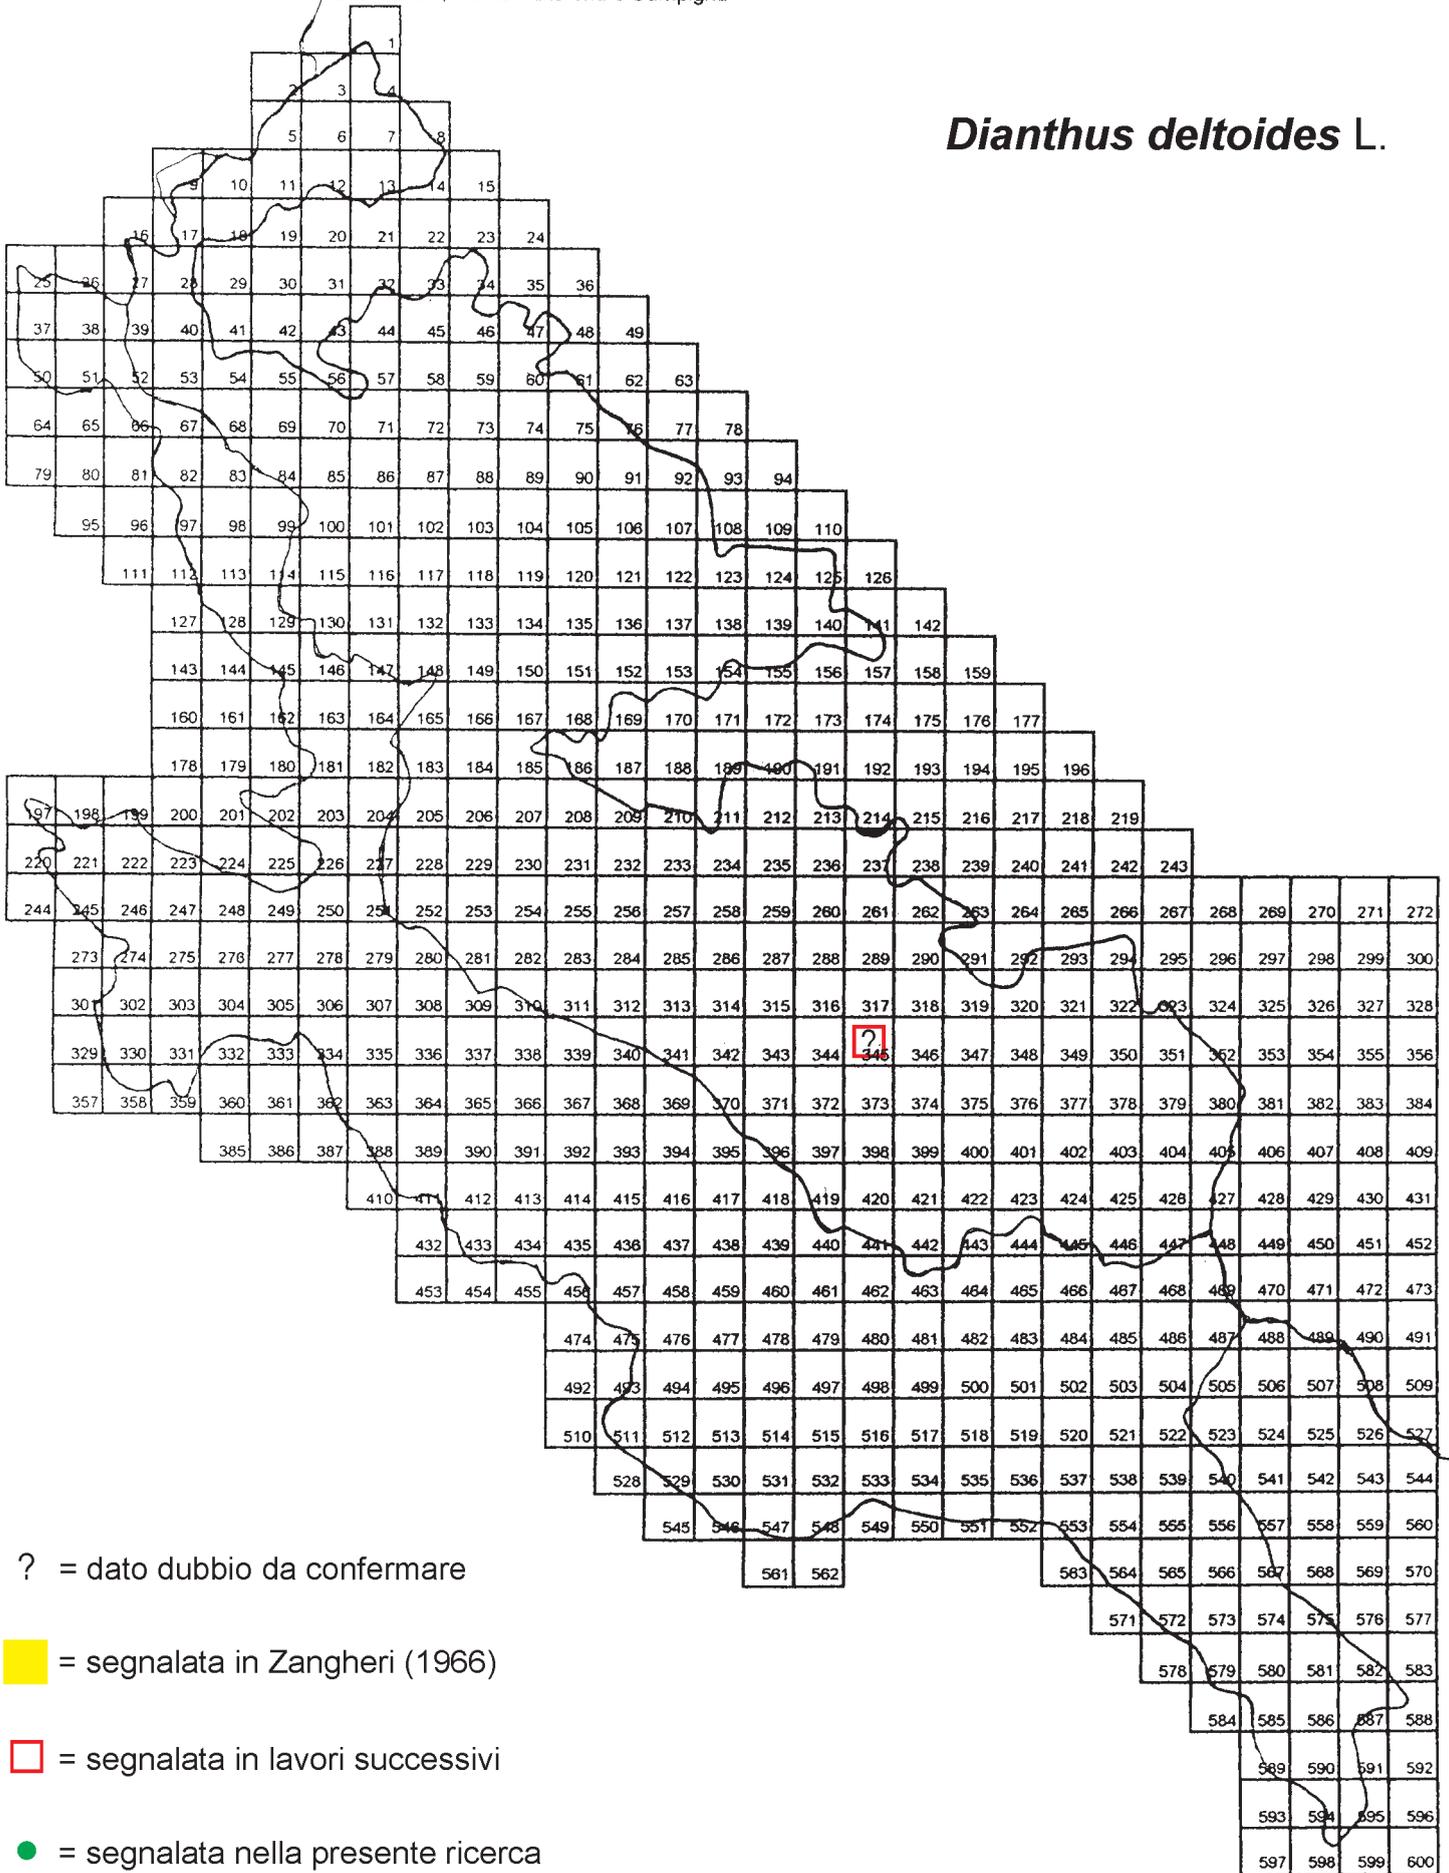

Daphne alpina L.

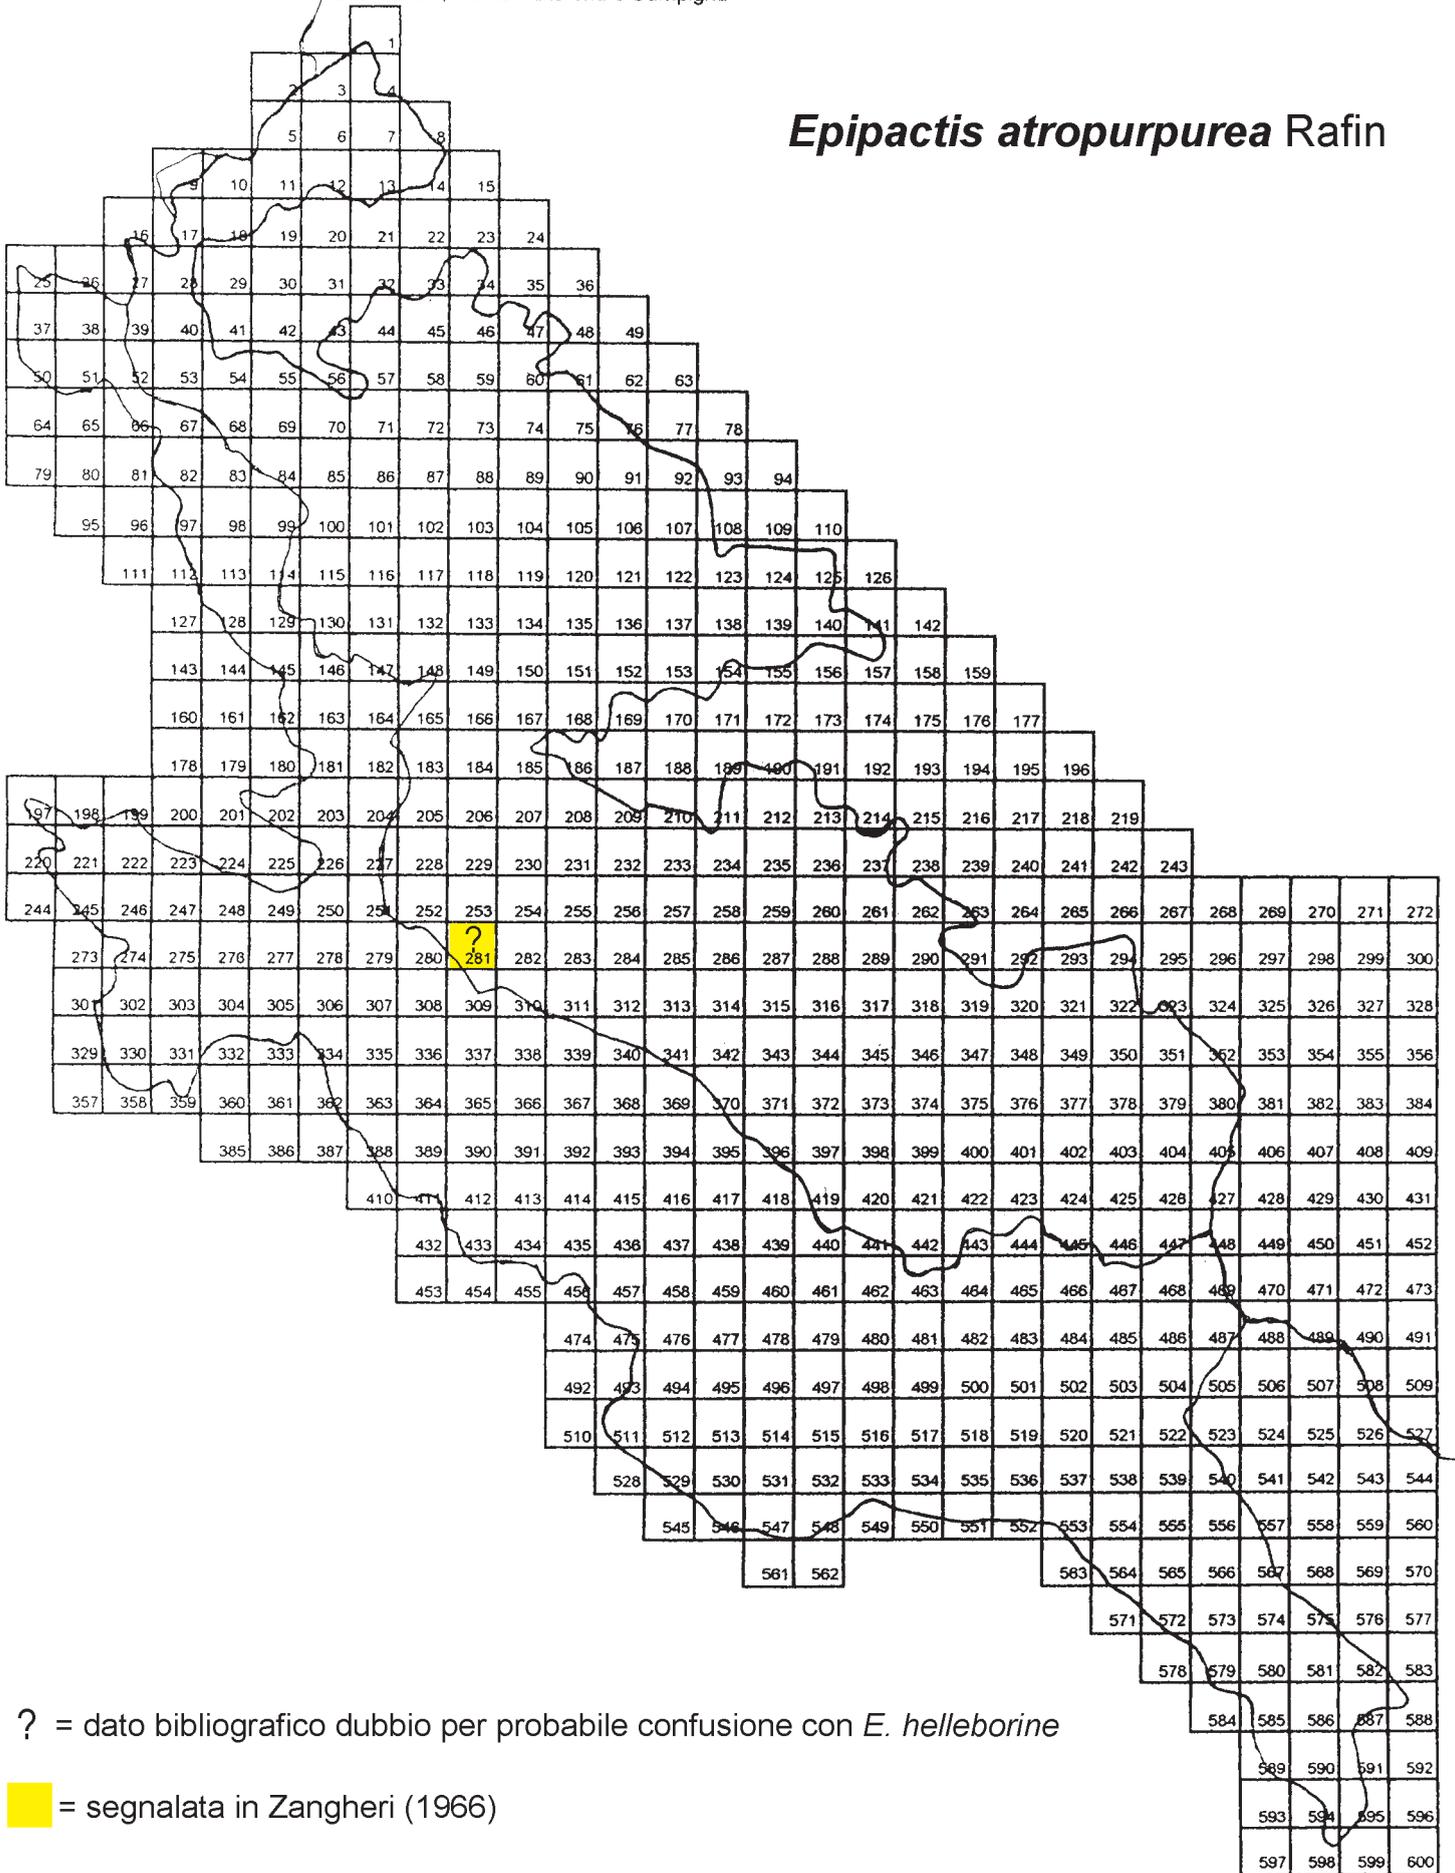

Delphinium fissum W. Et K.

Dianthus deltoides L.

Epipactis atropurpurea Rafin

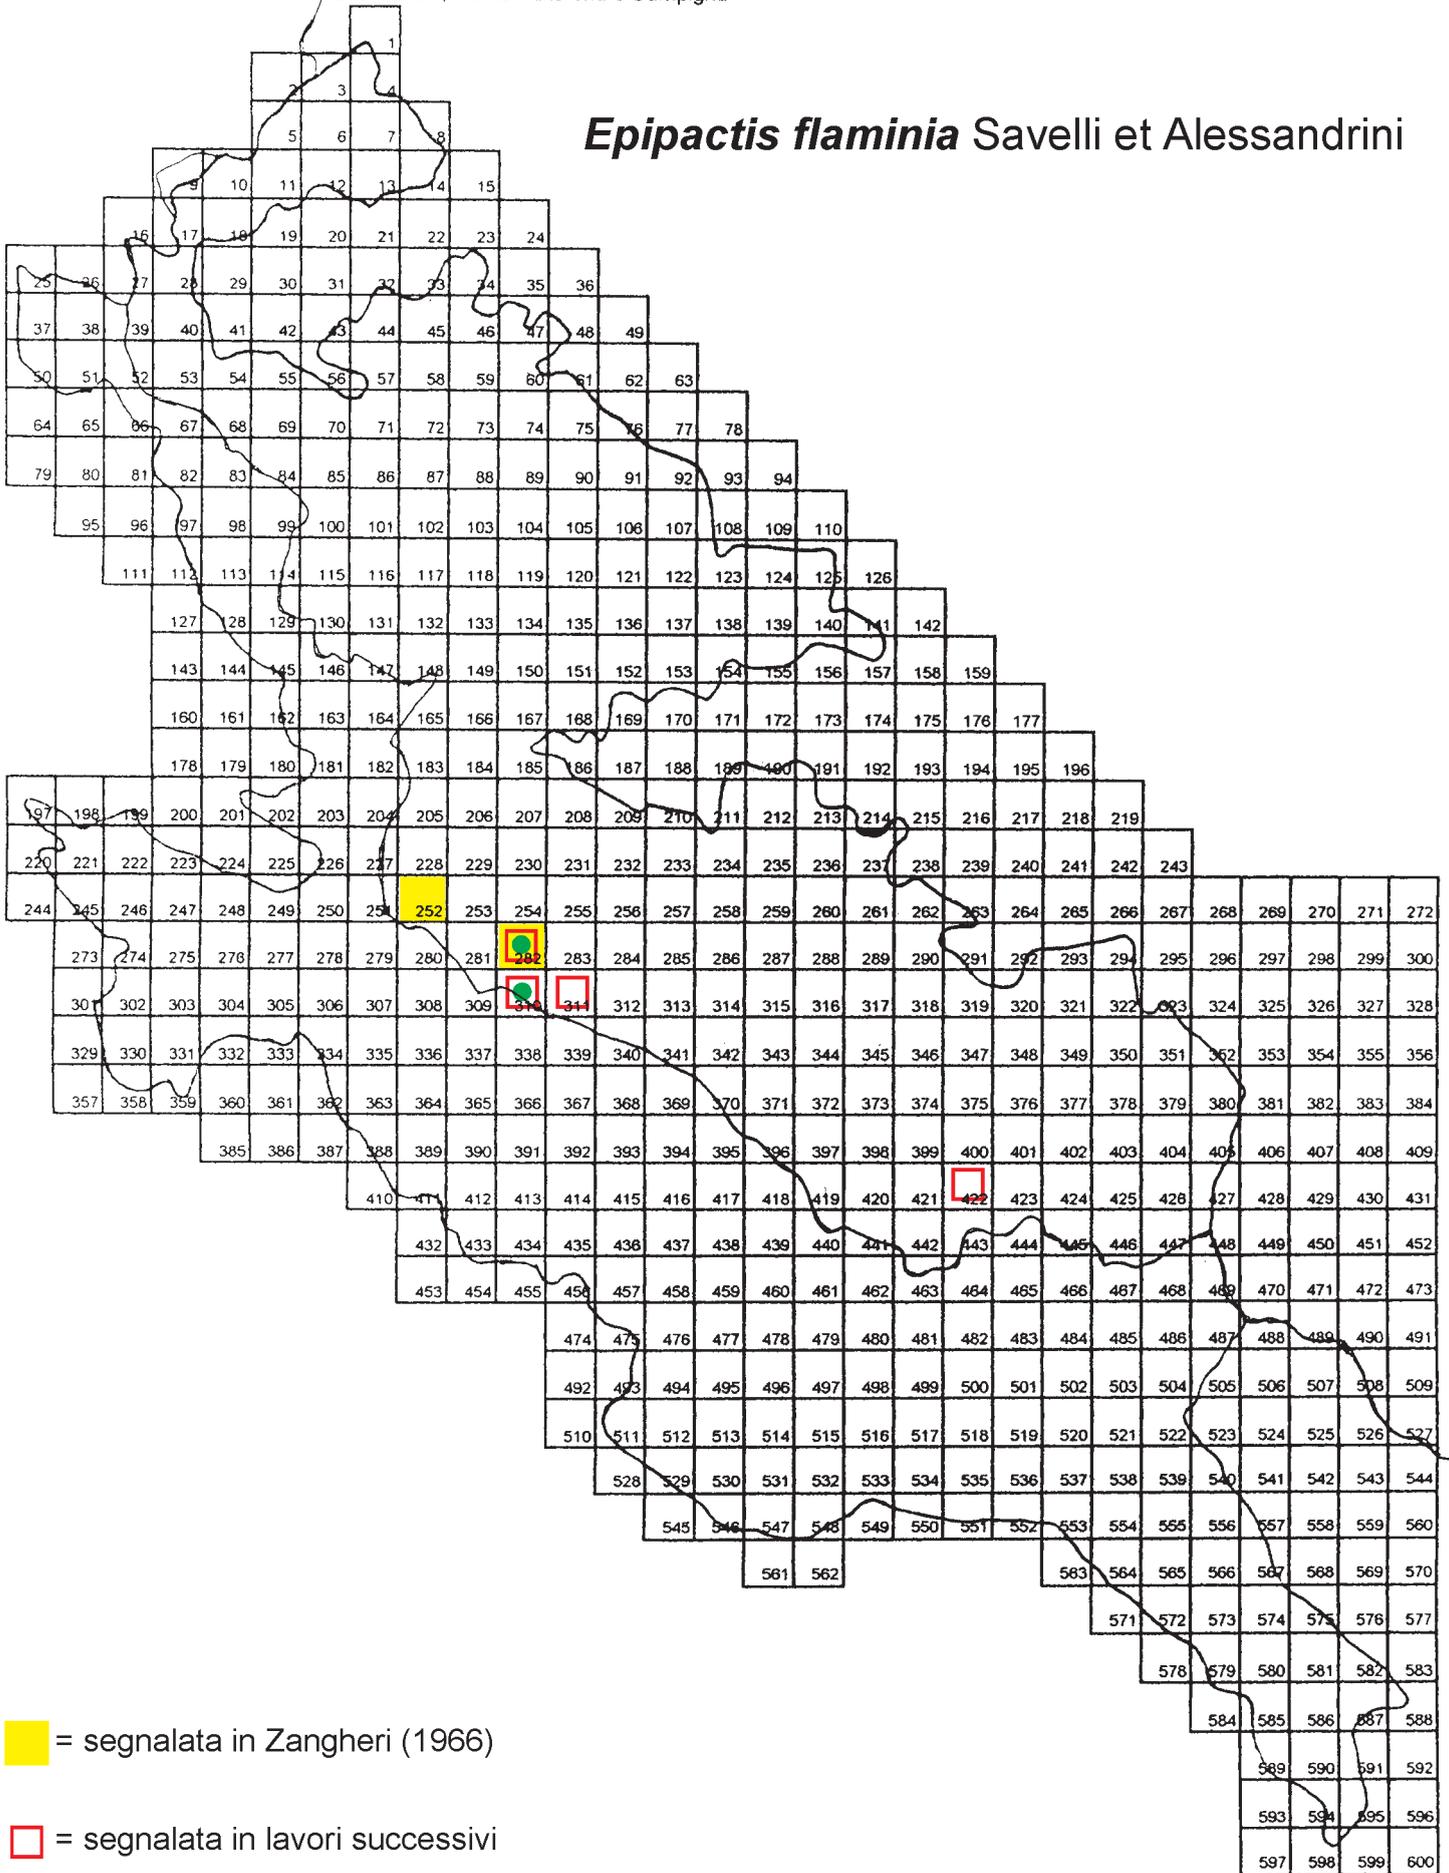

? = dato bibliografico dubbio per probabile confusione con *E. helleborine*

■ = segnalata in Zangheri (1966)

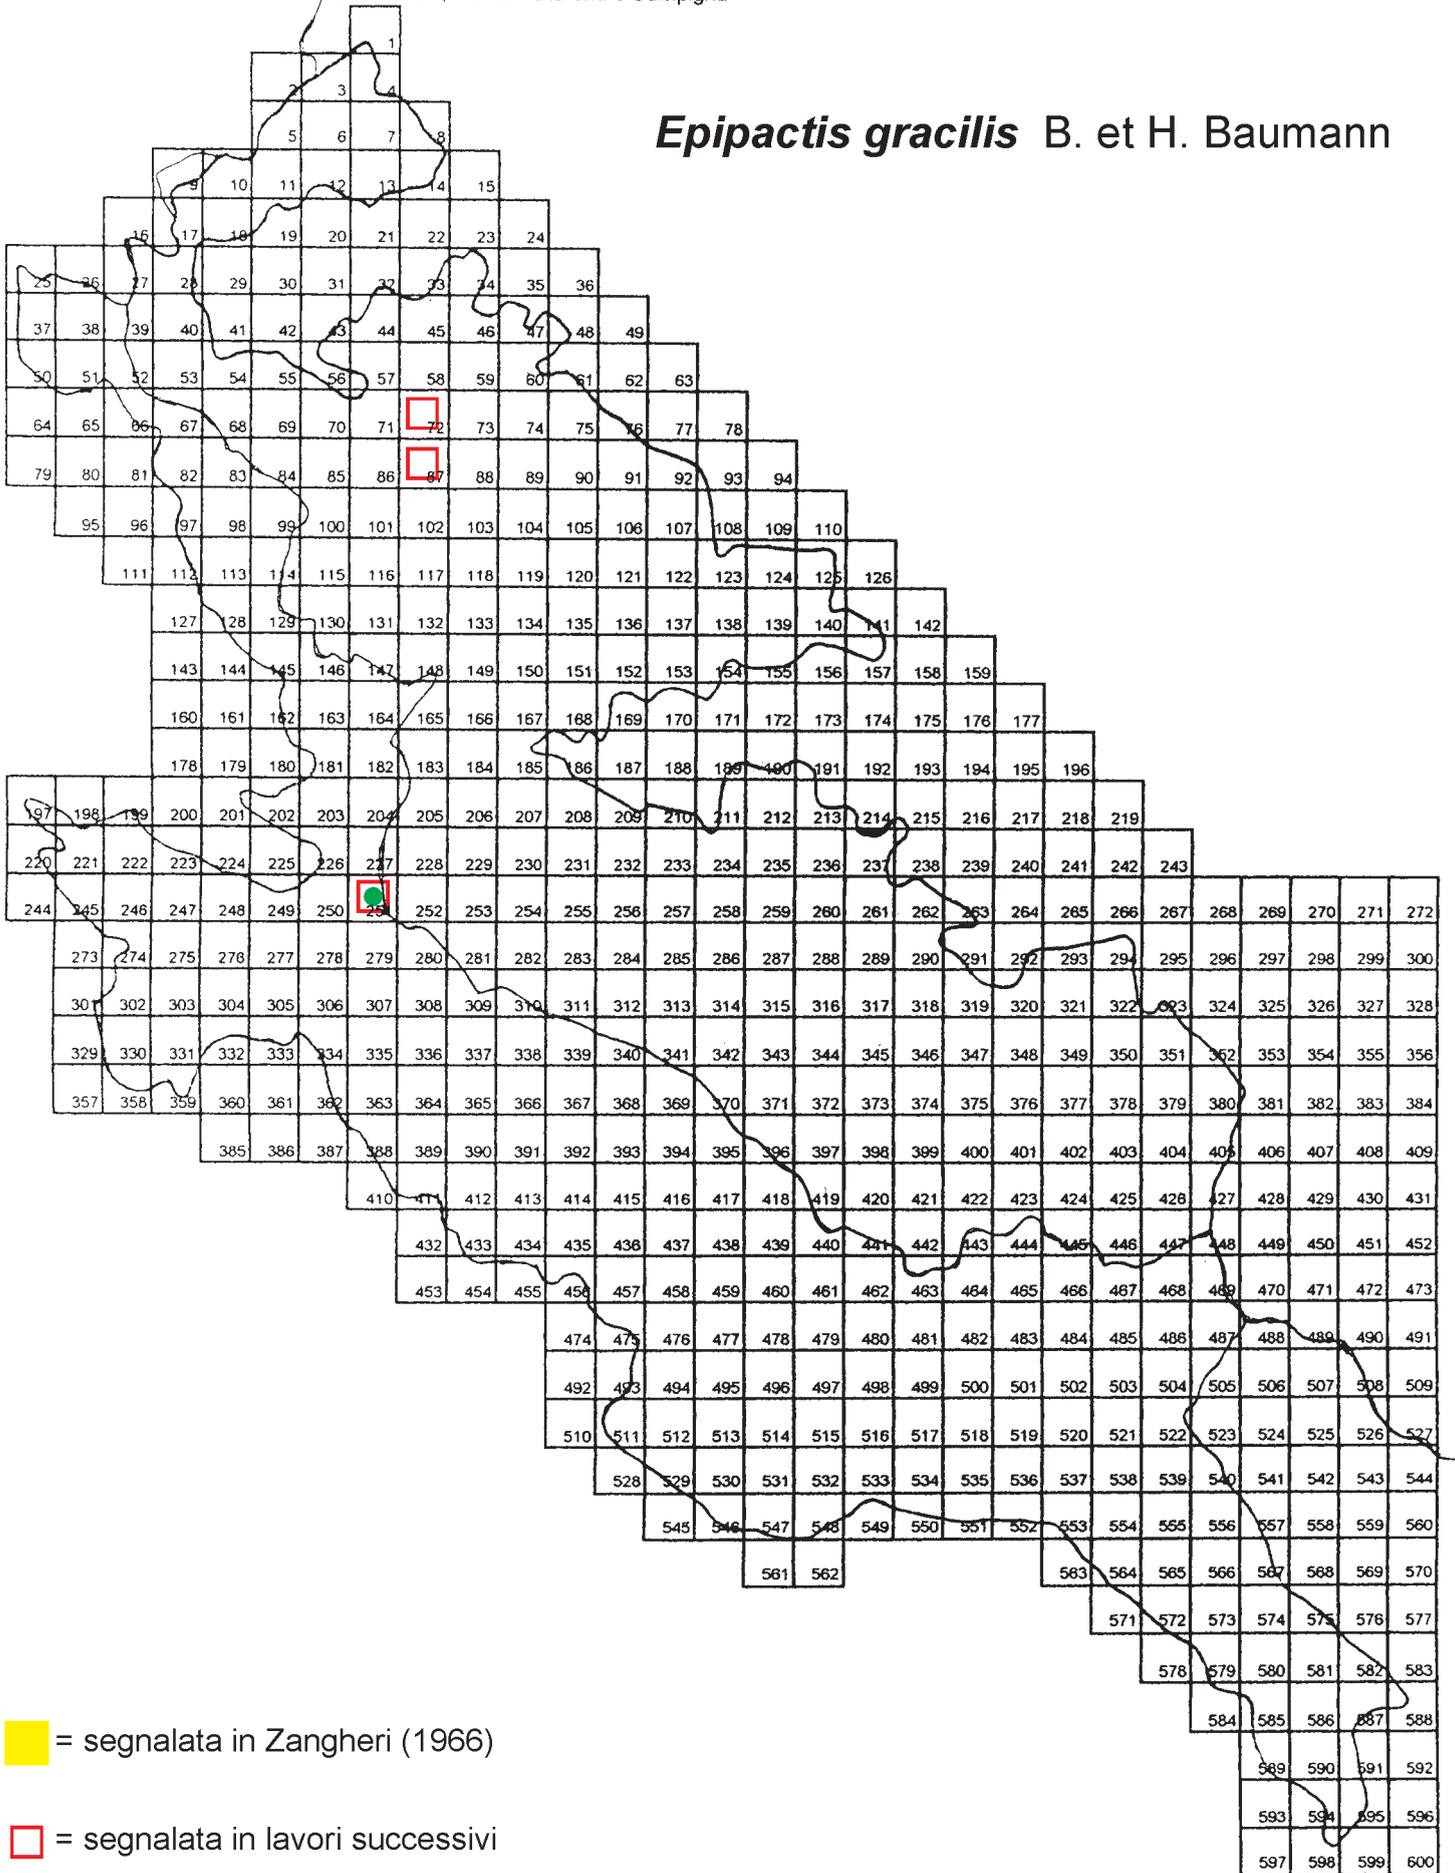

□ = segnalata in lavori successivi

● = segnalata nella presente ricerca

Epipactis flaminia Savelli et Alessandrini

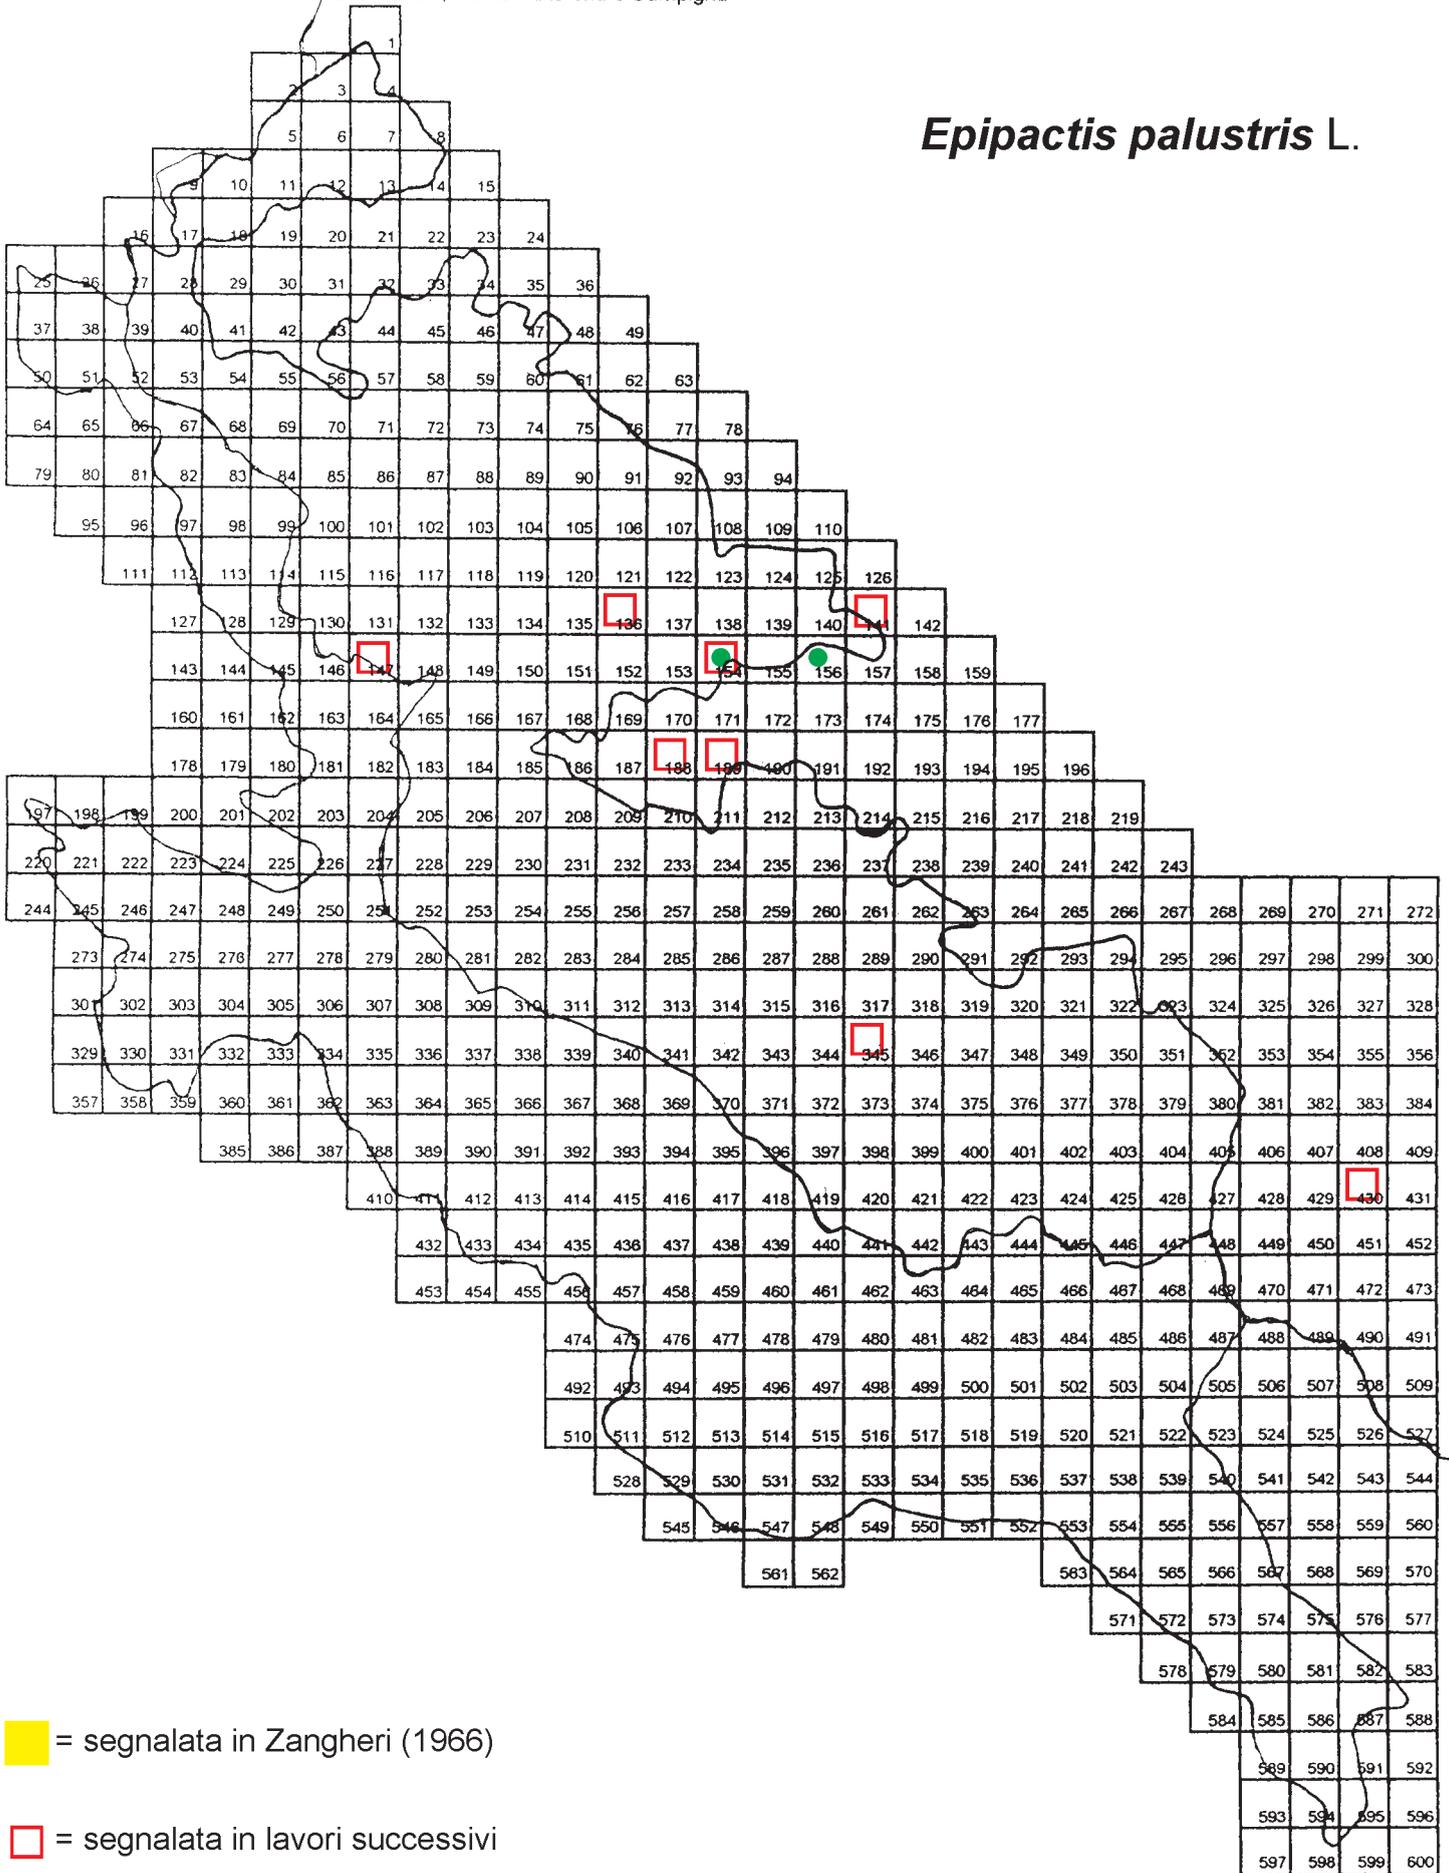

Epipactis gracilis B. et H. Baumann

- = segnalata in Zangheri (1966)
- = segnalata in lavori successivi
- = segnalata nella presente ricerca

Epipactis palustris L.

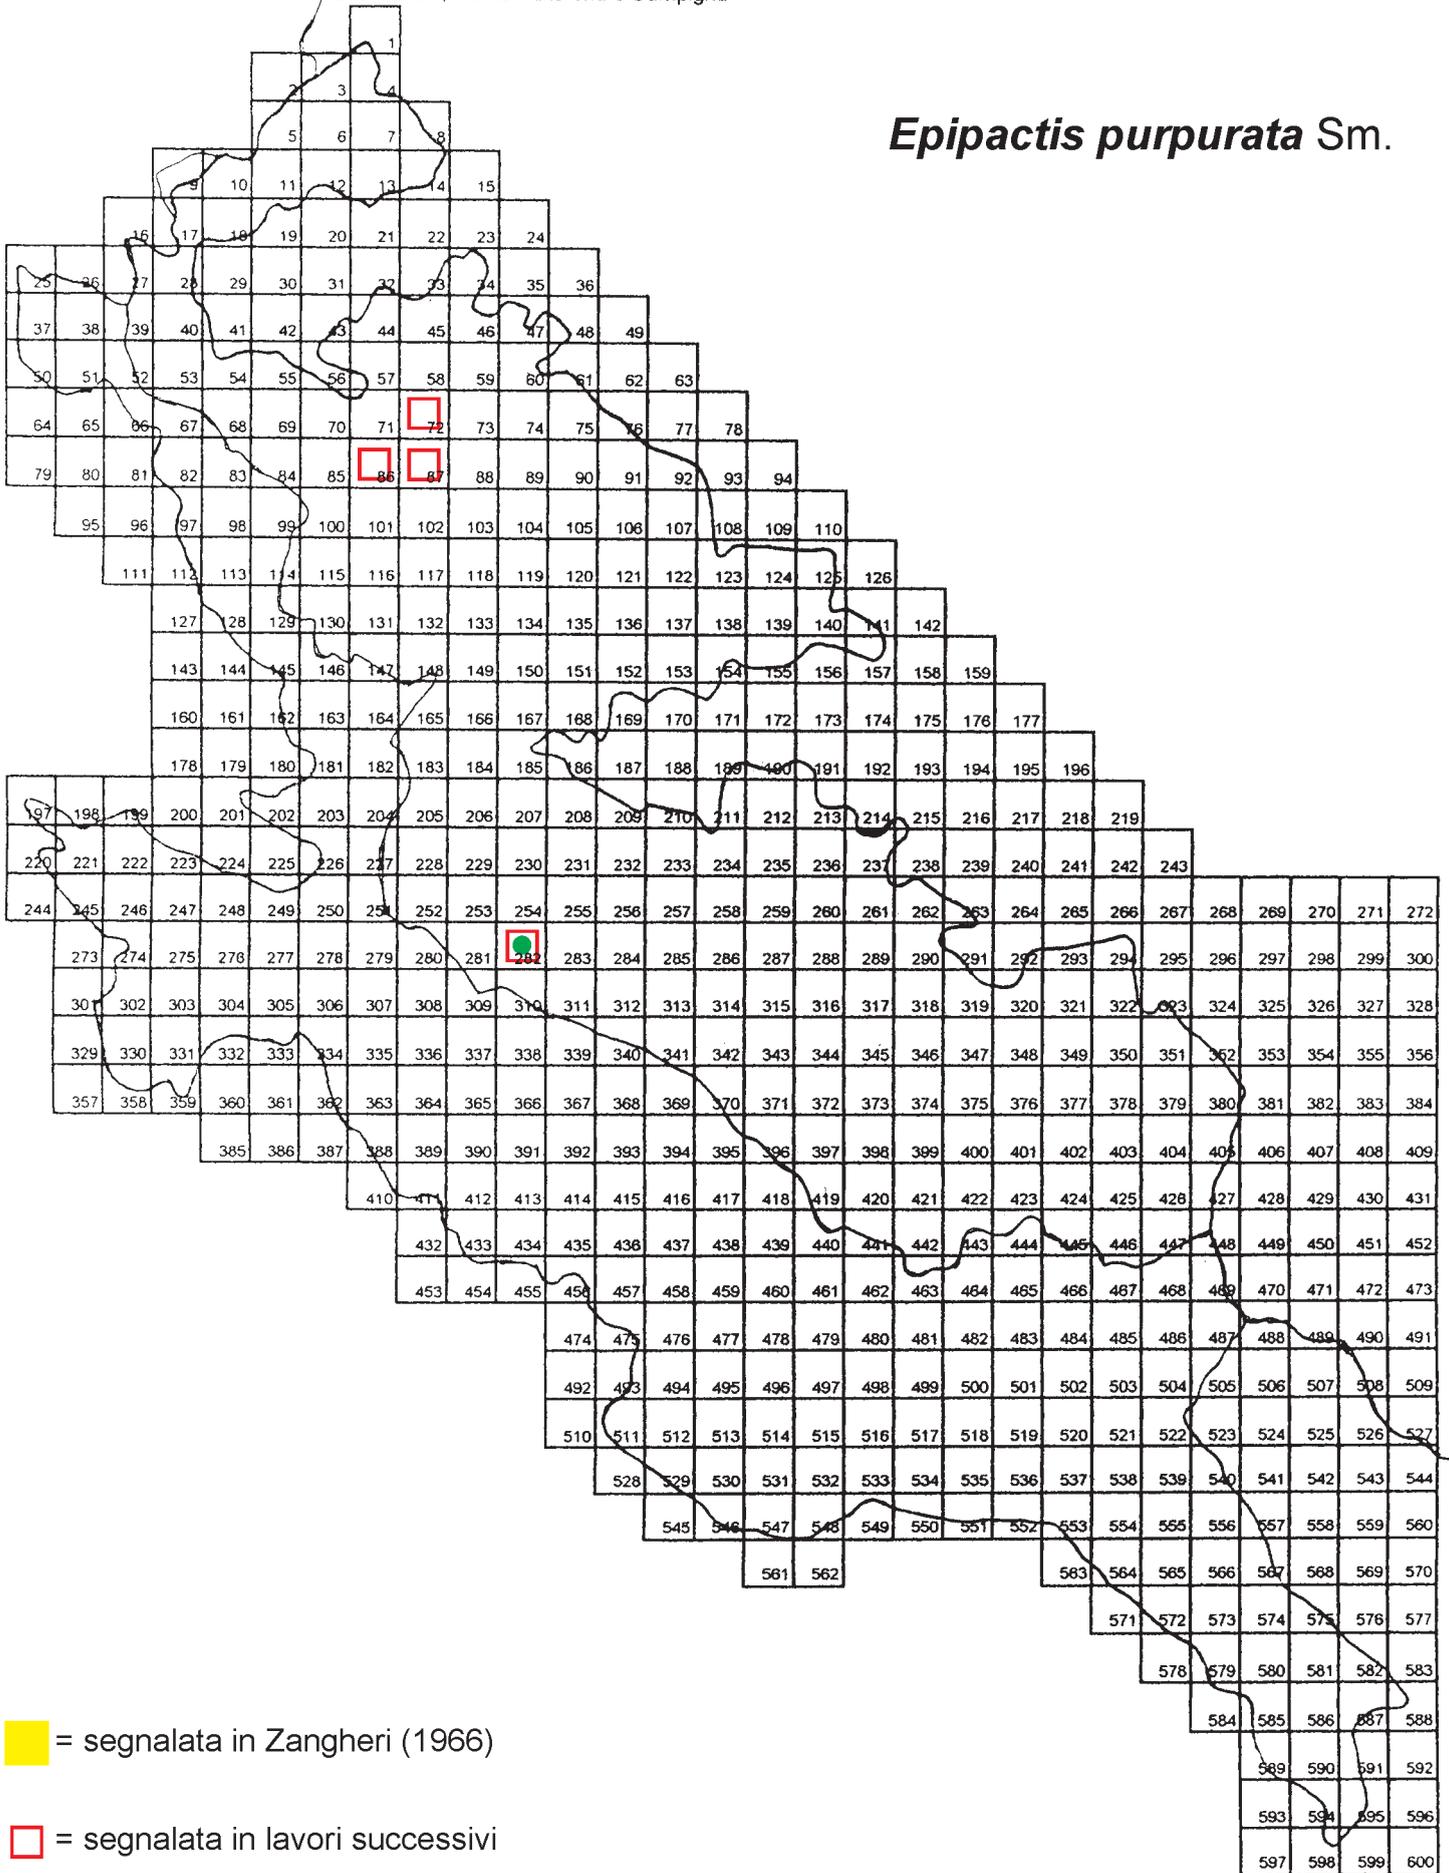

■ = segnalata in Zangheri (1966)

□ = segnalata in lavori successivi

● = segnalata nella presente ricerca

Epipactis purpurata Sm.

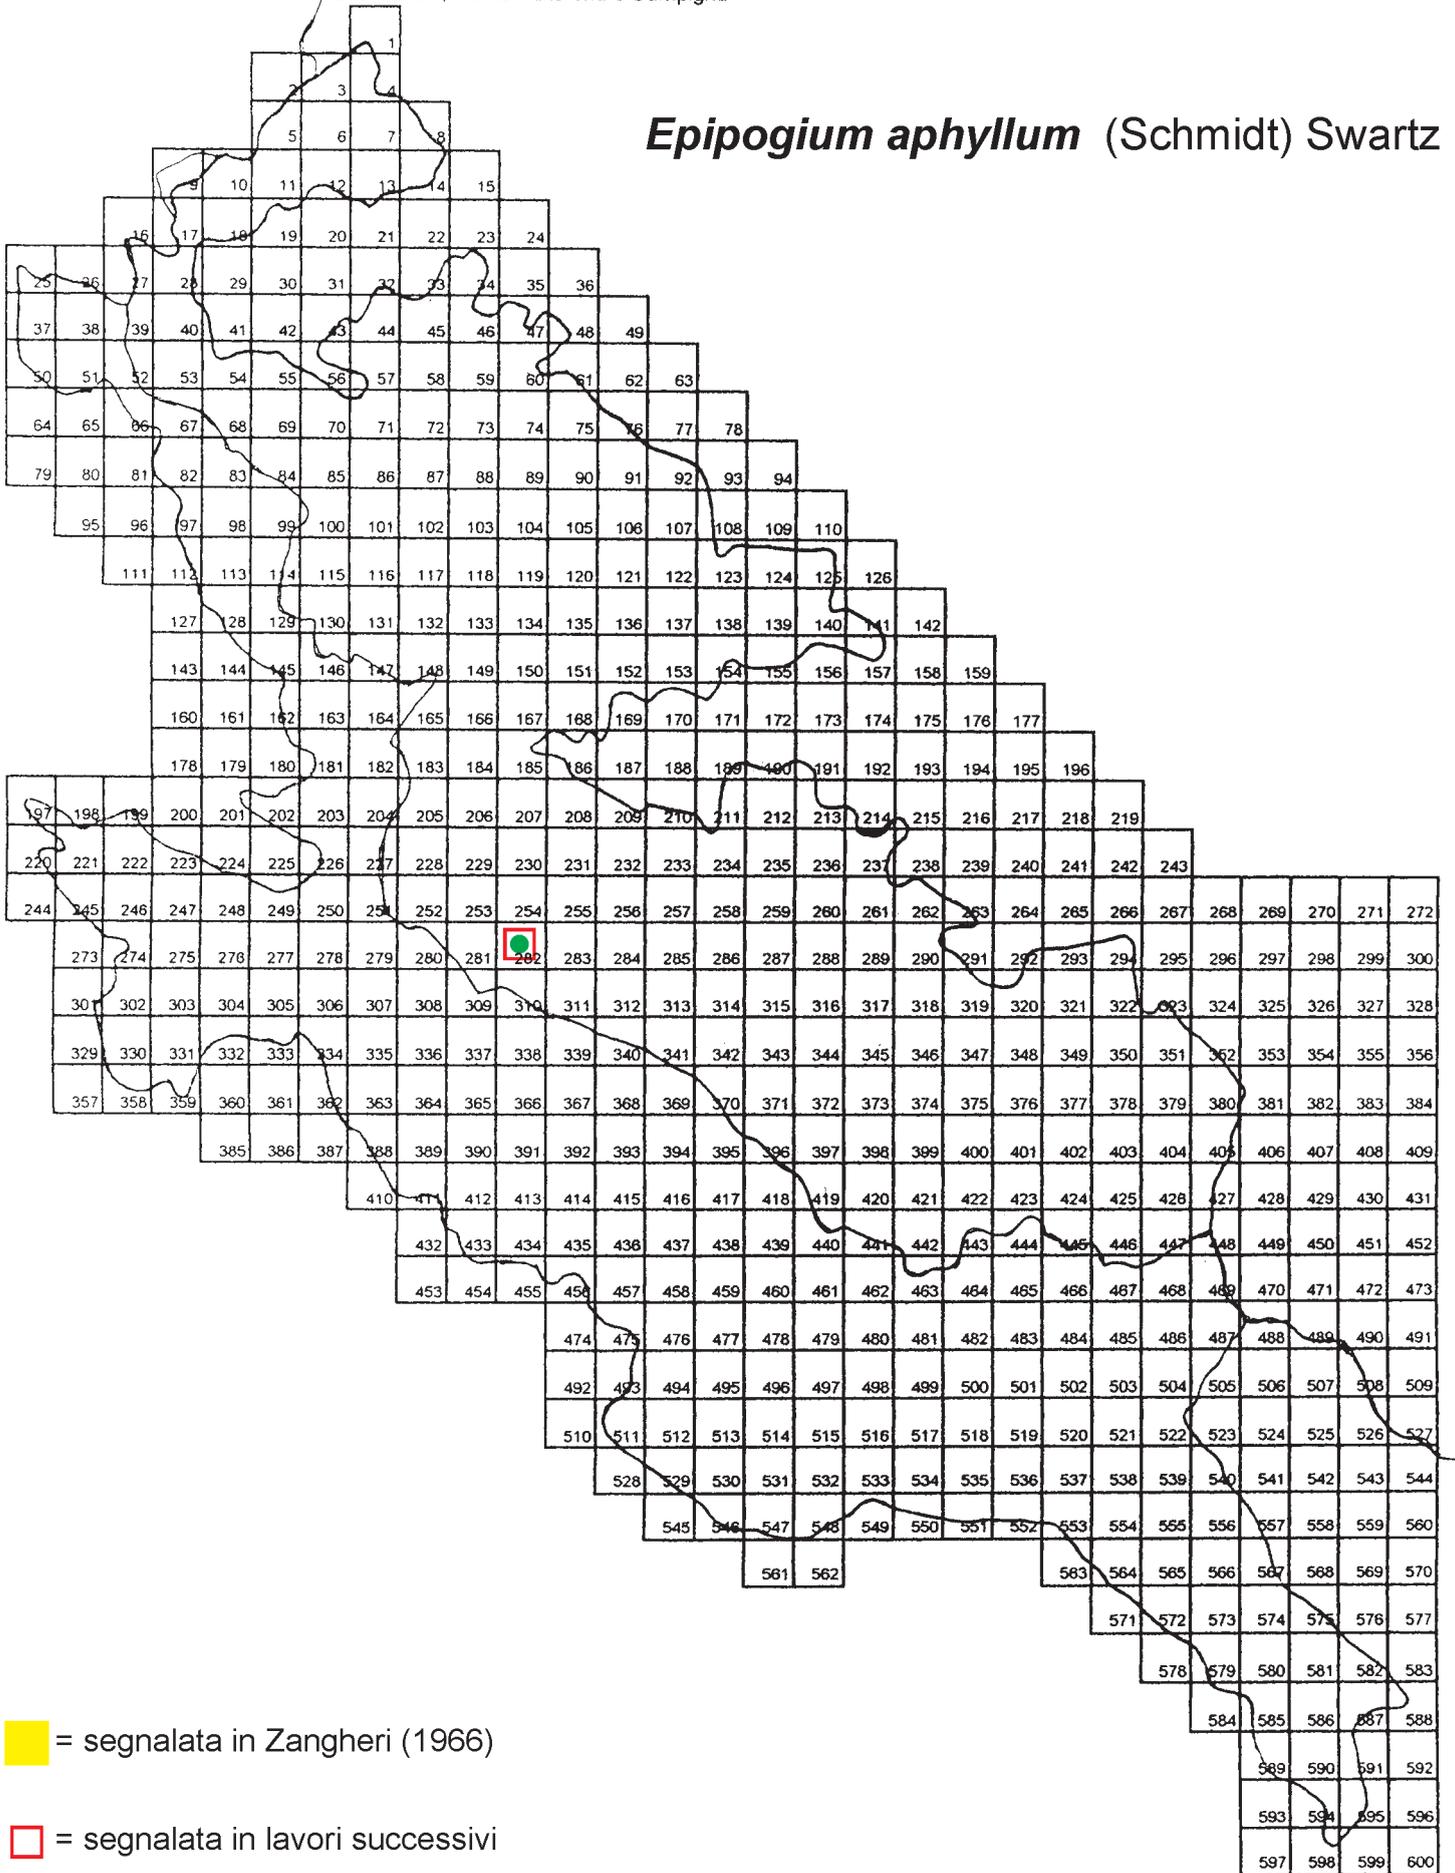

■ = segnalata in Zangheri (1966)

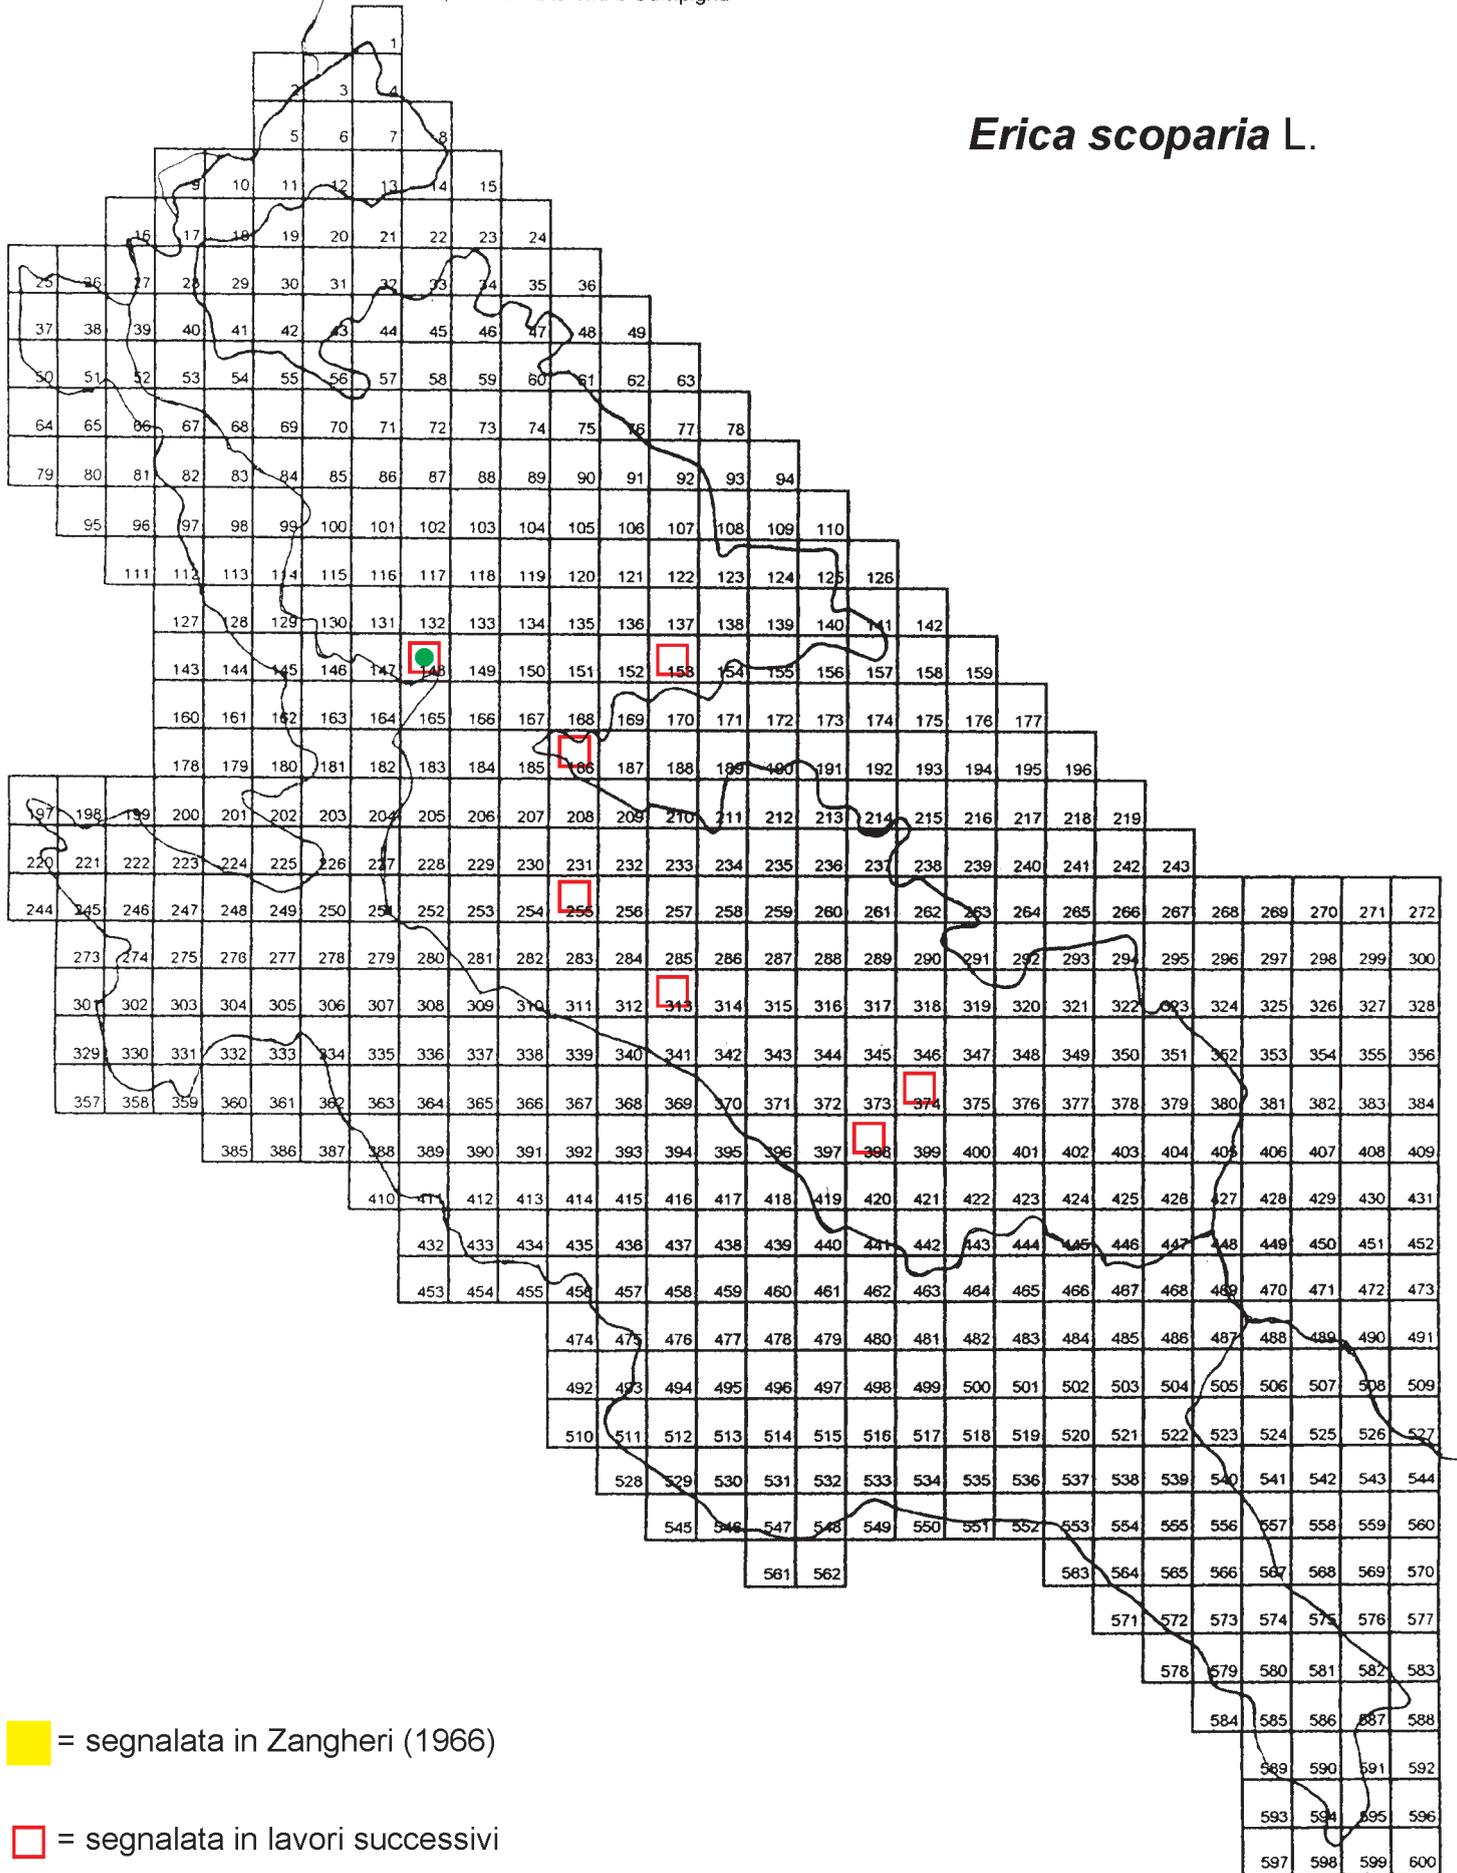

□ = segnalata in lavori successivi

● = segnalata nella presente ricerca

Epipogium aphyllum (Schmidt) Swartz

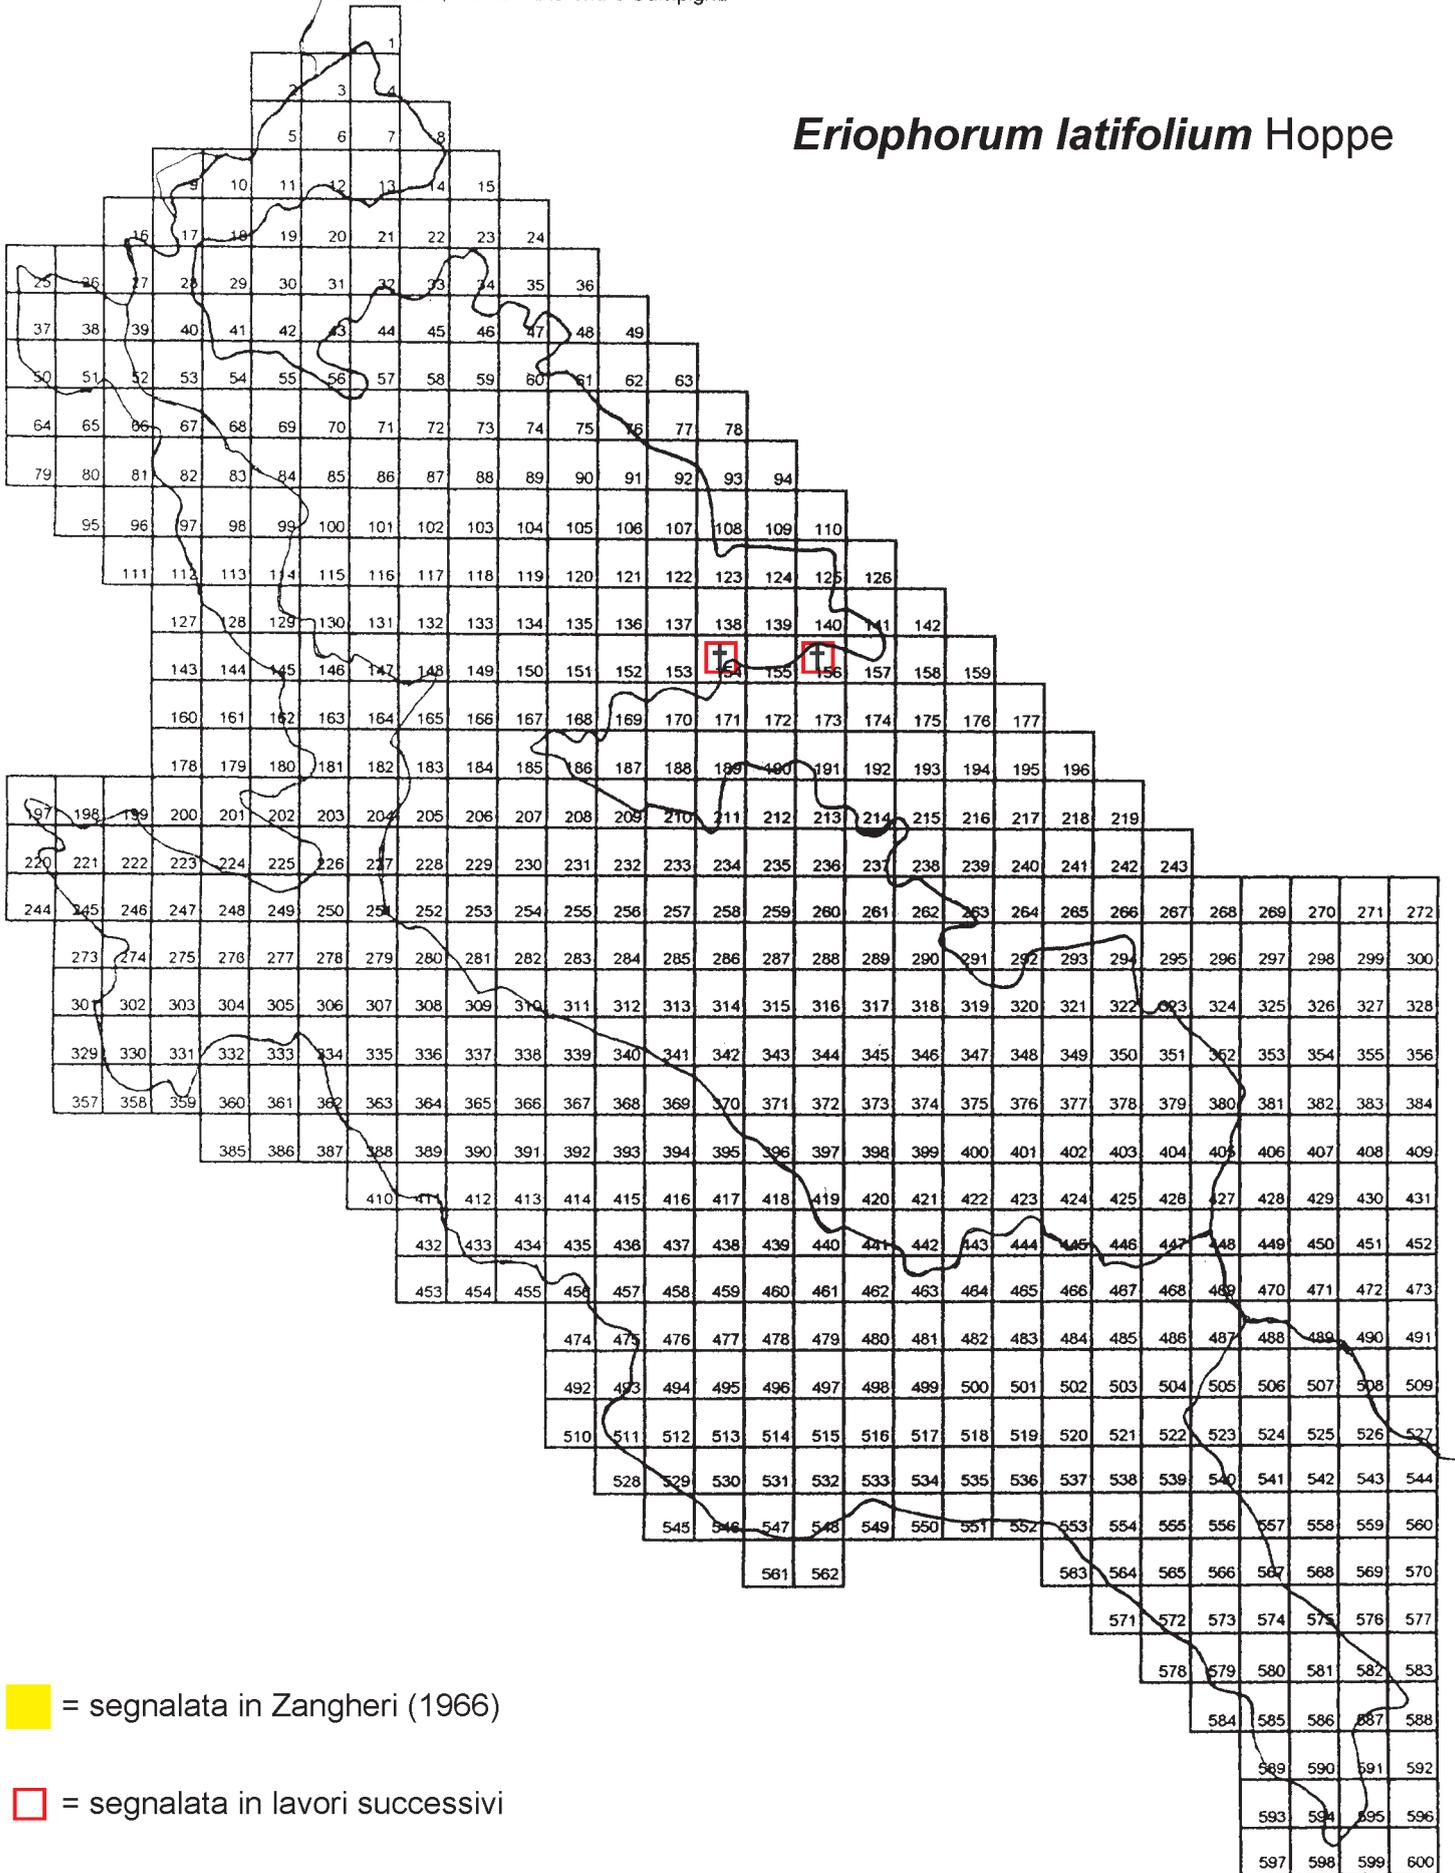

Erica scoparia L.

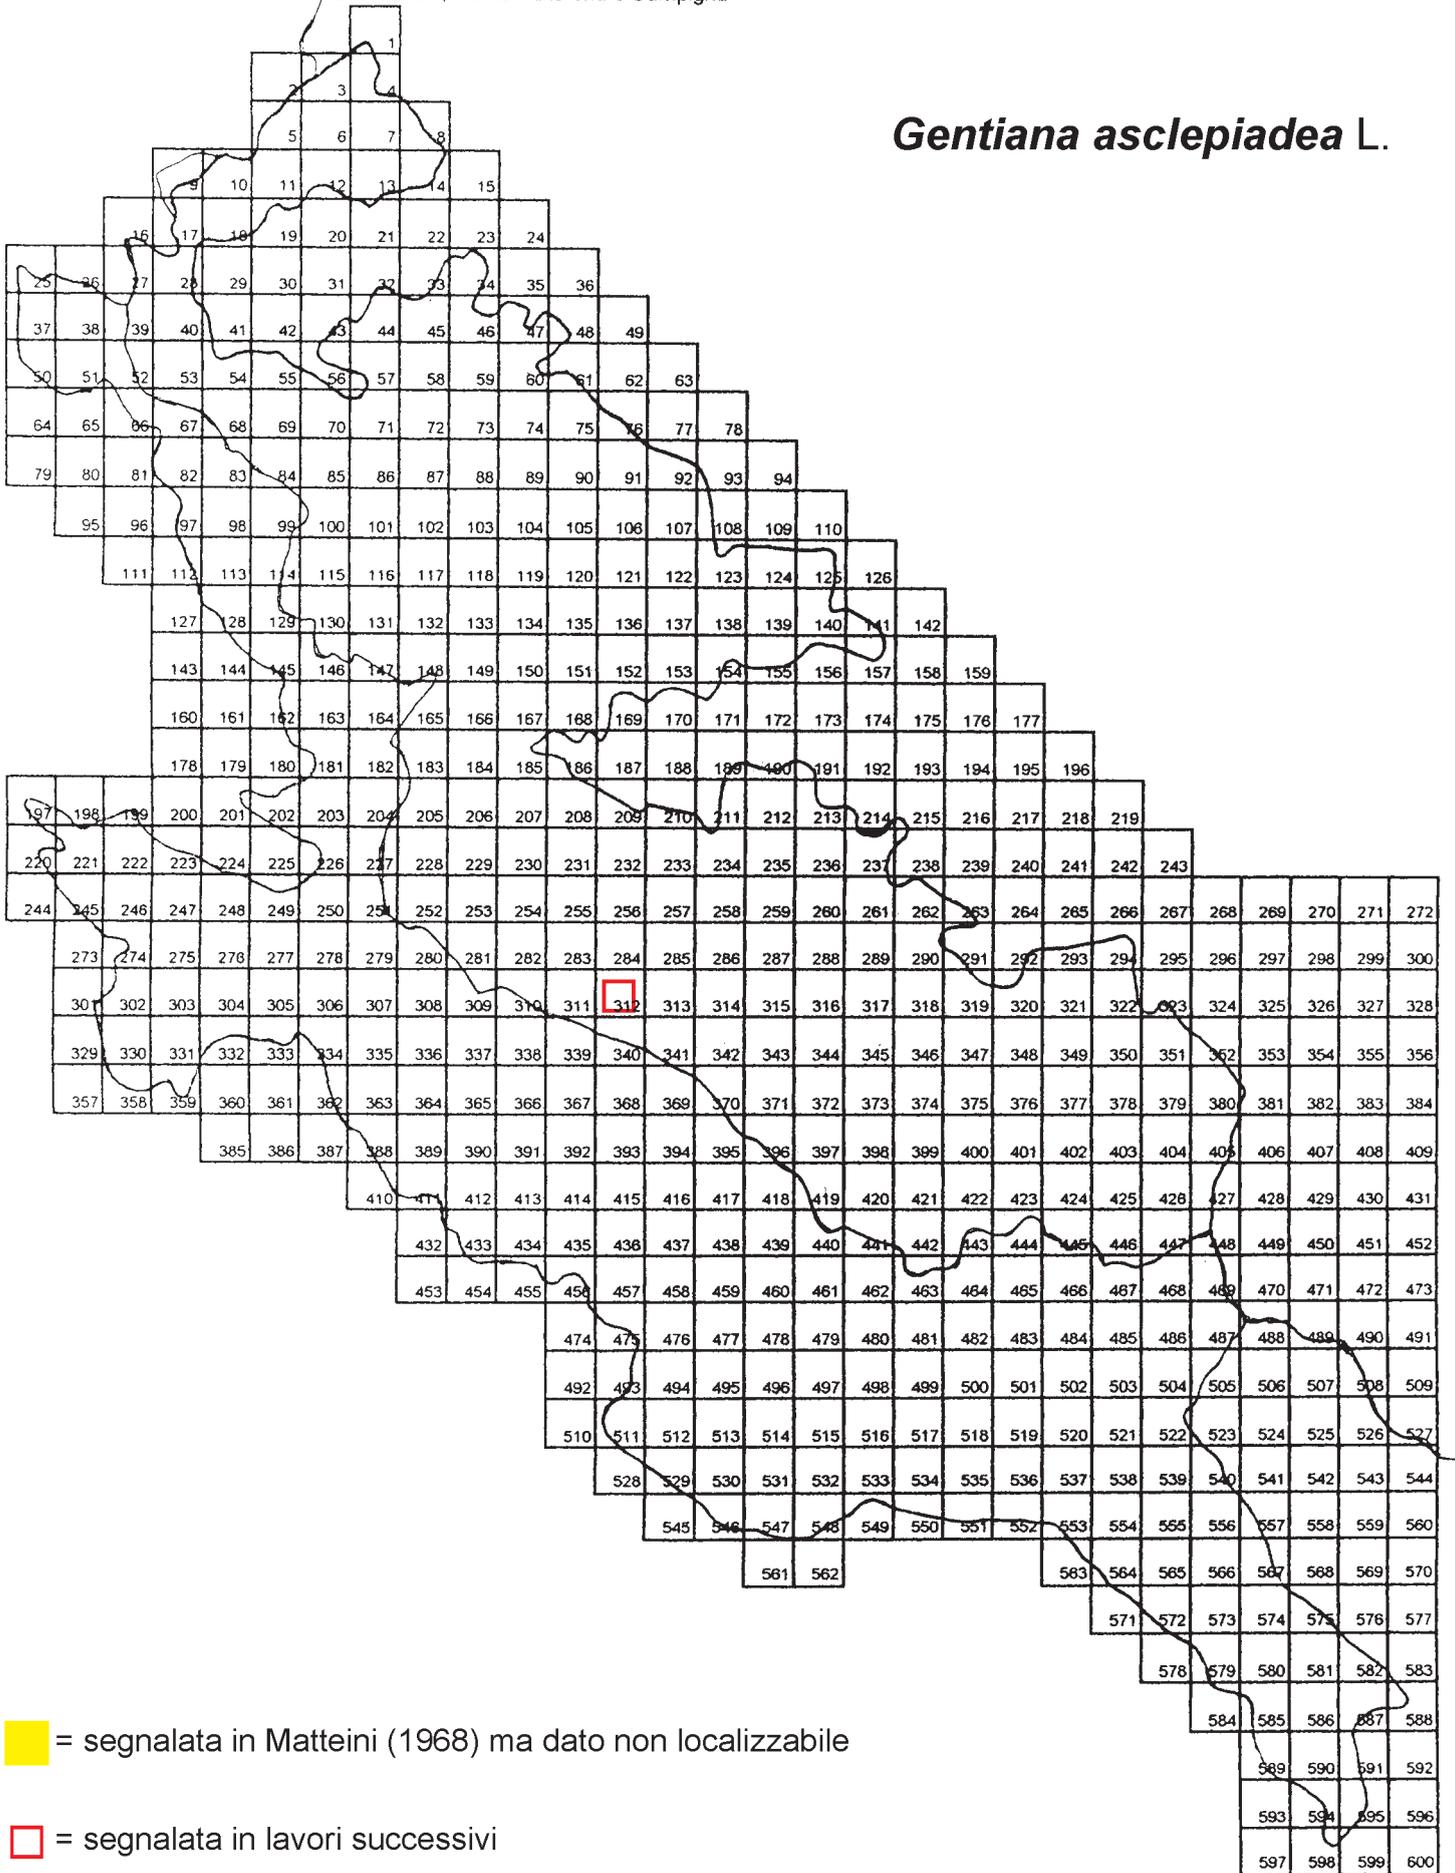

- = segnalata in Zangheri (1966)
- = segnalata in lavori successivi
- = segnalata nella presente ricerca

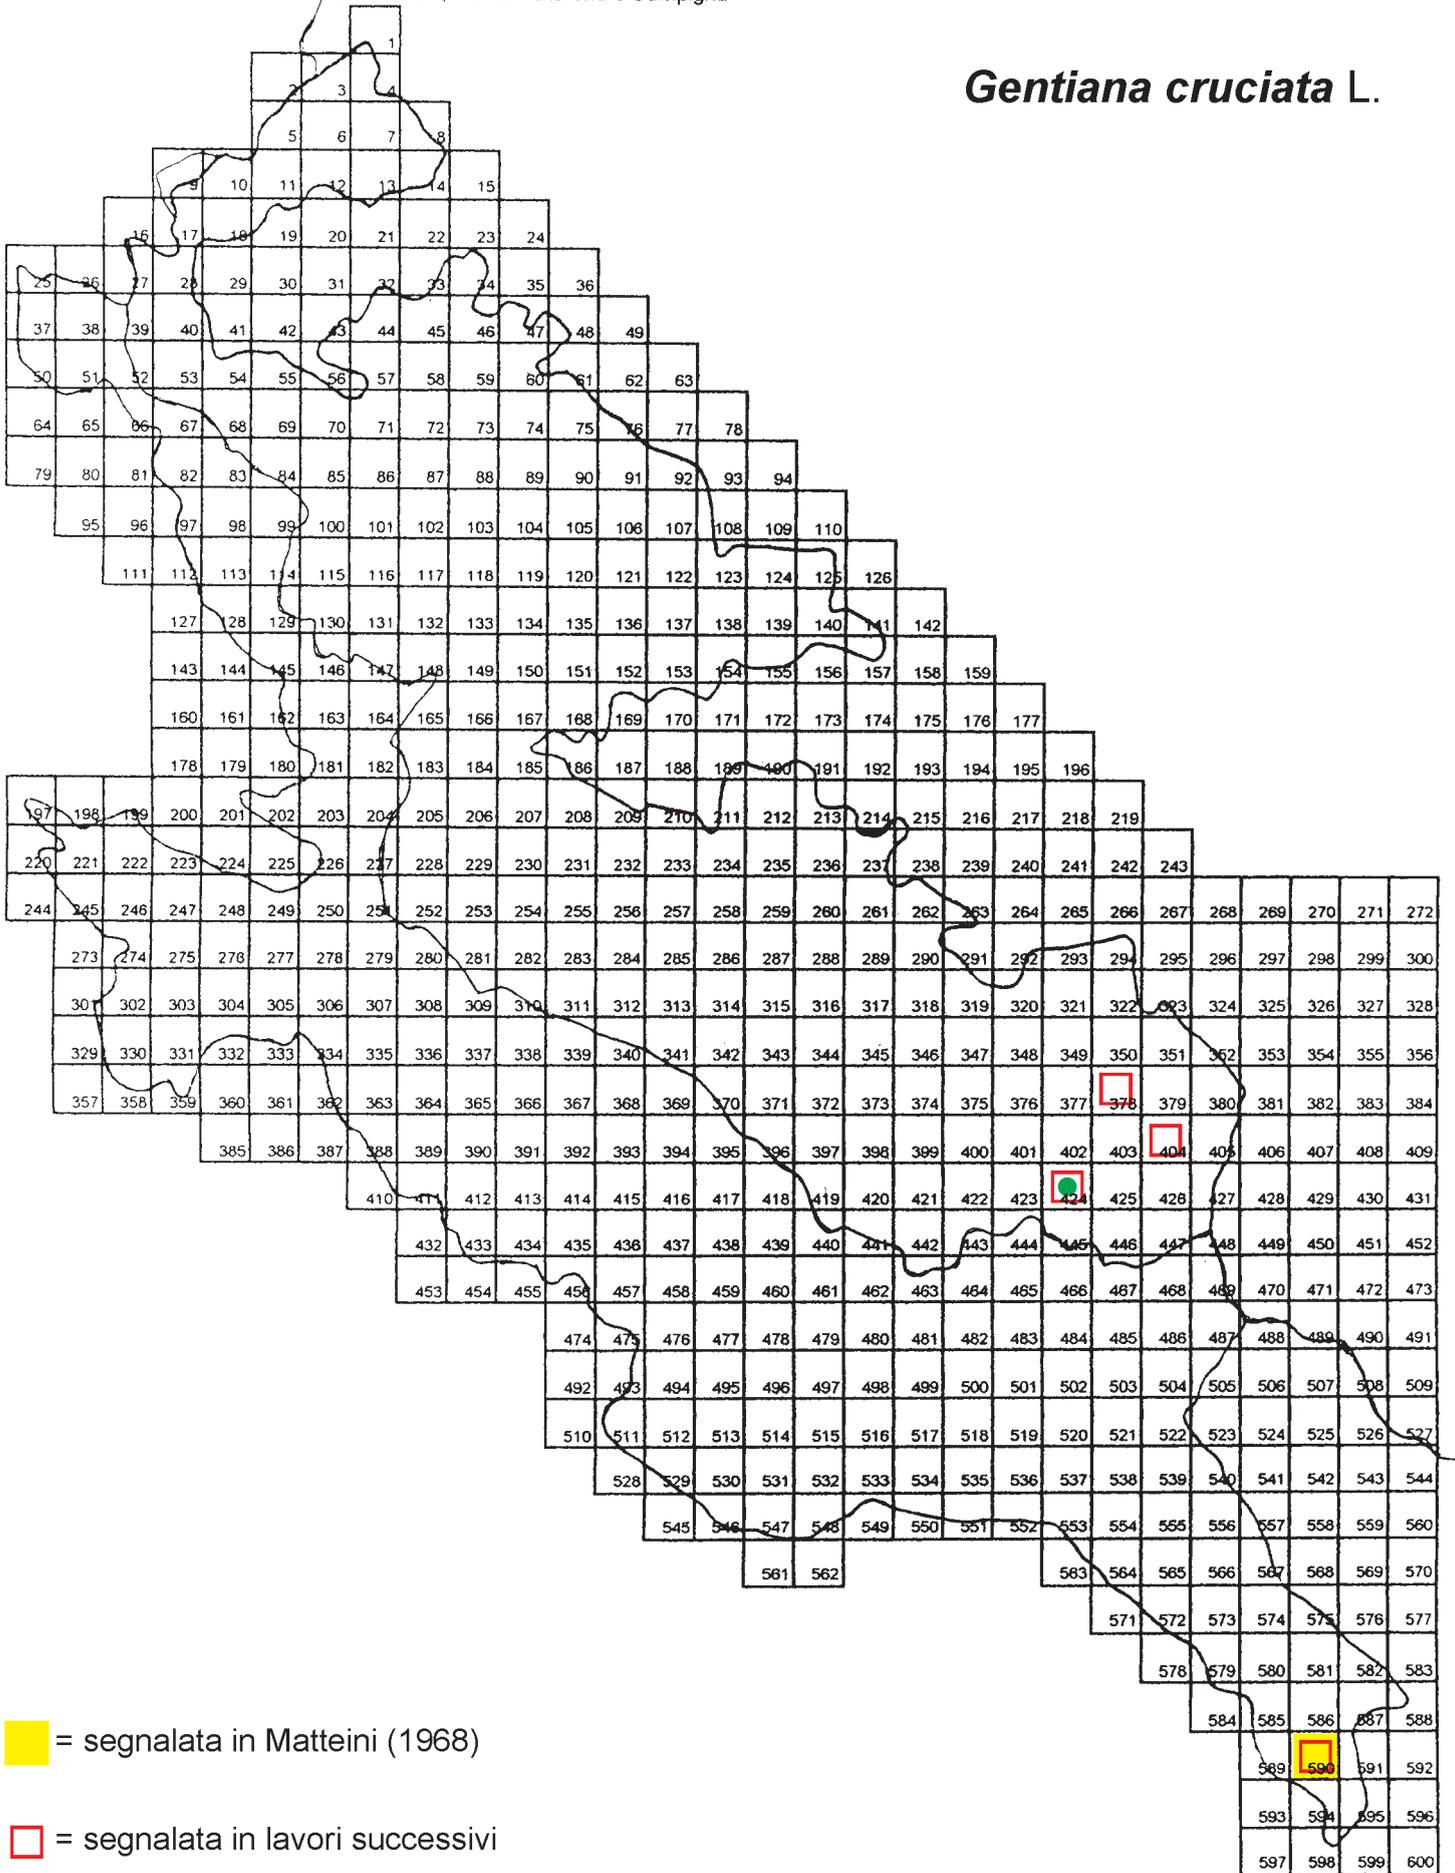

Eriophorum latifolium Hoppe

Gentiana asclepiadea L.

Gentiana cruciata L.

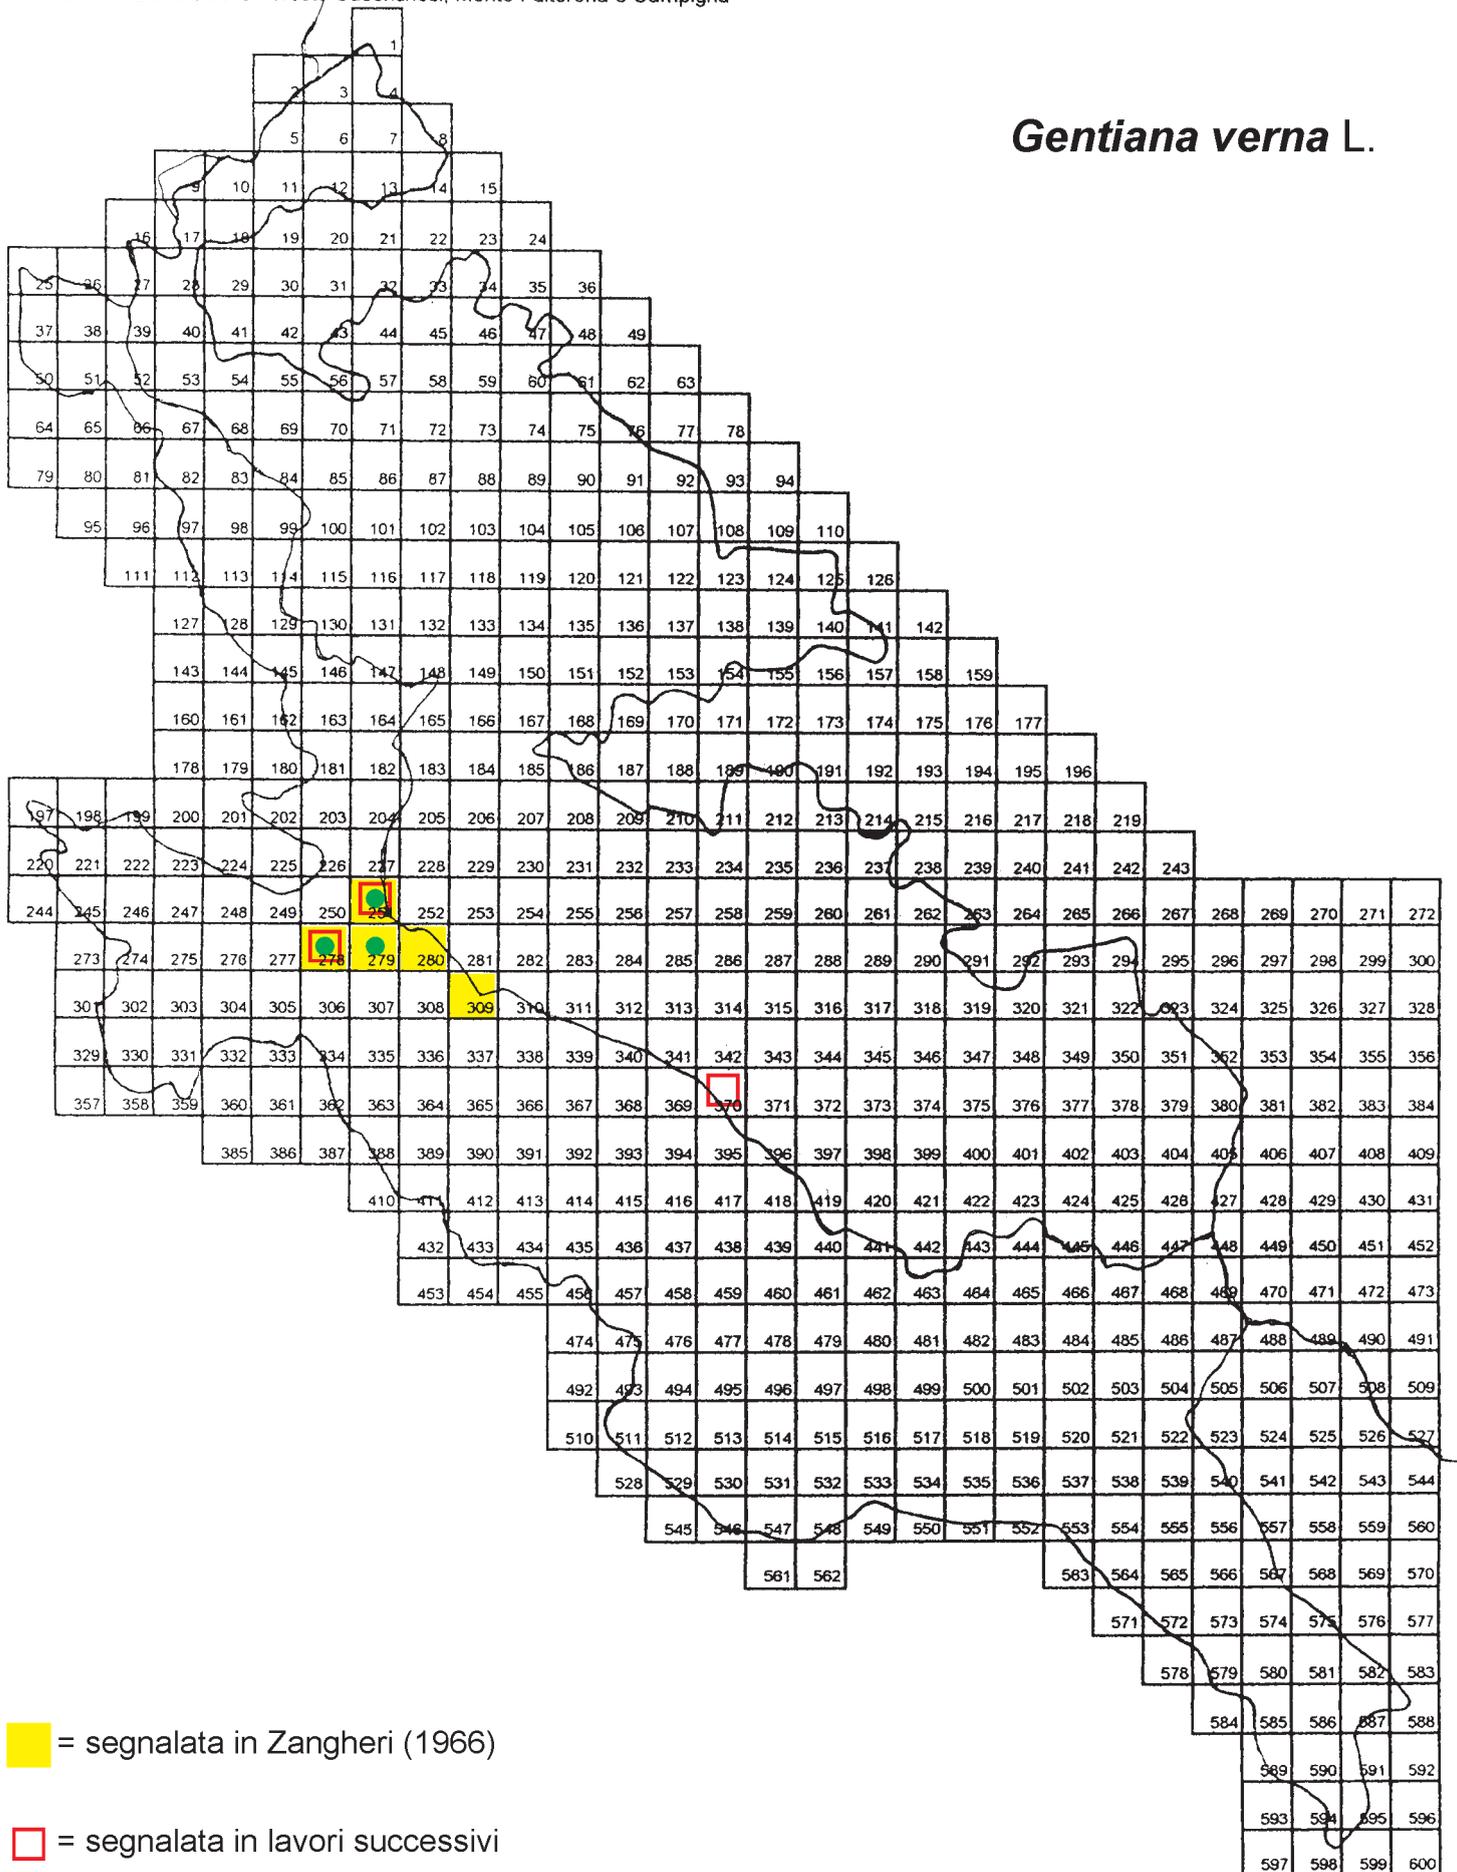

■ = segnalata in Matteini (1968)

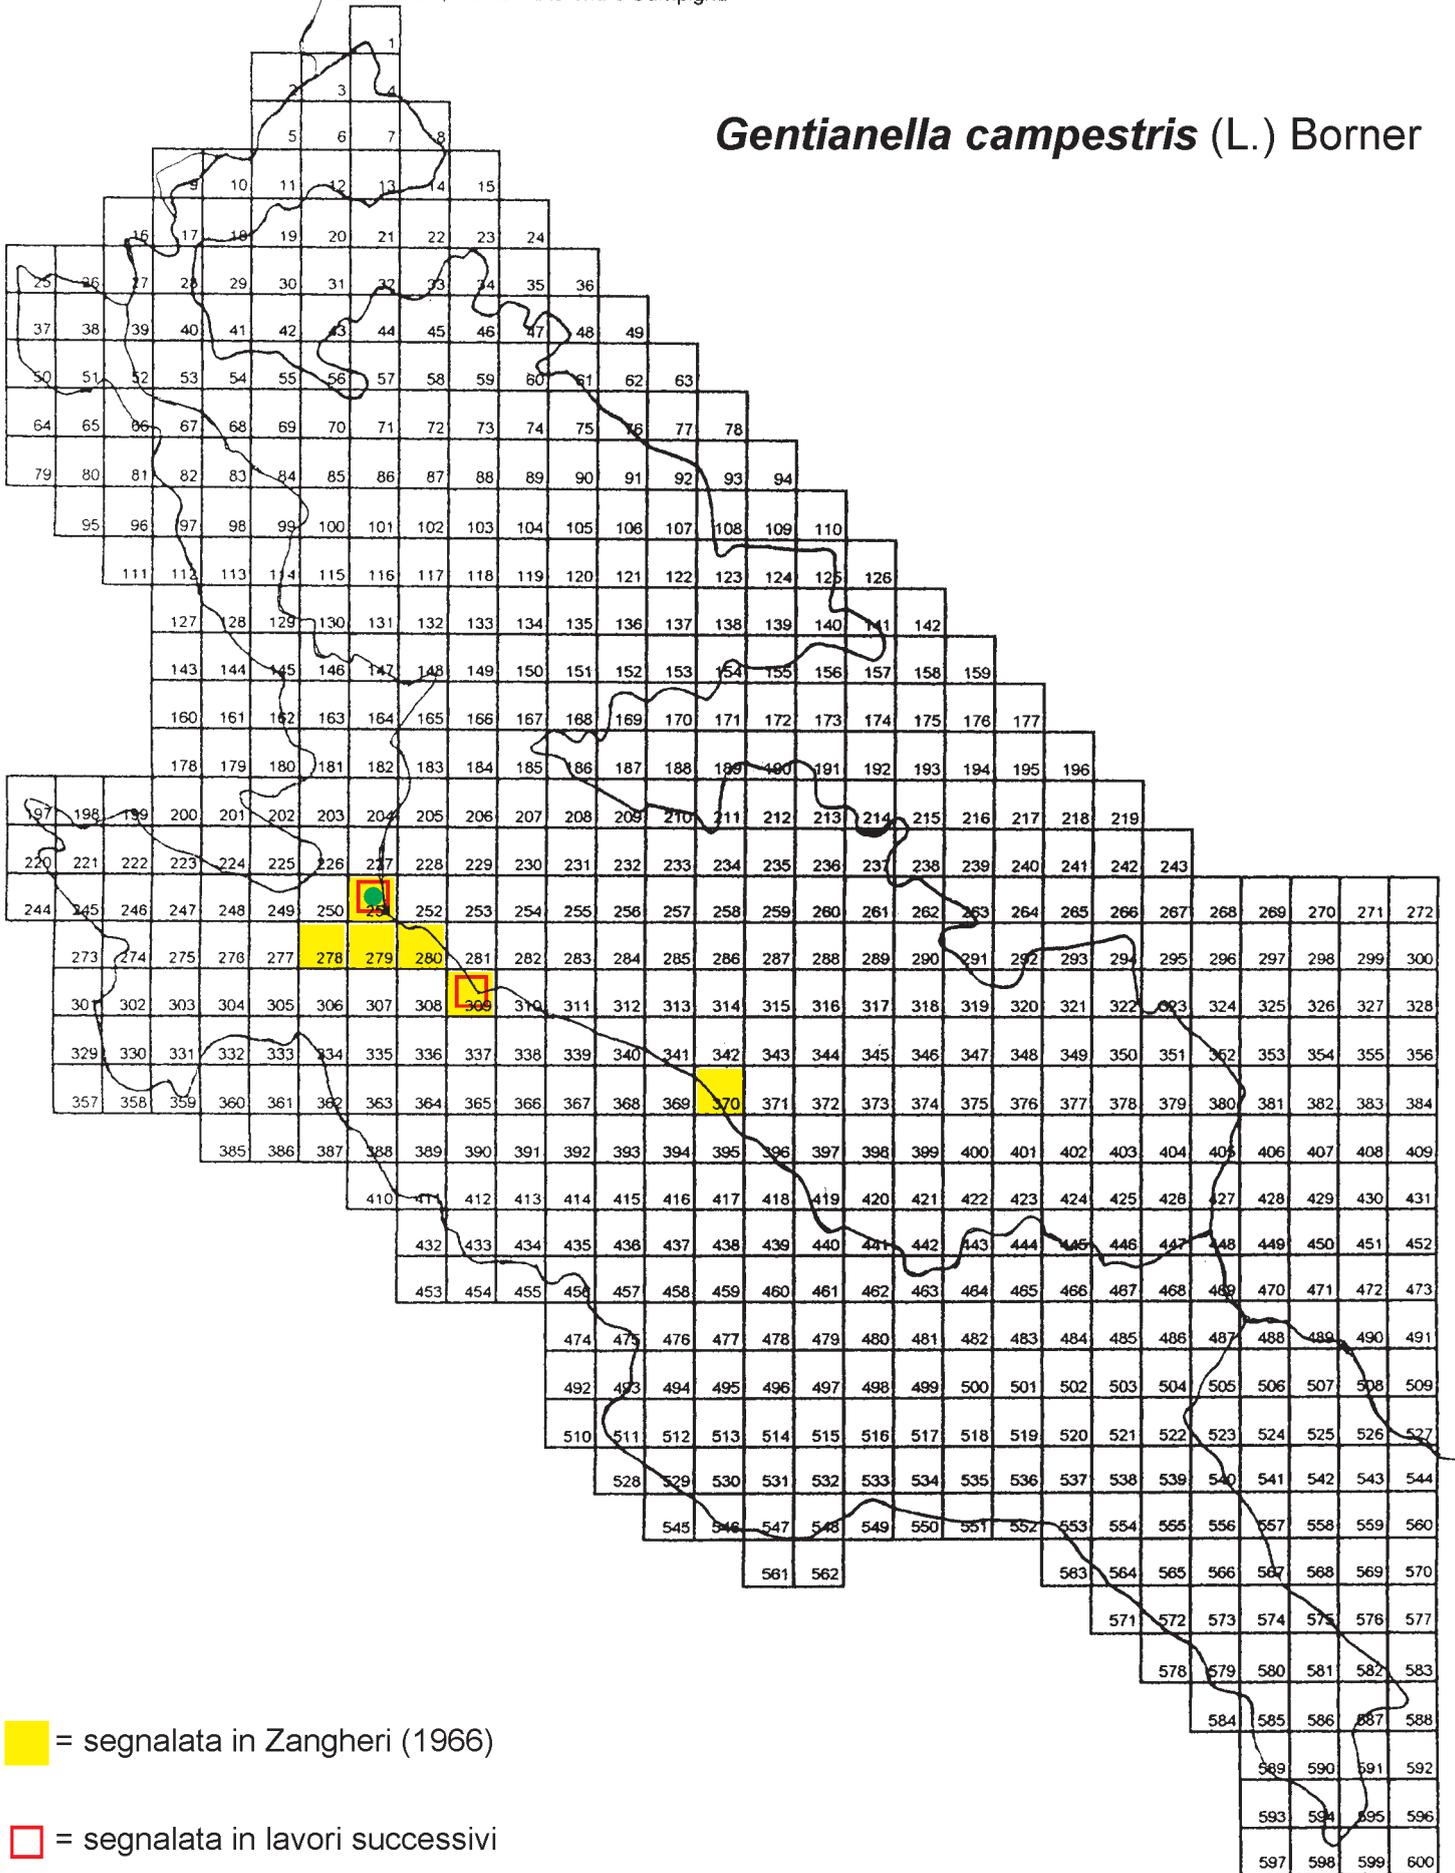

□ = segnalata in lavori successivi

● = segnalata nella presente ricerca

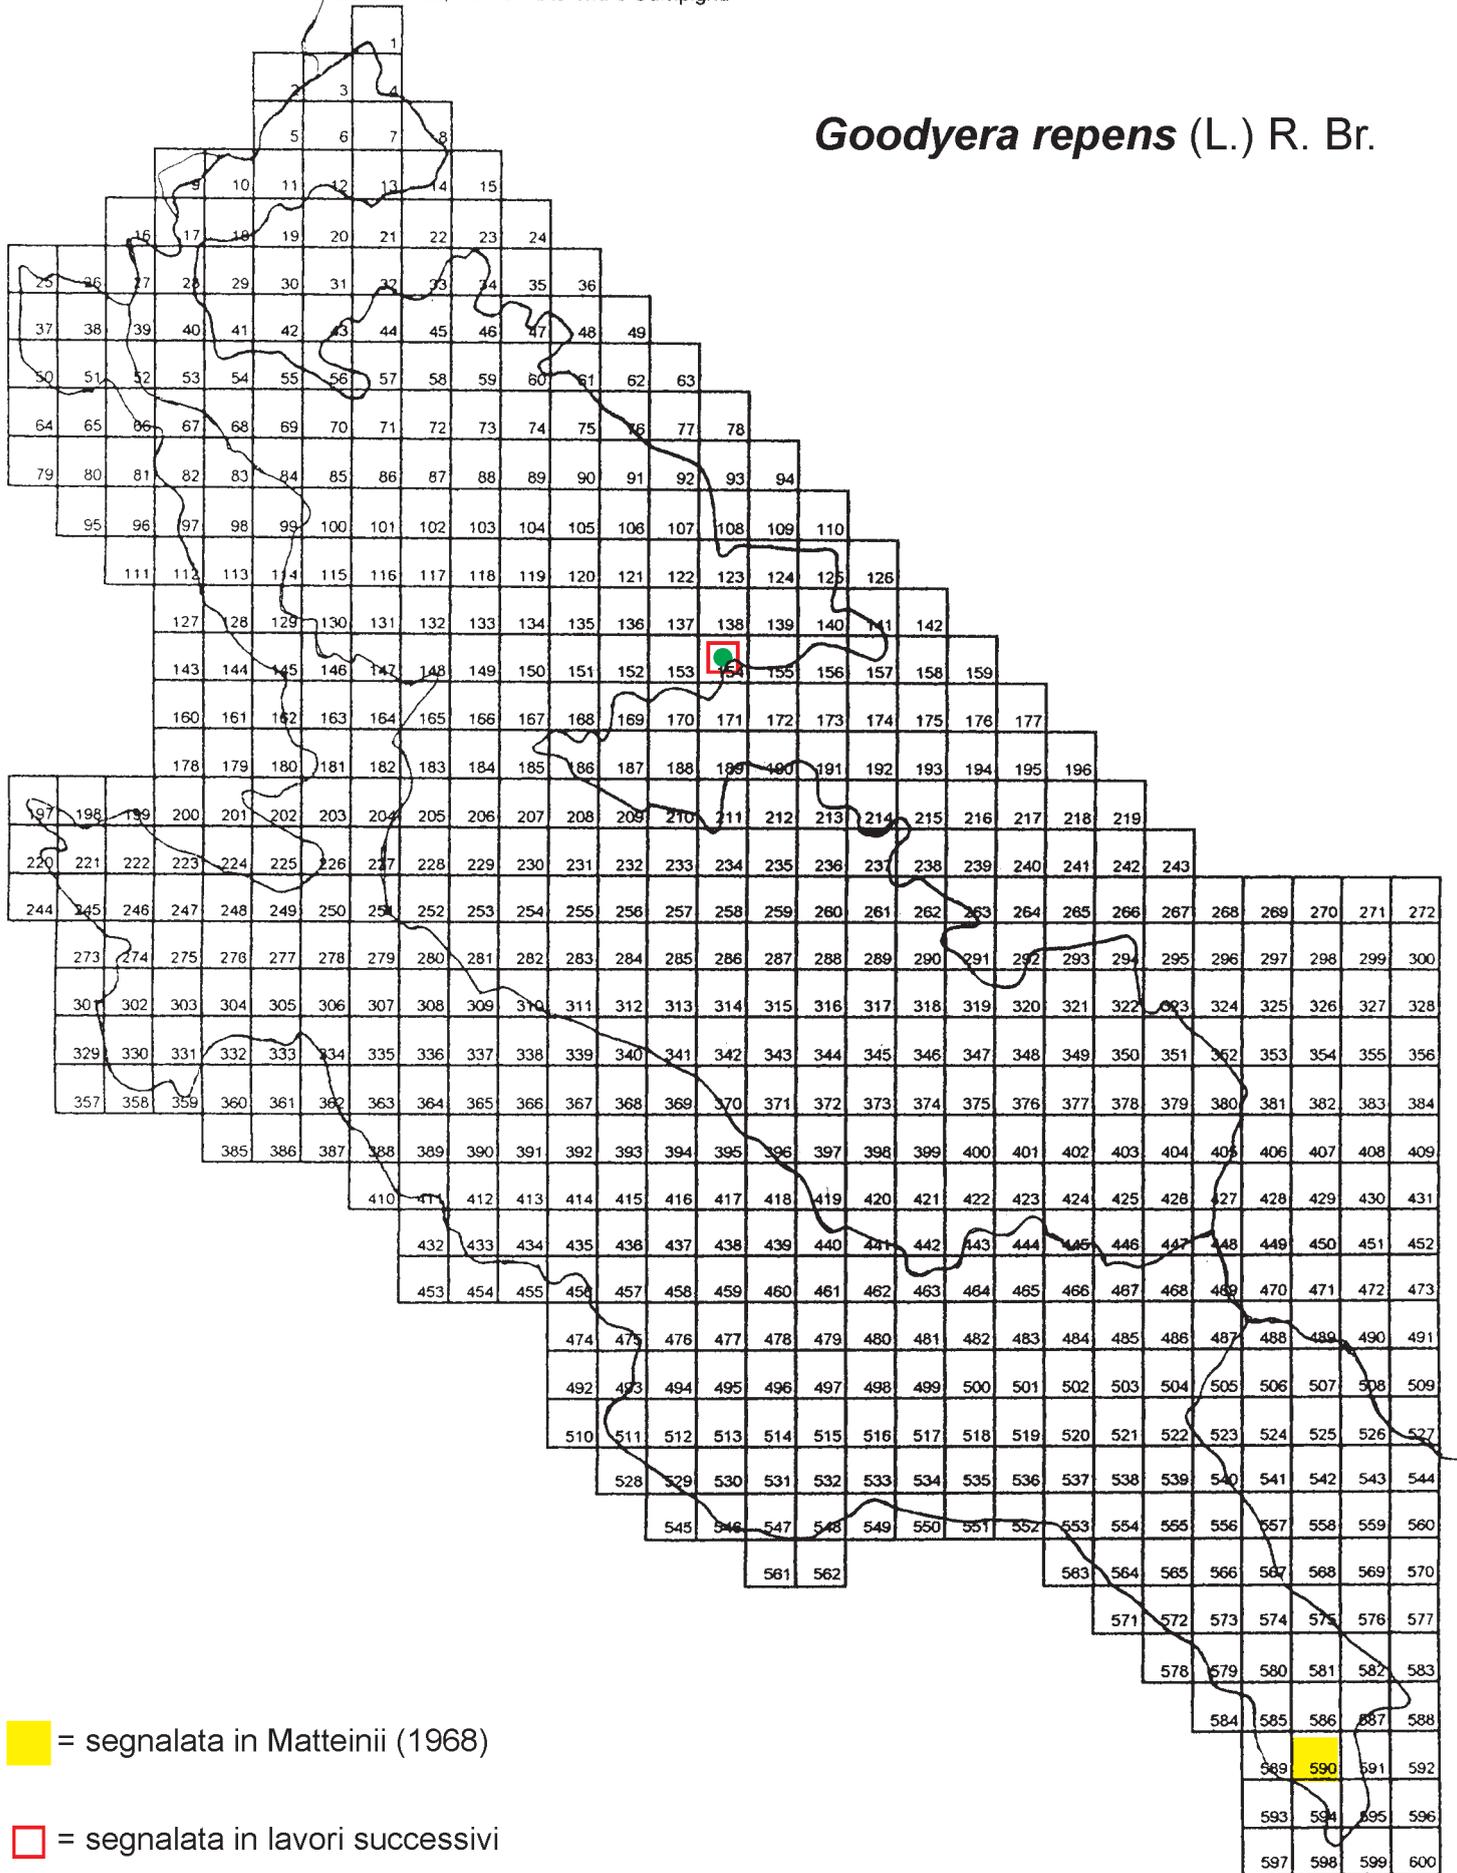

Gentiana verna L.

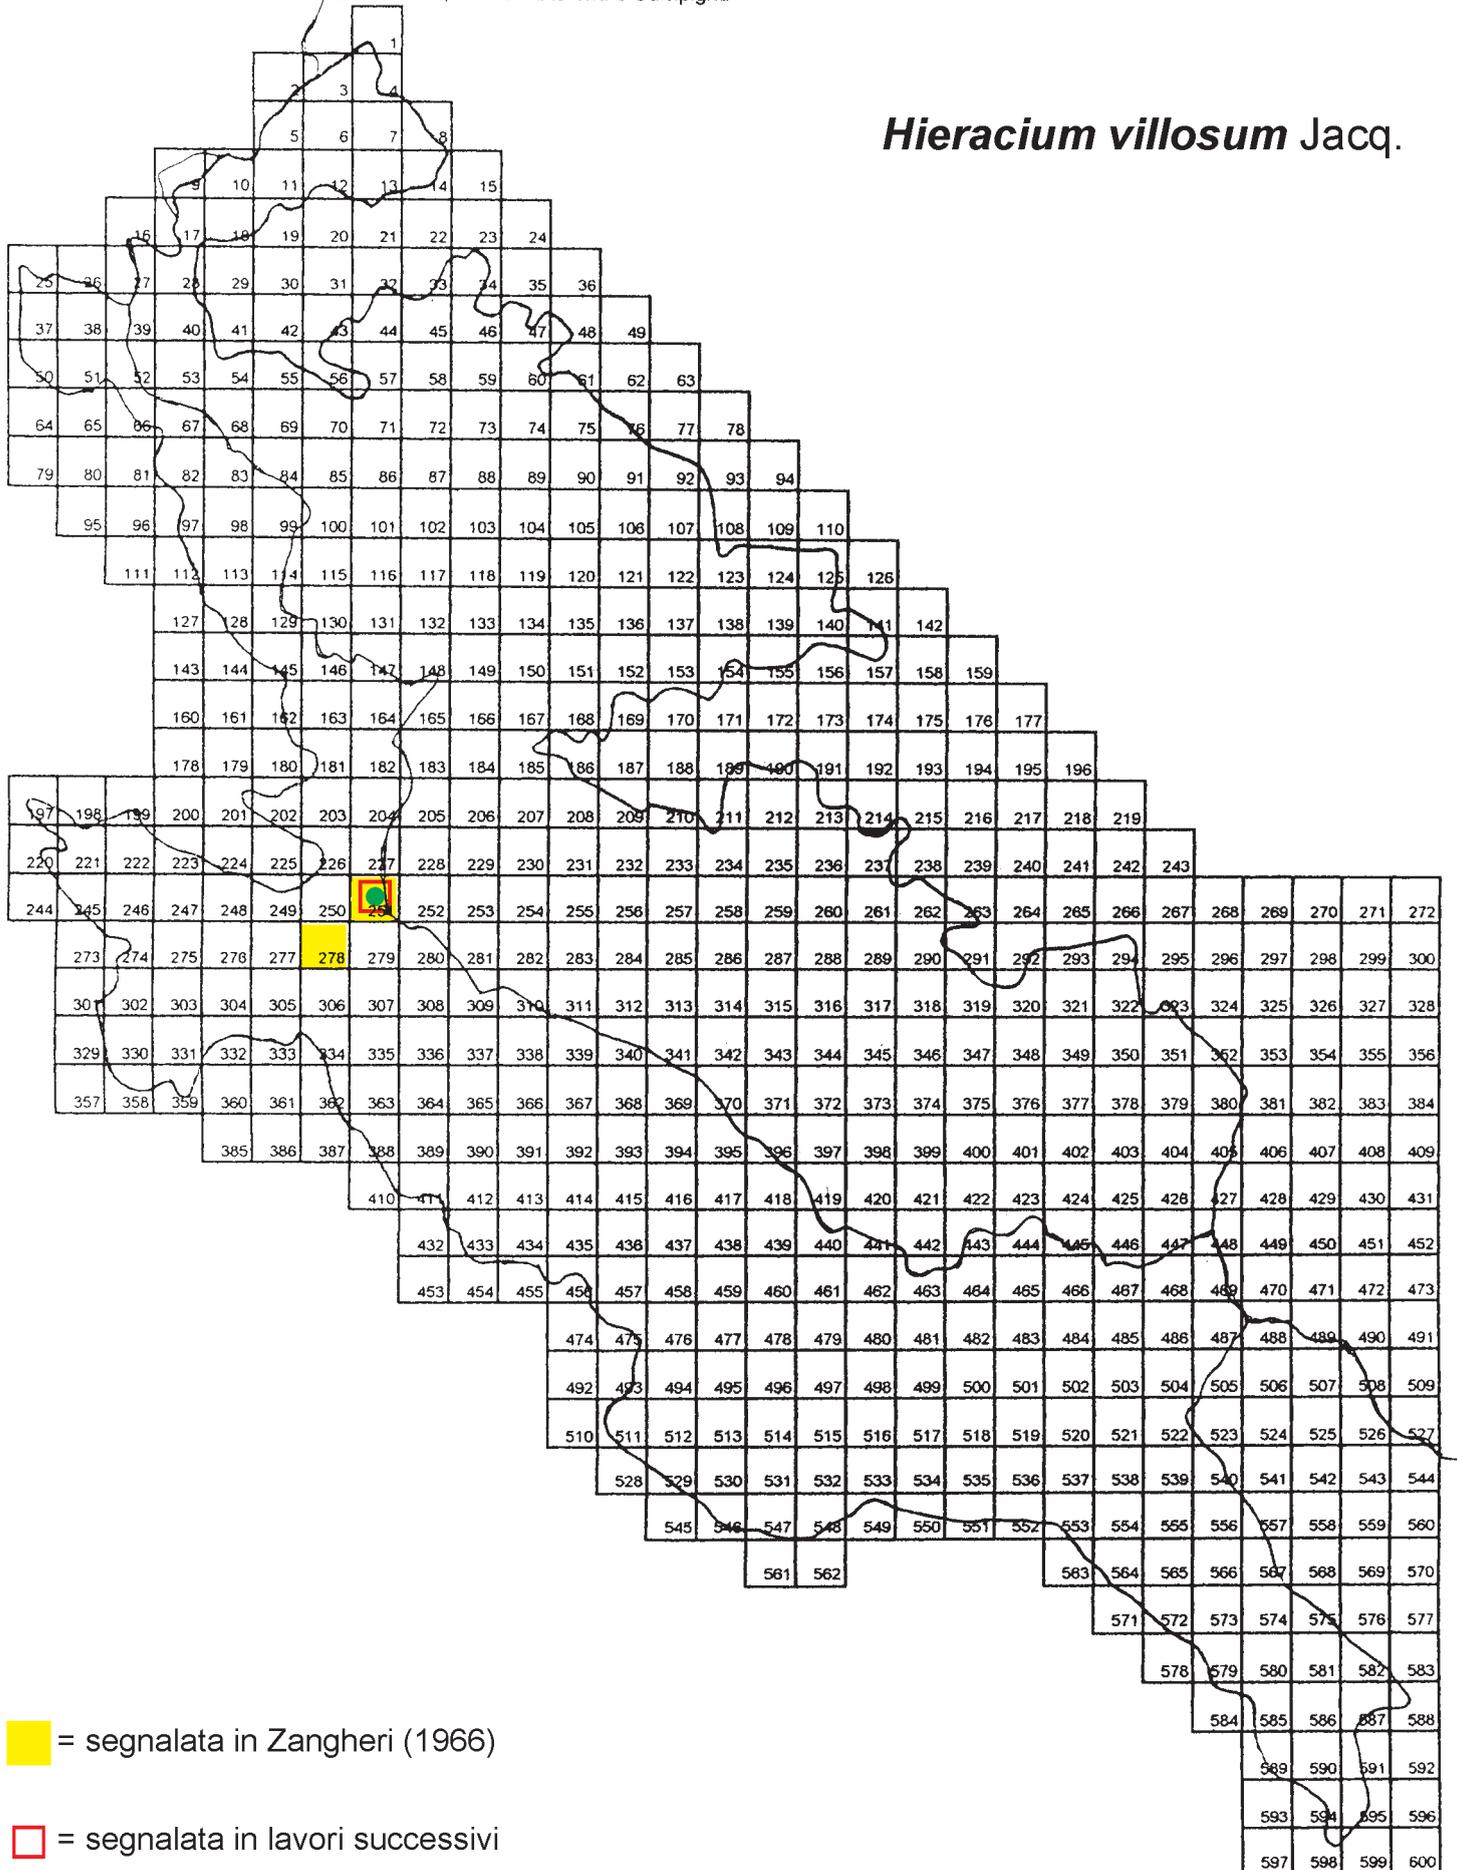

Gentianella campestris (L.) Borner

Goodyera repens (L.) R. Br.

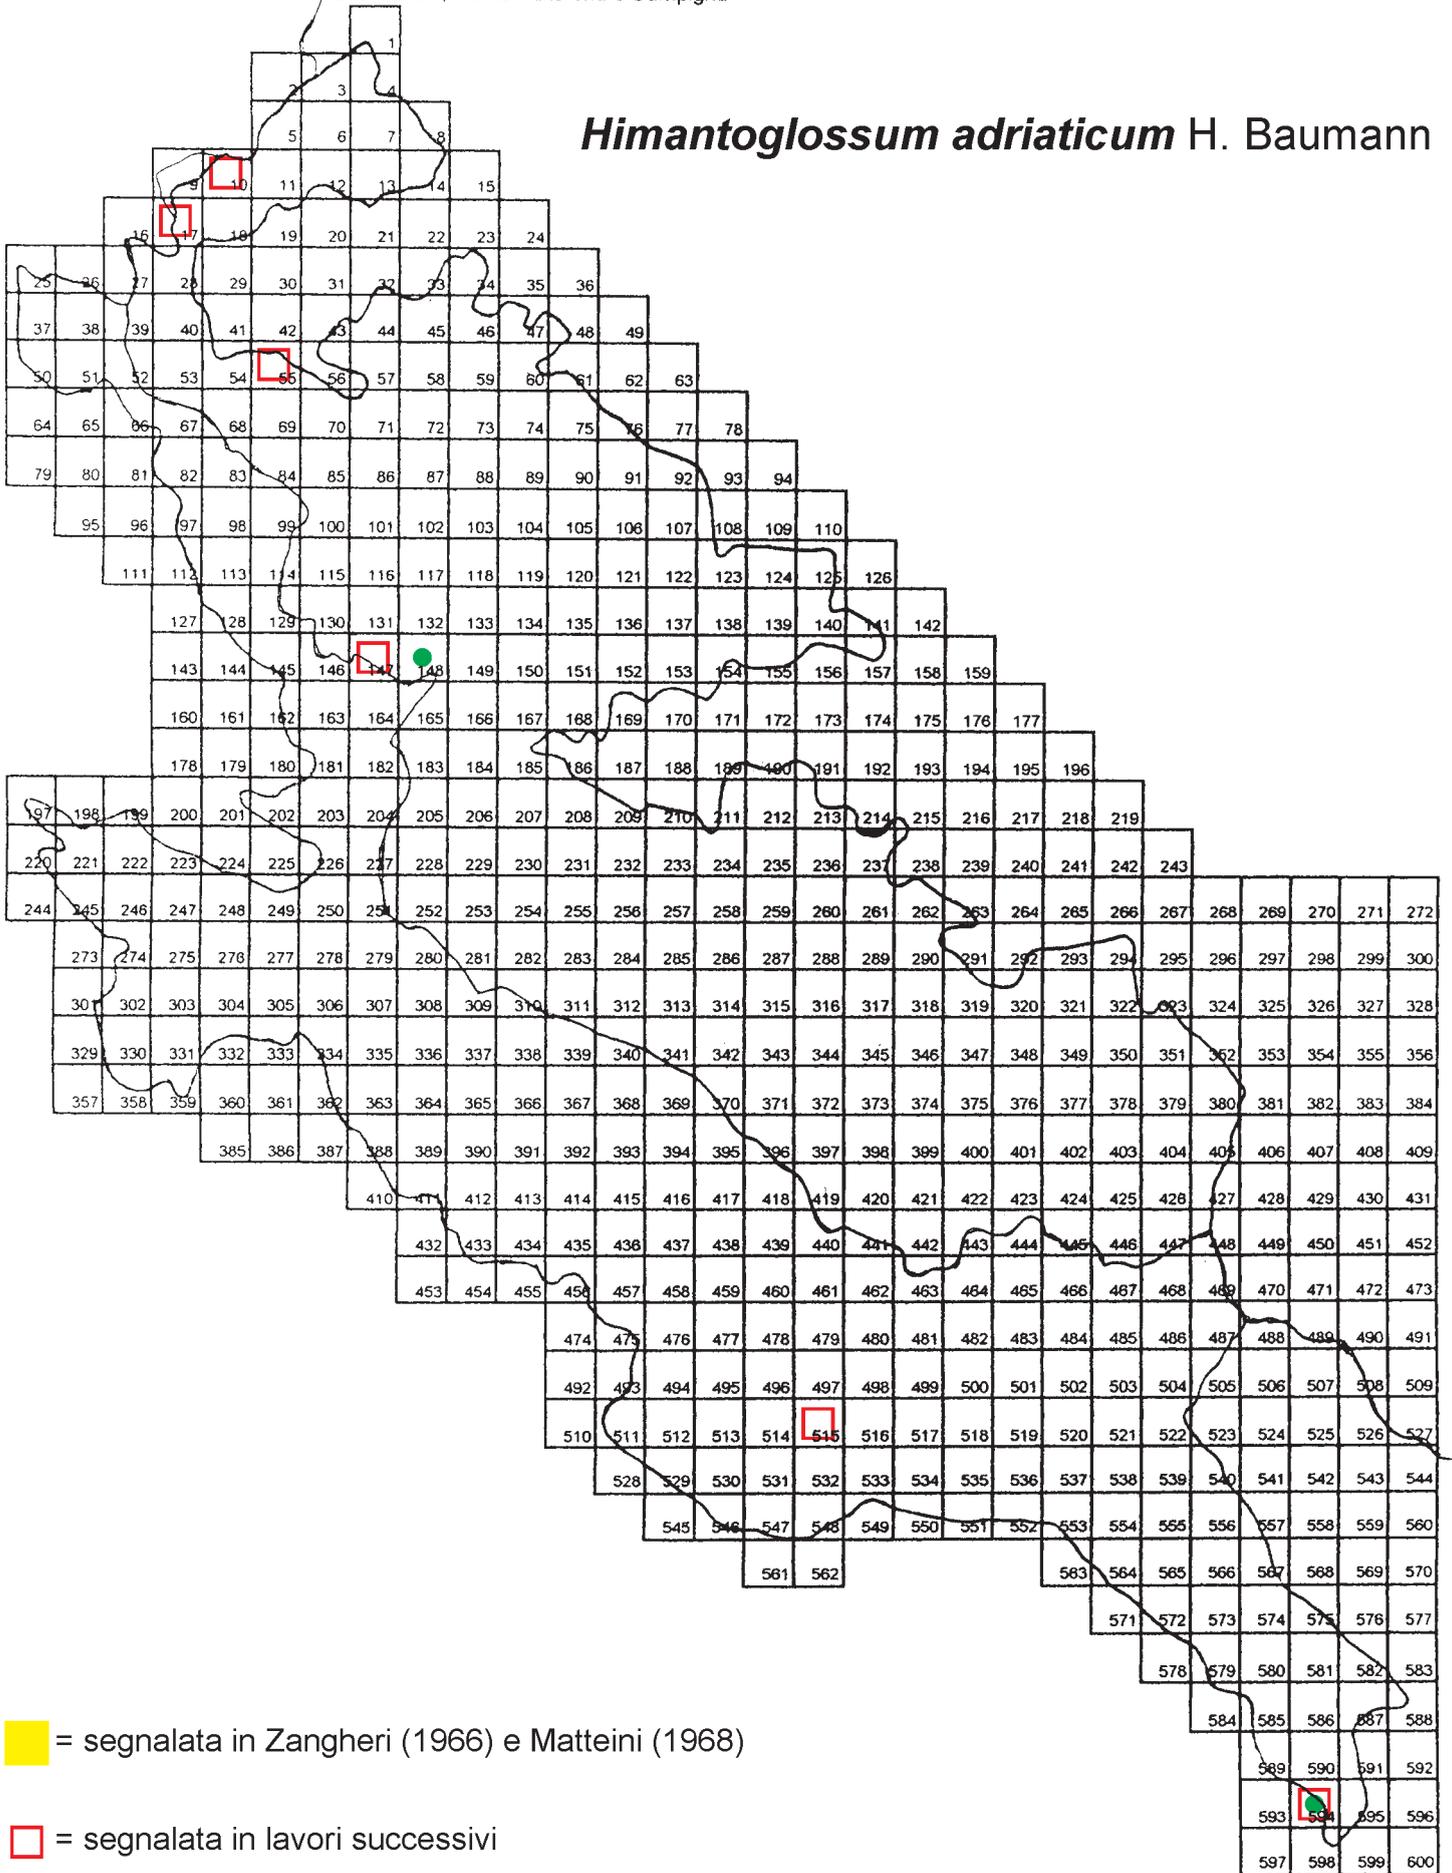

Hieracium villosum Jacq.

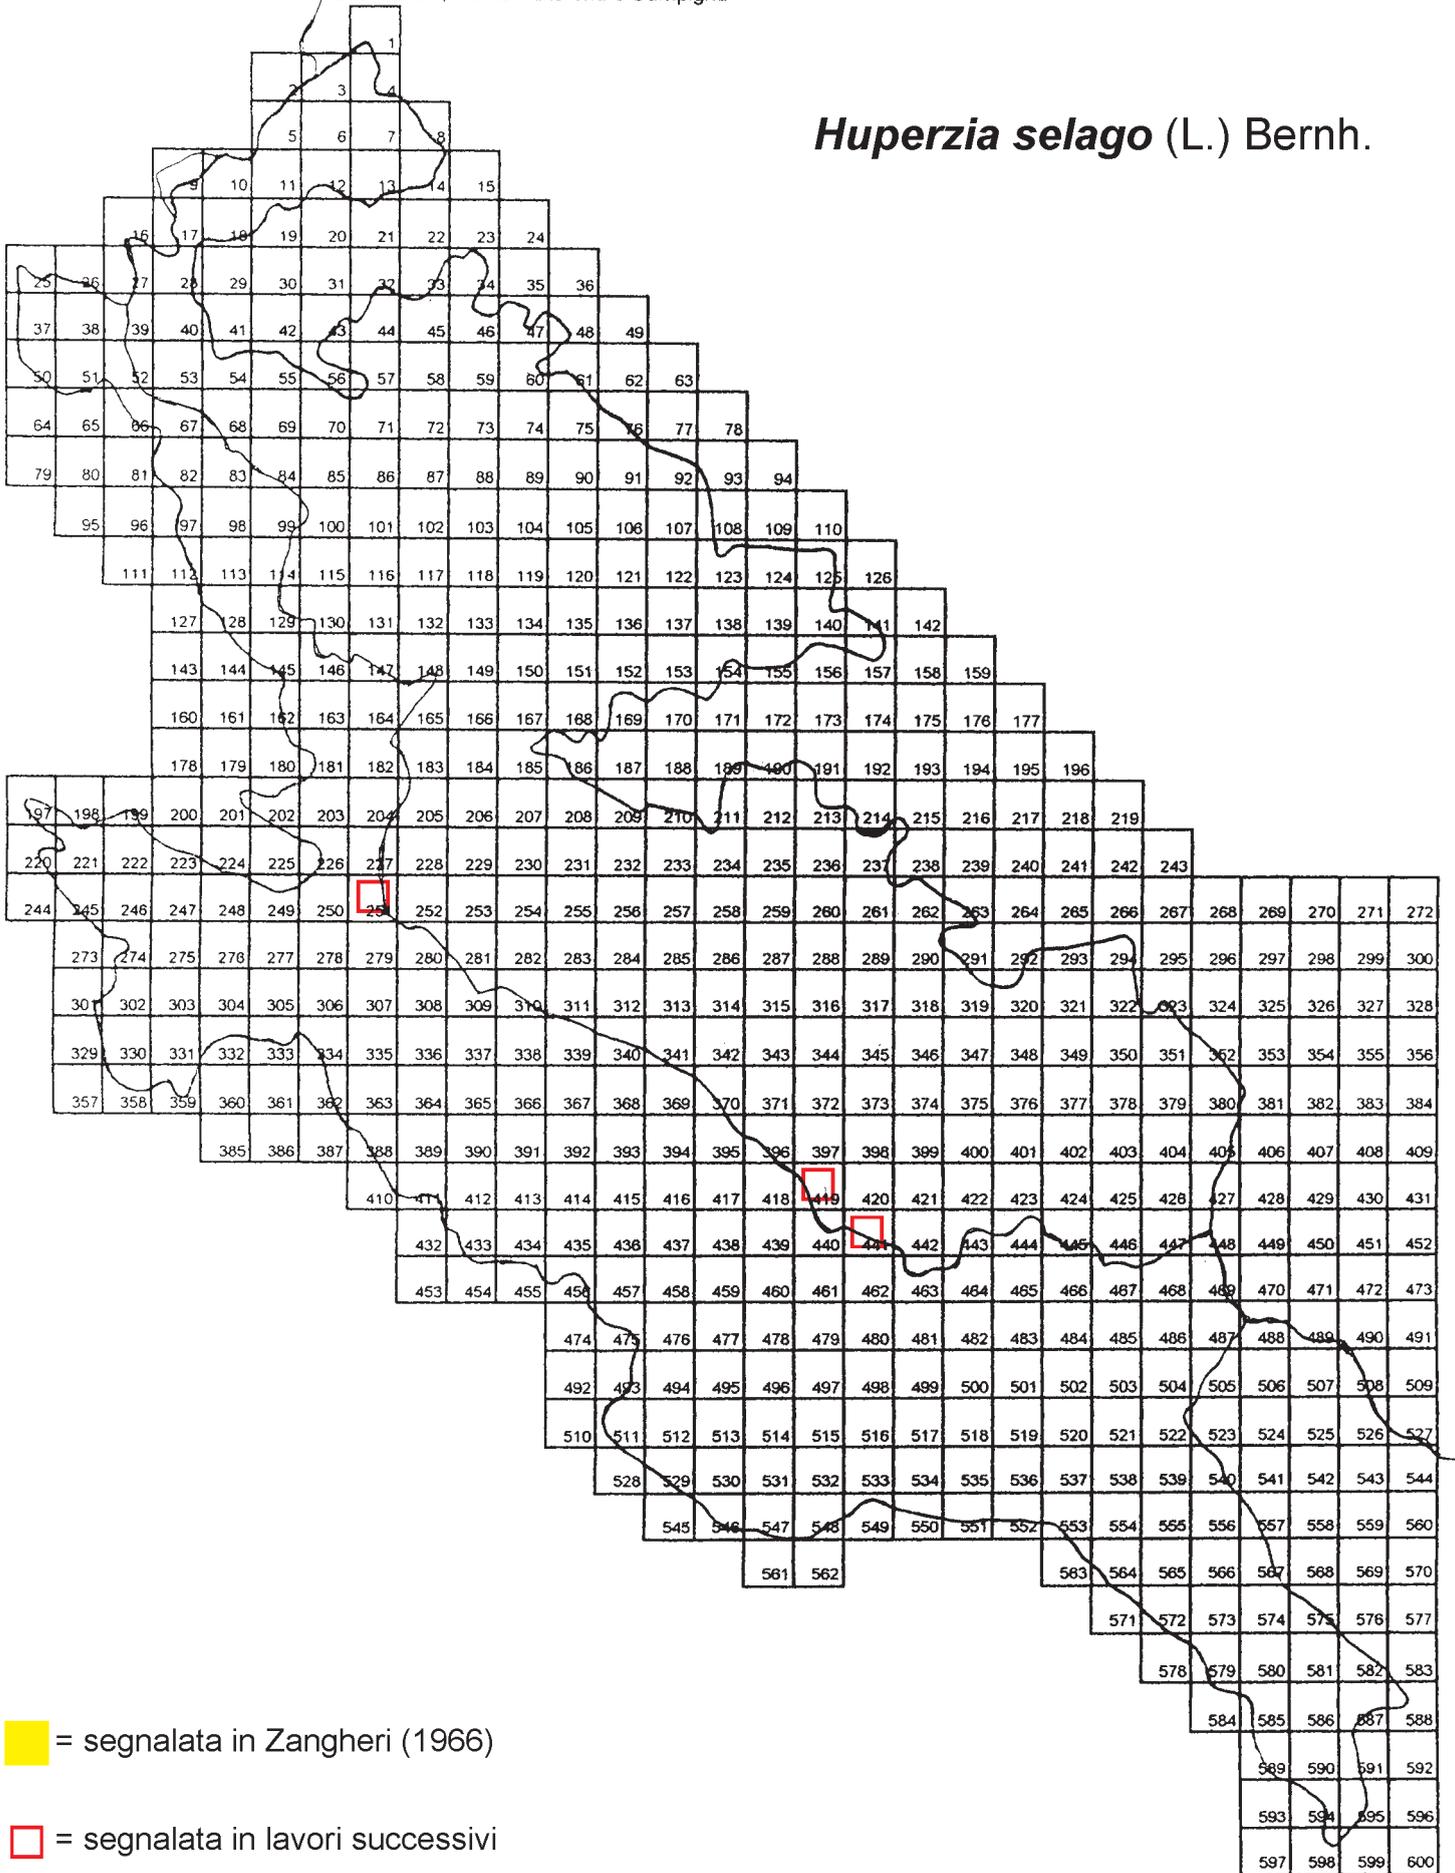

- = segnalata in Zangheri (1966)
- = segnalata in lavori successivi
- = segnalata nella presente ricerca

Himantoglossum adriaticum H. Baumann

Huperzia selago (L.) Bernh.

Hypericum richeri Vill
